Volunteers are needed to bring cookies and greet members at the door.

Our Treasurer reported that we had an application for membership from Mrs. Betty Bartholomew Cox, 11305 Riverview Road, Oxon Hill, Md., 292-1566. She was elected to membership.

There was no new business. Dr. Towle announced that a council meeting would be held Thursday, 13 January at 7:30 P.M. at the Towle's residence. 1972 dues must be paid during January. No BULLETINS will be mailed to members not paid up.

Graveyards and Gravestone of Wicomico (County, Md.). By John E. Jacob. The Salisbury Advertiser, Box 991, Salisbury, MD 21801 1971. 131 pp. Index. \$10.00.

Salisbury attorney John E. Jacob has examined over 600 graveyards in Wicomico County. All extant inscriptions with death dates prior to 1901 have been transcribed and are printed in this booklet by election district and cemetery. The excellent full name index enables the user to easily determine if names of interest are included. Mr. Jacob reports that the earliest death date found is 1739 and attributes the lack of early inscriptions to the use of perishable cypress and cedar markers. The most common surnames are White, Bailey, Phillips, Truitt, Holloway, Hamblin, Parsons, Roberts, Bounds and Taylor. To aid the reader, Jacob has arranged all inscriptions in each cemetery in alphabetical order and the first appearance of each surname is set in boldface type. To make the best use of space, he has not bothered reproducing the usual sentiments and poems found on many stones. We regret that a map was not included to show us the location of the various districts and roads. This book can be recommended to all students of Wicomico County families and to all libraries concerned with Maryland genealogy. For a report on the status of publication of inscriptions from other Maryland counties, see Mary K. Meyer, "Genealogical Notes", Maryland Historical Magazine 66:468-470.

The following books have been published and are available from Charles E. Tuttle Co., Inc., P. O. Box 470, Rutland, VT 05701, which has donated copies to the Society:

The Story of Surnames. 1969. 152 pp. Index. \$4.75

The Story of Titles. 1969. 176 pp. Index. \$4.75. Both by L. G. Pine

Perhaps more than any other British writer/genealogist, L. G. Pine has - through the pages of his many books - helped to popularize genealogy and bring it within the understanding of the average nonprofessional. Modestly priced and well-written in easily understood language, these two "stories" will inform and assist all ancestor hunters. The Story of Titles contains chapters about the origin and development of titles, with emphasis upon British titles. The Story of Surnames, as the author explains, is not a dictionary of British surnames. Pine has explained the rules which govern the growth of surnames. Chapters deal with Norman surnames, place names, patronymics, occupational names, nicknames, and Welsh, Scottish, and Irish surnames. Students interested in further reading are treated to an excellent chapter of "sources and suggestions". One has only to read a few published genealogies by amateurs to realize that there is widespread misunderstanding of the meanings, origin, and history of surnames. This book should be required reading for all ancestor hunters and genealogists. Highly recommended.

BOOK REVIEW - continued

The "Mary and John" - a Story of the Founding of Dorchester, Mass., 1630. By Maude Pinney Kuhns. 1943, reprinted 1971. xii, 254 pp. Index. \$12.00.

Demand, rather than excellence, is the determining factor in the reprinting of books. Sooner or later each descendant who succeeds in tracing his ancestry to one of the founders of Dorchester will refer to this book. Authoritative sources report that 140 passengers sailed from Plymouth, England, on the Mary and John, but no passenger list is extant. Mrs. Kuhns has gathered from a variety of sources (most of them not authoritative) a list of 160 possible passengers. On the basis of library copying, rather than original research in documentary records, she has prepared capsule accounts of each individual or family. Over half of the book is devoted to vanity, i. e., lineages of descendants from alleged passengers, accompanied by many incomplete ancestry diagrams. As is usual with reprints, no effort is made to revise and update this book to point out the many errors and flaws. Since it was first published in 1943, the book has been superseded by many scholarly studies of the families described. Though not to be considered a basic reference work for the founders of Dorchester, this book can be helpful to the beginner interested in a particular family, if he does not accept every statement as gospel and if he merely uses it and the sources listed as directions for further research in reliable primary source records.

CURIOUS EPITAPHS -- submitted by Mrs. Catherine Merithew

Canaan, New Hampshire on the tomb of Sarah Shute, 1803-1840 is the inscription:

"Here lies, cut down like unripe fruit,
The wife of Deacon Amos Shute,
She died of drinking too much coffee,
Anno Domini 1840"

Enosburg, Vermont, in memory of Anna Hopewell -

"Here lies the body of our Anna,
Done to death by a banana,
It wasn't the fruit that laid her low,
But the skin of the thing that made her go."

ABSTRACTING

Revolutionary War Pension

AZARIAH COOLEY - MASSACHUSETTS - S 34232

Service: Pvt. in the Mass. Line under Capt. Towgood. Enlisted March 1777 and discharged March 31, 1780. He was at the Battle of Bemus Heights on 19 September 1777.

Pension: Inscribed on the roll of Mass. at the rate of \$8.00 per month to begin 4 May 1818. Certificate of pension issued 17 Dec. 1818. Application executed 4 May 1818, while a resident of Deerfield, Franklin Co., Mass.

Birth: Azariah Cooley born 26 January 1760, Brimfield, Mass.

Death: Azariah Cooley died 27 July 1831 in Deerfield, Mass.

Family: In application of 4 May 1818, Soldier stated his Wife was living. He had 18 children by her, 13 now living.

The above Pension Record is what I consider typical. In a Widow's application you will find data regarding the proof of marriage, possibly depositions from members of her family, of her children and neighbors. In a REJECTED application the soldier will be more apt to over-rate his services and the depositions more eloquent as to character and services. You may be fortunate in finding a Bible Record sent in by the applying parties. This is most usually found in the WIDOW's application. When recording the Pension data from the Jacket, transcribe the Act under which the Soldier is receiving his Pension. A study of these Acts will help to explain the reasons why the Soldier and/or the Widow waited a long time to apply for the pension.

