# *POVCAD*
## 3-D Modeler and Ray Tracing Scene File Utility
**Windows Version 4.0**

This file contains important information you will need to know upon installing and using POVCAD v4.0.  If you enlarge the Write window to its maximum size, this document will be easier to read.  To do so, click the Maximize button in the top-right corner of the window or open the Control menu in the top-left corner of the Write window (press **Alt + Spacebar**), and then choose the **Maximize** command.

To move through the document, press your **Page Up** or **Page Down** keys or click the arrows at the top and bottom of the scroll bar along the right side of the Write window.

To print the document, choose the **Print** command from the **File** menu.  If you have questions about POVCAD, see "Contacting the Authors" in POVCAD40.HLP.

We hope you enjoy the program!

## Registration
POVCAD is a shareware program.  If you think this program is worth it, send $35 to:

>    **Alfonso Hermida**
>    **9346 Kings Grant Rd**
>    **Laurel MD 20723**

or
>    **Rob McGregor**
>    **P. O. Box 2183**
>    **Cocoa FL 32923-2183**

When you register POVCAD you'll receive a Windows help file with over **fifty** printable pages of tutorials, complete with diagrams, showing step-by-step examples of how to create incredible ray tracing scene files with POVCAD!  All the major subjects are covered.  Register today!

**NOTE:**  Registered users of previous versions of POVCAD, see the topic **"Registration"** in the POVCAD Windows help file for upgrade pricing (thanks!).

## Registration via CompuServe
Using CompuServe is an excellent alternative to registration via mail.   To register POVCAD on-line GO SWREG (filename PVCD40.ZIP) .  The $35.00 will will be added to your CompuServe bill.  It couldn't be easier!

## Technical Support via CompuServe

An excellent alternative to technical support via phone or mail is using CompuServe, which is one of the leading online systems in the world. Contact Rob McGregor at CIS 73122,3125 or Alfonso Hermida at CIS 72114,2060. CompuServe is an excellent resource on general issues as well.

## POVCAD License Agreement

Your use of POVCAD indicates your acceptance of the following terms and conditions:

POVCAD ("the Software") is a 3-D Modeler and Ray Tracing Scene File Utility for POV-Ray and Polyray. The Software is licensed by Alfonso Hermida and Robert McGregor ("the Authors"). The Software includes the following files:

| | |
|---|---|
| **povcad40.exe** | The POVCAD executable file. |
| **povcad40.hlp** | A Windows help file describing basic usage of POVCAD. |
| **pvcdtutr.hlp** | A Windows help file with POVCAD tutorials (registered users only). |
| **povdraw.dll** | A Windows dynamic link library. |
| **rm_ttf.dll** | A Windows dynamic link library. |

## Shareware License

You are free to distribute the entire unmodified contents of the distribution package to anyone you wish. You may NOT distribute any other programs that utilizes the Software without obtaining a Registered User License for the Software from the Authors. For a period of no more than 21 days, you may use, test and duplicate the enclosed version of the Software. Thereafter, if you wish to continue using the Software you must register the Software with the Authors, or else you must cease all use of the Software. You will be an infringer if you do not pay the registration fee and continue to use this version of the Software for more than 21 days.

## Registered User License

If you pay the registration fee for the Software to the Authors, the Authors will grant a non-exclusive license for one natural person to use one copy of the software regardless if the owner of the license is a person or a business ("the Licensee"). No purported transfer of the license shall be effective until the Licensee notifies the Authors of the name and address of the person receiving the license ("the Transferee"), and transfers all copies of the Software to the Transferee, and removes or destroys any other copies of the Software in the possession of, or under the control of the Licensee.

## Limited Warranty

The Software is distributed and licensed under an "as is" basis. For a period of 90 days from the date that you pay the registration fee, you may return all materials provided by the Authors, destroy any copies you have made and then you will receive a refund of your registration fee minus a $5 restocking charge, provided that the returned materials are undamaged. If the materials are damaged your refund will be deducted for the replacement costs of the damaged materials.

# Disclaimer of Warranties

If you use POVCAD, you do so at your own risk.  The Authors won't be held responsible if it screws anything up.  The Authors make no claims as to the suitability of the software for any specific purpose.  EXCEPT FOR THE LIMITED WARRANTY STATED ABOVE, THE AUTHORS DISCLAIM ANY AND ALL OTHER WARRANTIES EXPRESS OR IMPLIED, WRITTEN OR ORAL, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY SPECIFIC PURPOSE.  The Limited Warranty stated above gives you specific legal rights, but you may have other rights which may vary from state to state.

# Limitation of Liability

In no event shall the Authors be liable for any damages whatsoever arising out of the use of the Software, including without limitation any direct, indirect or consequential damages or any damages for business interruption, loss of profits, loss of information, or any pecuniary  loss even if the Authors have been notified of the possibility of such damages. The limitation or exclusion of liability for incidental or consequential damages may not be allowed in some states, and in these states those particular prohibited limitations do not apply.

# Limitation of Remedies

Should you have problems with the Software, the Authors' entire liability and your exclusive remedy shall be, at the Authors' discretion, either (a) to repair or replace the Software, or (b) to terminate the License and send you a refund of your registration fee minus a restocking charge, provided that all materials are returned undamaged.  If the materials are damaged your refund will be deducted for the replacement costs of the damaged materials.

# Copyright Information

The Software is protected by the copyright laws of the United States, and by the copyright laws of many other countries pursuant to international treaties.  The Software is Copyright © 1993, 1994 by Alfonso Hermida and Robert McGregor.  All rights reserved.  No portion of the Software or documentation may be copied, stored, or transmitted except as provided by the license.