Pension Files are available on microfilm (not entirely completed) and in the original form. The microfilms are much easier to use, as there is no waiting period for an attendant to retrieve the files. If you desire a copy of a paper in the file, however, I suggest requesting the original pension folder from the Main Reading Room at the National Archives. Closer copies can be made by Xerox from the originals.

Collections of abstracts can be found in various libraries and periodicals run them as regular features. Abstract everything the first time you view the microfilm to make it complete. You may be unable to return and then you have incomplete data.

GENEALOGY IN UNSUSPECTED PLACES

The Bowie and New Carrollton branches of the Prince George's Co. Public Library has a book entitled, FURNITURE AND ITS MAKERS OF CHESTER CO., PENNSYLVANIA by Margaret Berwind Schiffer. The book is an alphabetical listing of furniture craftsmen in Chester Co., Pa. 1682-1840. Mrs. Schiffer has used old newspapers, letters, wills, inventories, land transfers, tax records, census, diaries and journals, etc. to gain information concerning the lives and work of these craftsmen. In many cases birth, marriage and death data is given. When an inventory of an estate shows furniture or carpenter tools held, these items are listed. Data is footnoted, giving Will Book or Deed Book number and page, inventory number, etc. Genealogists can be grateful for the careful citation of sources, and glean much information if searching Chester Co. families.

LAND ABSTRACTING PROJECT - Genealogical Records Committee

GENERAL INSTRUCTIONS - Print all information clearly. Use a black or blue ball point pen. Print all personal names in capital letters. If you are uncertain about a spelling or reading, get another opinion; if still doubtful, insert (?) after the doubtful reading, or "BROWN (BREWER?)." If an entry is damaged and unreadable, insert (---blot---) or (---torn---) to approximate the damaged portion of the entry. Checker should use blue pencil, not pen.

SPECIFIC INSTRUCTIONS

1. TYPE OF INSTRUMENT: If the document is not an ordinary deed, specify the type of instrument. Ex: power of attorney, special power of attorney (to sell land, to collect debt), mortgage release, lease, bill of sale, manumission.
2. DATE OF INSTRUMENT: Enter the actual date (exactly as written). This date is different than the date of recording or acknowledgement, and is included within the body of the instrument.
3. NAME(S) OF GRANTOR: Print the full name in capital letters exactly as written. If name is abbreviated, copy the abbreviation; do not spell it out. Ex: Copy "Dan^l" this way; do not print "DANIEL".
4. OF (Residence; Normally the grantor(s) will be of Prince George's Co.; if so, simply place an "X" in the () PGCo Box. If no location is given, leave this item blank. If another location is given, spell it out exactly as written. If another county is given, or another place in PG Co., please indicate.
5. OCCUPATION or STATUS: Examples: yeoman, planter, mariner, chirurgeon, Gent., Esq. Spell out exactly as written.
6. TO: (Grantee, Buyer, etc.): Print in capital letters exactly as written the name(s) of the second party and relationship, if any, to Grantor.
9. FOR (Price): Describe the price or other consideration exactly as described in the document. If "love and good will" are mentioned, include these or similar phrases in the abstract, as they denote a relationship.
10. DESCRIPTION OF LAND: Normally the acreage is stated toward the end of the deed.
11. Most Maryland properties were given a name. Spell this out exactly as written. Sometimes the description will specify that the parcel is "lying on the upper fork of the Cedar Creek, a tributary of Chicocomico River," or similar description with waterways specified. Include such language. Ignore measurements of boundary lines; omit reference to trees and other perishable markers; ignore boundary markers, unless a permanent waterway, highway, etc., is mentioned. If a boundary crosses a named waterway, include that in the description.
12. ADJOINING: Most deeds will mention all adjoining property owners or names. Include all these exactly as written, but ignore compass directions.

13. **ORIGINALLY:** Many deeds will briefly describe the previous ownership or transfers of the property to the grantor. Such descriptions should be included in the abstract.
Examples: Originally patented to John Doe on (date), or Conveyed to John Doe by Henry Roe by deed dated...or Laid out to John Doe on (date), or Conveyed by the Will of John Doe...
14. If more than one parcel of land is being conveyed by the instrument, describe items 10 through 13 for each additional parcel on the reverse side of the form. Place an "X" in this block.
15. Many documents will provide information not provided for in this deed abstract form. Use the other side of the paper to abstract all pertinent information. Place an "X" in this block.
16. Normally the name of the signer will be the same as the name printed in item #3 above. If there is any difference, show it here.
17. **WITNESSES:** Spell out in capital letters the names of each of the witnesses exactly as written.
18. **ACKNOWLEDGED BY:** Normally a party to the document will appear at court and testify to his signature. This entry will be placed after the main body of the document. Sometimes a wife will release her dower right separately, rather than being named in the deed as one of the grantors. Abstract any such information.
19. **DATE RECORDED:** This is important and should be included in the abstract. Ignore, however, the name of the court clerk.
20. **REFERENCE:** Insert the volume (liber) number or letter and the page on which the document begins.

INITIALS: If you made the original abstract, initial on that line and insert the date. If you are checking a deed already abstracted, initial and date on those lines.

CORRECTIONS: The checker should insert all additional pertinent data in blue pencil. Examples: information overlooked by the abstractor, an alternative reading of some work (e.g., BROWN (BREWER?)). If a reading is corrected, draw a blue pencil line through the misread word and insert the corrected reading above it in blue pencil. If the checker is still in doubt about a reading, and cannot resolve the problem, he should insert a blue pencilled question mark in the right margin and underline the doubtful word in the abstract. No entries are to be made in the "Edited" or "Typed" lines at this stage in the project.

When in doubt about how much information to provide, include it. The editor can deal with it later.

the county, or at least of the state, in which the land is
situated. However, this transaction took place in Connecticut

lived in New York, was acknowledged in Connecticut and recorded
in Ohio. See SERENDIPITY column for details.

SERENDIPITY

Curiosity and Kindness

The deed abstract above is part of a wonderful research experience.
Because I was curious and many people were kind, my research of the
HACKLEY family has yielded, for me, the find of the century!

It all began when I drove to Waterville, New York, looking for the
grave of an ancestor. I stopped strangers on the street who
guided me to the newspaper office and from there I was sent to the
village historian. She, in turn, introduced me to a retired
mortician who personally helped me search the cemetery and then
advised me to look in Sangerfield Center, "just down the road
apiece". It was there I found several ancestors -- all in a row.
Next but one to my Dr. Sherman Bartholomew (the object of my
search) were two stones that memorialized "Aaron Hackley, Esq."
and "Mrs. Elizabeth" his wife. Could these be the parents of
Dr. B's wife, Sally Hackley? All I knew of her was her name, from
a family genealogy; I was determined to search this line.

SERENDIPITY, continued

At the Oneida County Court House in Utica, I found Aaron's will in which he mentioned his wife Elizabeth, his daughter Sally Bartholomew as well as his other children, and two grandchildren (surname WOODRUFF). (Perhaps it was their mother Margery Woodruff, who was buried between Aaron Hackley and Dr. B.?) He also mentioned "...my land in the town of Holbrook, county of Cuyahoga, State of Ohio..." There is no such place as Holbrook on a modern map.

On my return home, I consulted the U.S. Census, the histories of Oneida and Herkimer Counties, N.Y., the Barbour Collection of Conn. Vital Records, the Hale Collection of Cemetery Inscriptions (Conn.) and Jacobus' first issues of the American Genealogist, "Families of Ancient New Haven". Mrs. Elizabeth Hackley was the daughter of Levi Moss, Sr. (an American patriot) and this family opened up several generations, some to the 17th century immigrants. The records revealed two generations beyond Aaron Hackley and down through one son to a great-grandchild buried in Pennsylvania.

I was in the Western Reserve Historical Society library in July 1970 and mentioned my Holbrook puzzle to a staff member, Mrs. Carl Main. She knew nothing of such a place and in a hurried search we could not find it on a map. Later I sent her a copy of the land description and grantor's name from Aaron's 1811 deed which I found recorded in Cuyahoga County. A week later I received the good news: Mrs. Main had found in the Turhand Kirtland Mss. at the Society, 10 letters from my Aaron Hackley and 5 letters from his son Harvey. The letters were a combination of business and personal affairs and most have some genealogical information. The "gem" of the collection is a letter dated 18 November 1814, which sets out the names of Aaron's children, where they lived at that time, who his daughters married and the vocation/career of each son and son-in-law. This one letter proved his daughter Sally married Dr. Sherman Bartholomew. It further proved Dr. B's service in the 1812 war, which is noted on his gravestone but for which I have found no military record.

This story is offered as an encouragement to beginning genealogical researchers. A little well-placed curiosity on my part, some research in varied sources and a lot of kindness from several people, especially a resourceful librarian, helped to fill in quite a few spaces on my family chart.

MARY JANE BENNETT JOHNSON

Born 30 May 1944, Des Moines, Iowa, she first became interested in her family origins as a child. While playing "cowboys and Indians", she was told by her grandparents that she was part Indian. She didn't seriously pursue her interest until high school and that has been sporadic since.

She received a B.A. in history from American University and was married in 1967. Her husband's career in the Navy has resulted in five moves in five years. She has two children. She is researching both her husband's family and her own. Her maternal side is from County Down and County Roscommon, Ireland and includes FOWLER, MACMULLAN, DOWLING AND SWEENEY. Her paternal side typifies the movement westward and includes the BENNETT, COLES, BURNETT, ROBERTS and SHEPHARD families that settled in Ohio, Kentucky, Illinois and Iowa.

Mary Jane has developed an interest in Cherokee and early Oklahoma history as a result of working on her husband's lineage. He too, is part Indian.

BOOK REVIEWS -- By George Ely Russell, C. G.

INDEX OF REVOLUTIONARY WAR PENSION APPLICATIONS. National Genealogical Society, Washington, D. C., 1966. 1324 pp.

The Society has purchased this basic genealogical reference book for use by the members. (The book is now out of print.) Originally published in installments in the N.G.S. Quarterly beginning in 1943, the Index was completely edited and alphabetized for the hard-cover edition. Because of its liberal cross-referencing to variant spellings of surnames, this Index is very easy to use. Bounty land warrants are included also. A typical entry provides the name of the serviceman, the State from which he served, and his claim number. If his widow applied for a pension her name and claim number are also given. No dates are provided. With the data provided in the Index, searchers may easily obtain the claims file from the National Archives in Washington.

GENEALOGY OF REV. W.H. VAN DEUSEN. By Cherry Laura Van Deusen Pratt (Rt. 1, Box 2, Terrace Dr., Ft. Recovery, OH 45846). Rockford, Ohio: Rockford Press, 1969, 83 pp., cloth-bound, illus., index. \$7.50.

Mrs. Pratt has compiled her family history for her grandchildren, nieces and nephews. From published sources she traces the lineage of her father, the Rev. William Henry McIntosh Van Deusen (born at Albany, N.Y., 1869), an evangelist minister in various places who, with his second wife Laura Belton (m. 1904) and family, managed the Four Boy Evangelist Company. Included is an account of the family of William Wade Belton (b. Casey Co., Ky., 1852), father of Laura Van Deusen. His wife was a Hendrickson, about which some family information is also provided. Illustrations add to the interest of this family history. The compiler reports that 1,000 were printed.

MINUTES - PRINCE GEORGE'S COUNTY GENEALOGICAL SOCIETY
Wednesday, May 3, 1972 Bowie Library Bowie, Maryland

The meeting was called to order by the President, Dr. Laird C. Towle. The following guests were introduced: Mrs. Wilma Reagen of Exeter, New Hampshire; Mr. Cal Day of Upper Marlboro, Md.; and Mr. & Mrs. Wall of District Heights, Md. The minutes were approved as written in the April BULLETIN with the following correction: Mr. and Mrs. Calvin Jones' address should be 6402 instead of 6404.

Dr. Towle gave a report on the Council meeting which was held April 13, 1972 at his home. It was decided that Mrs. Eleanor Watson would stay on as Editor of the BULLETIN even though she is moving. A Manual On The Printing Of Newsletters published by the American Association for State and Local History has been purchased by the Society. The Council also authorized the purchase of Searching for Your Ancestors by Gilbert Doane. It is available for members to check out at the meetings.

Proposed Amendment to the By-Laws:

Resolved, that Article V, Section 4 be amended by adding the following statement:

"Members whose application is approved at or following the September meeting shall pay one-half the annual dues for the remainder of the year in which the application is approved."

Signed: Mrs. Shirley Wilcox, Mrs. Eleanor L. Watson, Mrs. Ann S. Herbert, Mrs. Olive Jones, Mrs. Lorraine Van Tassel, and Mrs. Marianne U. Baltrotsky.

Treasurer's Report: Checking Account-\$26.60; Savings Account-\$313.87.

The file cabinet that was purchased by the Society to be kept in the Bowie Library was not the correct one and has to be returned.

Program Chairman, Mrs. Ann Herbert, announced the program for the June meeting. There will be brief lectures on "How to Copy Tombstone Inscriptions" and "Colonial Handwriting". Also there will be a continuation of the problem session. Mrs. Herbert as Assistant Editor of the BULLETIN noted some errors in the April issue. One being on page 1 should read Vol. 3 No. 4 instead of Vol. 3 No. 3. Also on page 39 line 53 it should read 1838 instead of 1858.

Mr. Orville Russell, Genealogical Records Chairman, stated that the microfilm of the first volume of deeds for Prince George's County is now at the Bowie Library ready for members to complete the abstracts. Members should see the Adult Librarian for the film and a folder with the proper forms. The Society will publish these abstracts as soon as they have been completed. All members are urged to help complete this project as soon as possible.

Mrs. Mary Jane Johnson gave a liaison report on the CHEROKEE NATIONAL HISTORICAL SOCIETY. Her report can be found in this issue of the BULLETIN.

The following were elected into membership: Mrs. Tricia Paulkovich of Lanham, Md.; Lt. Col. & Mrs. Grady Smallwood; and Mrs. Alice Shepard of Crofton, Md.

Mrs. Catherine Mayhew announced that Bowie Heritage Day would be held on May 21. The Belair Stables and Mansion will be open on that day for tour.

The program for this meeting was in two parts:

- 1- INDIAN GENEALOGY by Mrs. Mary Jane Johnson.
- 2- HOW TO KEEP GENEALOGICAL RECORDS by Mrs. Shirley Wilcox (presented by Mrs. Olive Jones), Mr. Fred Bevenour, and Mrs. Catherine Mayhew.

Forebears. An International Journal of things Historical, Heraldic & Genealogical. Quarterly journal of The Augustan Society, 18002 Faysmith Ave., Torrance, CA 90504. Edited by Rodney Hartwell. Subscription \$7.00 per year. Offset, paper cover. Winter 1972 number contains 66 pages.

Formerly titled The Augustan, this journal has been a distinctive part of the genealogical scene for fifteen years. The particular concerns of The Augustan Society are suggested by the contents of the review number: "Malta and the Knights of St. John," "Monarchies of the World," "The Autonomous Monastic Republic of Holy Mount Athos," "Heraldry in Ireland," "Introduction to [Heraldic] Bookplates," "A Magna Carta Descent," and "A Princely Descent." Students of such matters will read Forebears with considerable interest. Though offset printed from typed copy, this journal is one of the few which is liberally illustrated; the heraldic drawings are particularly fine. A regular department devoted to answers to heraldic questions is edited by Walter Angst of Silver Spring, Maryland. Editor Hartwell also publishes The Colonial Genealogist, which may be examined among our Society's exchange periodicals.

THE CHEROKEE NATIONAL HISTORICAL SOCIETY by Mary Jane Johnson

The Cherokee National Historical Society, founded in 1963, is located at Tahlequah, Oklahoma. It was founded as a non-profit, cultural, educational, and charitable organization dedicated to perpetuating the history, traditions, and heritage of the Cherokee Indian Nation. Its purpose is to stimulate pride in the accomplishments of their ancestors and provide additional employment for Cherokees.

At Tsa-La-Gi, located southeast of Tahlequah, the society has recreated an early Cherokee village. Opened in 1967, all employees are of Cherokee descent. Nearby, in an outdoor theatre, is presented the "Trail of Tears" drama every summer. The Society also sponsors a Cherokee Hall of Fame. Prominent Cherokees who make significant contributions to the nation are recognized by membership in the Hall of Fame. Two other planned undertakings are the Cherokee National Museum and National Archives.

The society publishes "Heritage" a yearly report of their activities, as well as several pamphlets and brochures on Tsa-La-Gi.

Membership is not confined to those of Cherokee descent. Regular public meetings are not held because membership is scattered through forty states. Total membership is over 900. Dues are \$5.00 annually. For information you may write the society at Box 515, Tahlequah, Oklahoma 74464.

Laurel - time 11:50 dist. 18.7 mi. We are thirsty yet. Can't find any water! They have a brick pavement, here's a water tank. Quite a civilized place. Makes one think of Alexandria. We patronize the village drug store & quench the inner man by a moxie but make him more ferocious by an after indulgence of candy. We are now ready to go on, calculating to arrive at Balt. after 7 p.m. Just had a narrow escape, from being run over. Met a crazy lawyer as introduced by a kid.

Savage - 1:00 distance 20.6 met a couple from Balt. who wanted to know where the town of 5 or 600 was. Quite a Savage place. No one to be seen anywhere.

Mr. & Mrs. Humphries later moved to reside at Landover Hills in about 1940 from Silver Spring, Md., and purchased their final residence outside of Annapolis, Md. Mar. 28, 1940. Summer residence was purchased in about 1947 in Wells, Maine where Mr. Humphries died after a sudden 3 month illness in 1949. Mrs. Humphries continued both residences, and during the 1950 s rented rooms for the summer season at the Wells, Maine property. She died in 1967 after a long illness, at a nursing home in Lanham.

NEWSPAPER REPRINTS

Have you ever wondered where you might obtain a newspaper printed in the early 1800's? The Micropublishers, a Division of Bell and Howell have gone about the country putting newspapers on Microfilm. Their advertisement states that they are the largest filmer of newspapers in the world. They have more than 1,100 newspapers on microfilm.

In addition, Micropublishers have out-of-print books available in all general areas, arranged by author; selected newspapers and periodicals, as well as documents and records. Of special interest are Newspapers Along America's Great Trails.

Micropublishers sell their individual reels at \$11.00 plus tax. Shortly, the Society will have catalogs from The Micropublishers from which members may want to order a particular newspaper.

MINUTES - PRINCE GEORGE'S COUNTY GENEALOGICAL SOCIETY
- Wednesday, 6 September 1972 - Bowie Library

The meeting was called to order by our President, Dr. Laird C. Towle. The minutes of the June meeting were approved as appeared in the BULLETIN. Mrs. Mary Wellman of Bowie was introduced.

Dr. Towle announced that Mrs. Ann Brown had agreed to act as Education Chairman for the remainder of the term as Mrs. Mary Jane Johnson has moved from the area. Our BULLETIN Editor, Mrs. Eleanor Watson, has also moved and Mrs. Catherine Mayhew has agreed to finish the year in this capacity. Mr. George Russell was appointed Special Publications Editor.

At our next meeting we will have a table with items for sale. Any person who is a member may sell items. A commission of 10% will be payable to the Society on all items sold. There has been a proposed By-laws change to add the Chairman of the Library Committee to the list of standing committees. The Chairman would then be a voting member of the Council. This proposal will be published in the BULLETIN and voted on later.

Correspondence from Mr. George F. Boutillette, Mr. Theo Bédou Lieske, and the South Central Ohio Genealogical Society, was read. The treasurer reported a balance of \$58.23 in the checking account and \$317.50 in the savings account. Mrs. Ann Herbert, Program Chairman, announced that Mrs. P. Reid Hutchins will speak at our October meeting on Families with roots in Calvert and Prince George's Counties. She also mentioned that someone is needed to write publicity now that Mrs. Mayhew has taken over as BULLETIN Editor, and that it would be appreciated if members would save clippings concerning our Society that appear in newspapers other than the Bowie papers. Ancestor charts are needed for the BULLETIN.

Mrs. Ann Brown, Education Chairman, announced that the trip to the Map Division of the Library of Congress will be 11 October at 7:30. A map showing how to get there will be published in the next BULLETIN.

Mr. Orville Russell, Records Committee Chairman, reported that very little progress had been made this summer abstracting deeds. In fact only three deeds were read. Please help! Mrs. Ann Turner, Library Chairman, reminded members that if they would like to check out materials to sign the card found on the inside cover and give it to her.

The proposed amendment to the By-laws was voted on and passed. It reads as follows: "members whose application is approved at or following the September meeting shall pay one-half the annual dues for the remainder of the year in which the application is approved." New members will receive the BULLETIN from the time they join and will not receive back issues when they are paying half the yearly dues.

The following were elected to membership: Mrs. Glend Caplinger, Rt. 1 Box 138, Beverly, W. Va. 26253 and Thelma C. Rowden, 1222 Park Ave., La Junta, Col. 81050.

Dr. Towle announced that the Maryland Genealogical Society will

hold their meeting 11 September 1972 from 7:30 to 10:00 P.M. at the Enoch Pratt Free Library in Baltimore. Mr. George B. Wilson will speak on Searching For Your British Ancestor. We have also received an invitation from the Prince George's County Bi-Centennial Commission to attend a breakfast meeting, Saturday, 30 September 1972 at 8:15 A.M. at the Sheraton Inn, New Carrollton, Md., to discuss plans for planning of the Bi-Centennial celebration.

Dr. Towle donated to the Society a list of the Prothonotaries and Clerks of Court, Commonwealth of Pa. Mrs. Shirley Wilcox announced that the Society had several copies of Searching For Your Ancestors by Gilbert Doane that can be purchased for \$3.00.

Mr. George Russell gave a lecture on Publishing Your Genealogical Findings.

The meeting was adjourned.

Shirley Wilcox
Secretary

The March 1972 issue of ANTIQUES, which can be found at the local library, has an article called "The Copp Family Silhouettes." The article was written by Anne Wood Murray, Curator Emeritus, Department of Cultural History, Smithsonian Institution. The Smithsonian has possession of a "family tree" showing the names and birth dates of the children of Samuel Copp and Dolley Brown, who were married 10 December 1769 in Stonington, Connecticut. This document is pictured. Most of the article is concerned with Copp family silhouettes, ten of which are pictured. From the wording in the first paragraph of the article, it appears that the Smithsonian has other "family heirlooms" with this collection, but they are not mentioned. For those with Copp family connections, it would be most interesting to check out.

The following is the text of the talk given at our October meeting:

THE GANTT FAMILY OF CALVERT COUNTY

by AILENE W. HUTCHINS

The Gantt name is an old one of Maryland, and in my research on Calvert County, I have encountered the name many times and have also corresponded with Gantt descendants now living in other states. One such correspondent is Mrs. Jack Harris of Spring Lake, Michigan, who was kind enough to send me a copy of some articles published in The Baltimore Sun of 1 and 8 October, 1905, entitled "The Gantt Lineage and Arms." This was a most interesting series and told much about members of the Gantt family and their intermarriages with those of other Maryland names.

The Baltimore Sun's articles were written by Emily Emerson Lantz, who apparently had a regular column on genealogy in that paper. According to her articles on the Gantt family, the Gantts of Maryland descended from Gilbertus de Gant, Norman knight, and from the Rev. John Gantt of Highfield House, County Stafford, in England. The Rev. John Gantt was rector of Dudley, and his descendant Thomas Gantt came to Maryland about 1660 and received from Lord Baltimore 350 acres called Myrtle Range, near White's Landing on the Patuxent River. This land was first a part of Calvert County, but after 1692 it became a part of the newly established Prince George's County.

I have examined many references on the Gantt family, including Walter W. Bowie's book The Bowies and Their Kindred, Mr. Louis Mackall's booklet on the Mackall family, Edward Blake's book Blakes and Allied Families, Utley's The Life and Times of Thomas J. Claggatt, and other. I also own a copy of the first register and vestry minutes of Christ Church, a complete copy of the 1850 census for Calvert, and partial records from All Saints Church and now have copied parts of both the 1860 and 1880 census records for Calvert. In addition, I have copied tombstone inscriptions from most of the churches in the county and some from other counties, as well as land records from Calvert and other counties. Sometimes, all references do not agree as to children and/or parents of a certain generation, but as we all know, the similarity of first names within a family can often create problems in tracing a line of descent.

The earliest reference I found to the Gantt name was in 1686 when a Thomas Gantt of Calvert County was a witness to the will of Arthur Storer, also of Calvert. There is no evidence to indicate that this was the first Thomas Gantt in Maryland. However, most references seem to agree that the first Thomas Gantt married a Miss Grahame and that he was a widower when he arrived in Maryland with one son, Edward. According to Mrs. Lantz's articles, Thomas Gantt I was active in affairs of the colony and in 1680 signed a petition concerning the laying out of the town of Nottingham, then in Calvert County.

THE GANTT FAMILY OF CALVERT COUNTY - 2

Edward, son of Thomas Gantt I, married a Miss Baker and had two sons, Edward and Thomas. Thomas Gantt II married Priscilla, daughter of Col. Thomas Brooke and his second wife Barbara Dent (who was the daughter of Col. Thomas and Rebecca Wilkinson Dent). This Thomas II became a justice of the peace for Calvert County in 1732, and in 1715 the land of his grandfather known as Myrtle Range, now in Prince George's County, was resurveyed for him. Thomas Gantt II and Priscilla had at least two children: Ann, who married Col. John Broome, son of John and Ann Hooper Broome, whose land included most of what is known today as Broome's Island in Calvert County; and Thomas Gantt III, who became a physician. The fondness for the names Thomas and Edward appeared again in their sons, Thomas and Edward, making these last two the fourth and third, respectively, by that name.

According to the Bowie book, Dr. Thomas Gantt, born about 1710, was the son of Thomas and Priscilla Brooke Gantt, who married in 1709, and whose other children were Edward and Elizabeth Gantt. Edward married Elizabeth (daughter of Robert and Mary Wheeler), and Elizabeth married the Rev. Samuel Claggett, as his first wife.

To further confuse the issue, Utley's book on the life of Bishop Claggett stated that Elizabeth Gantt was the daughter of Edward Gantt, that she married the Rev. Samuel Chew in 1740, settled near Croom, and became the mother of Priscilla and Thomas John Chew. Elizabeth Gantt Chew died in 1750, and the Rev. Chew married secondly about 1752 to Anne, daughter of Dr. Gustavus Brown of Charles County. The Rev. Chew's daughter, Priscilla, married Col. Samuel Chew of Upper Bennett, Calvert County, as his second wife, and their son Col. John Hamilton Chew (born 1771) married his first cousin Priscilla, daughter of Bishop Claggett. Bishop Claggett's father was the Rev. Samuel Claggett, and in 1774 Edward Gantt was executor of his estate.

Upper Bennett is located in the upper part of Calvert near Chesapeake Beach. Members of the Chew and Gantt families lived there for many years, and the last one living there was Miss Jane Benson Gantt, daughter of Edward and Anne Chew Gantt, who died in 1936 at the age of 82. She is buried at All Saints Church, Sunderland, where tombstone inscriptions can be found for many members of the Chew and Gantt families. There also can be found the inscriptions for John H. Chew, who died in 1830 aged 59, and his wife Priscilla Elizabeth, "daughter of the Rev. T. J. Claggett," who died in 1843 aged 45, as well as Miss Jane's parents: Edward Gantt, who died in 1942 aged 90, and Anna, "youngest daughter of Thomas J. and Jane B. Chew," who was "married in 1877," and who died in 1885 aged 36.

Thomas Gantt IV, born 1736, married Susanna, daughter of General James John Mackall and Mary Hance (who was a daughter of Mary Hutchins and Benjamin Hance). Thomas was active in the Revolutionary War and (according to Mrs. Lantz) was one of the signers

THE GANTT FAMILY OF CALVERT COUNTY - 3

of the Declaration of Rights in 1775 by the Freemen of Maryland, which document was displayed in the State House at Annapolis.

Another early Gantt family reference I found was contained in the will of Mary Bond of Calvert County, dated 12 December 1770. In this will, Mary Bond mentioned her sons, Richard and Thomas Bond, and her daughters, Elizabeth Gantt and Barbara Blake. She also mentioned grandchildren in the Bond, Beckett, Blake, and Smith families, and named her son-in-law George Gantt as executor of her will. Later, in 1773, George Gantt's name appeared in Testamentary Proceedings records as executor of the will of Mary Bond, and Edward Gantt and Thomas Blake were listed as sureties for him. George Gantt and his wife Elizabeth were also executors of the estate of John Beckett that same year. Nothing, however, was found to indicate the parentage of George Gantt.

No Gantts appeared on Calvert County's list of taxables in 1733, and perhaps it was during that time that the Gantts were living in Prince George's County. However, several references indicated that about 1750, Thomas Gantt returned to Calvert and bought the Tasker plantation, which was near Lower Marlboro. In 1782, a Thomas Gantt was listed as a landowner of Lyons Creek Hundred, in upper Calvert. He owned lands called Hall's Craft, Ordinary, Kingsbury's Marsh, and Grantham Hall, for a total of 893 acres assessed at £1391, and had two males over 16, three total whites, and 19 slaves listed with him. The 1800 census for Calvert listed the following Gantts: Edward, of Christ Church Parish, and Thomas, of All Saints Parish.

There were, in the Gantt family, several who became ministers and physicians. One of these was the Rev. Edward Gantt, who was ordained in 1770 and served as rector of Christ Church in Calvert County. The vestry minutes of that church showed that, in 1786, the Rev. Edward Gantt agreed to serve the parish for one year; then, in 1789, agreed to serve for three years "for 13,000 pounds of tobacco." He served until 1796, and in 1799, the minutes recorded that the Rev. Edward Gantt Jr. became rector in place of the Rev. Francis Walker. The Rev. Edward Jr. served until 1806, when the minutes for 25 February of that year mentioned that a vacancy then existed, which was filled in April by the Rev. N. W. Lane. According to Mrs. Lantz's articles, the Rev. Edward Gantt I was chaplain to the U. S. Senate at five separate times and moved west in 1808 where he died in Louisville, Kentucky, at the age of 96.

The Rev. Edward Gantt, Jr., is apparently the one whose estate settlement presented complications in a court case of 1845. At that time Ann Hungerford Morrell, daughter of Ann Gantt, petitioned the court to settle the estate of Edward Gantt and his wife Mary. Included was the will of the Rev. Edward Gantt. The will mentioned his two sons, Thomas Crompton (or Compton) Gantt and Edward Gantt, and his daughters, Elizabeth and Ann C. Gantt. To the two sons, he left part of the land where he was then living and described it as being on Bagby's Creek and the Patuxent River, running to the

boundaries of the lands of Benjamin Williams and General Mackall. The remainder of that land was to be divided between the two daughters, Elizabeth and Ann C. To his brother Dr. Robert Gantt, the Rev. Edward left 500 acres of land in Tennessee and stated that the remaining 2000 acres of this land were to go to his (Rev. Edward's) eldest son, Thomas C., and the two daughters. He also left \$720 to "the corporation for distressed widows and children of the clergy of the Protestant Episcopal Church." Executors of the will were to be his son, Thomas C., and Gen. Joseph Wilkinson. Reference was also made to a deed of 1793, in which the Rev. Gantt and his wife Mary conveyed their land to Ann Crompton (or Compton) in trust for their children, Thomas C., Edward, Elizabeth, and Ann C., and in which they retained their own life interest. No acres were given, but the land names mentioned were Bigger, Catterton's Lot, Barber's Delight, part of Morocco, Parker's Fortune, Jerusalem, Swinfen's Adventure, part of Cuckold's Miss, and part of Godsgrace Levelis. In the 1845 case, notation was made that Ann C. had married and died, and left a daughter, Ann H. Morrell, the plaintiff in the case; that Thomas C. had died about 1829, leaving two sons, Thomas C. (who died about 1844) and Virgil Gantt; that Edward (the son) had died in 1841 aged 50; and that Elizabeth had died in 1843, leaving no children. Therefore, in 1845, the only heirs left were Ann H. Morrell and Virgil Gantt, her cousin. Virgil's mother was Susanna Gray, who, after the death of Thomas C. Gantt in 1829, married a Mr. Wilkinson. Ann H. Morrell's mother, Ann Gantt Hungerford, was also mentioned in a case in 1833 concerning the land her husband Thomas Hungerford had owned. When the 1845 case was finally settled, the land was surveyed for 633 acres called The Ordinary and was divided between Virgil Gantt and Ann H. Morrell. The survey described the land as being on Ramsey Creek and the river and followed much the same description as in the will of Edward Gantt. Ann H. Morrell's daughter, Ann, became the wife of Richard H. Hagner and for many years lived on her part of the Gantt estate. The last member of the family to live there was their daughter Frances, who died in 1943. She and her parents are buried at St. Paul's Church, Prince Frederick. In 1858 Virgil Gantt and his wife Mary Jane sold Margaret Anderson 200 acres of Godsgrace Levelis, and in 1880 the Anderson heirs sold the same land to Thomas L. Hutchins, my husband's grandfather. Virgil Gantt apparently died in 1872, for a deed of that year mentioned land of his which had been purchased from his estate by Mason L. Weems of the Weems Steamboat Line.

It would seem that the land of the Rev. Edward Gantt also included what is known today as Cedar Hill. The brick home on that property is one of the cross-form homes still standing in Maryland, and in a family graveyard there, I found the tombstone inscription of Dr. Thomas C. Gantt, who died 1829 in his forty-third year. The family lot there is a large one, and while this was the only stone I could find at the time, Mr. Ridgely, in Historic Graves of Maryland and D. C., also listed there Dr. Thomas Gantt, son of Dr. Thomas and Susan Gantt, who died in 1844 aged 25 and James

THE GANTT FAMILY OF CALVERT COUNTY - 5

Edward, son of Dr. Thomas and Susan Gantt, who died 1831 at the age of four. Cedar Hill was also once known as part of Bigger and as such, in 1782, was described as 1065 acres owned by Ann Crompton. Godsgrace, nearby, (200 acres) was surveyed in 1663 for John Bagby, and it was probably this Bagby for whom Bagby's Creek, later called Ramsey Creek, was named. By 1771 Godsgrace belonged to Thomas Crompton (100 acres) and James John Mackall (617 acres). By 1782 Ann Crompton owned 50 acres, Benjamin Mackall owned 575 acres, and Betty Wilkinson owned 120 acres of the same-named land.

An interesting case occurred in 1827 concerning part of Godsgrace Levells, which involved Thomas C. Gantt and others versus Daniel Gantt and others. The record stated that Thomas Gantt of Prince George's County owned land in Calvert County, part of Godsgrace Levells, and had sold 133 acres of it to a William Boyd in 1814. Boyd assigned the land to Tubman K. Long, who in 1822 reassigned the land to Dr. Gantt, the plaintiff. The will of Dr. Gantt, made in 1819 and probated in 1820 was included in the case. In it Dr. Gantt left to the children of Ruth Perrie (whom he named) a legacy of \$4000, left him by his cousin Dr. William Potts of Frederick County, and also his interest in 157 acres in Frederick County, described as Suscarvia, part of the estate of Mrs. Rebecca Mackall. He also left to the Perrie children the note due him from William Boyd for the purchase of Godsgrace Levells. After Dr. Gantt's death, his land descended to his brothers and sisters: 1) Daniel of Frederick County, his eldest brother; 2) Charles of Calvert County, then deceased, whose children were Charles and Richard, of legal age, and Thomas, Elizabeth, and Sarah, then under 21; 3) Richard of South Carolina; 4) John M., then deceased, who had two sons, William, of legal age, and Edward, under 21; 5) Ann, wife of Robert Wood, both deceased, but who left children, Thomas of Prince George's County, Susanna, deceased, Ann, wife of Robert Crane, then living in Louisiana; 6) Mary Newburn (or Mewburn), a widow, of Anne Arundel County; 7) Sarah, wife of John W. Beall, both of whom were deceased, leaving children Laura L., Sarah E. P., John, Priscilla, and Ann of D. C.

Still another reference to this land was found at the Hall of Records in Annapolis in the Chancery Court Records for 1811, when the settlement of Mrs. Rebecca Mackall's estate occurred. Mrs. Mackall died in 1810 and owned 925 acres called Resurvey on Tuscarora in Frederick County, also 687 $\frac{1}{2}$ acres in Calvert County called Godsgrace Levells, plus an additional 17 $\frac{1}{2}$ acres in Calvert called Prevention. Rebecca left several brothers and sisters, including Sarah, wife of Thomas Gantt. Sarah and Thomas Gantt were then dead and left a son Thomas and a daughter Sarah, the wife of John H. Beall. A plat of the division of the land was also included in the estate settlement, showing the land which was allotted to Thomas C. Gantt as 133 acres, bordering on Ramsey Creek, bounded by Hunting Creek and the Patuxent. Mrs. S. S. Mackall in Early Days of Washington gives a vivid description of the Mackall home at Godsgrace which was burned by the British in 1814.

BOOK REVIEW by George Ely Russell, C.G.

Index of Marriage Licenses, Prince George's Co. Md., 1777-1886.
By Helen W. Brown, 4704 Fordham Rd., College Park, MD 20740, 1971.
v. 249 pp. Paper covers. \$8.50. (Society purchase)

As is explained in the author's foreword, marriage licenses were not required in Maryland until 1777, and searchers should also check church registers for marriage records. Mrs. Brown has transcribed from the original record books at the Hall of Records, Annapolis, the over 6,500 licenses issued in the period 1777-1886. The over 13,000 names have been arranged in alphabetical order, thus obviating the need for a separate index to brides. This type of arrangement, while making extra work for the compiler, certainly eases the searcher's task of finding names of interest.

This book is very nicely duplicated from well-typed copy and is easy to use. Our only criticism is of the compiler's practice of converting all month dates to numerals, which can only lead to confusion and error. Professional style manuals recommend that all dates be presented in order day-month (spelled out or abbreviated)-year. Example: 1 April 1884, not 4-1-1884.

The purchase of this book reflects the Society's library accession policy of giving precedence to the acquisition of newly published genealogical source records pertaining to Prince George's County.

THE GANTT FAMILY OF CALVERT COUNTY - 6

Other Gantt references found in the records of Christ Church show that on 24 November 1774, John Broome married Betty Heighe Gantt, that their son John was born October 1775, and another son James Mackall Broome was born June 1778. Also in 1801 Charles and Thomas C. Gantt were listed as members there, and in 1811 Charles Gantt was elected chapel warden. In 1794 a Mary Gantt was confirmed by the Rev. Dr. Glaggett, Bishop of Maryland.

Perhaps this Charles Gantt was the same one mentioned in Mrs. Lantz's articles as the one born in 1773 who became the husband of a Miss Parran. A reference at the Hall of Records indicated that Elizabeth, wife of John Fitzhugh, was the daughter of Richard Parran and sister of Mary, wife of Charles Gantt, and of Sarah, wife of Mr. Gunn. In the biographical section of the Tercentenary History of Maryland, there is the family record of Mrs. William E. Northam. Mrs. Northam is the daughter of Ada Stevens and William Handy Crockett. Ada Stevens' mother was Sarah Elizabeth Gantt (1830-1878) who married Fuller Eddy Stevens in 1853. Mrs. Northam's record indicated that Charles Gantt, born 1773, married in 1798 to Mary Parran, who was born 1776. Sarah E. Gantt Stevens is buried at Middleham Chapel, Calvert County, as is Mrs. Northam's husband, William E., who died in 1959.

The 1850 census for Calvert County shows several Gantts living there in various parts of the county. In the first district, Charles F. Gantt, aged 10, and John E. Gantt, aged 16, were living in the home of Samuel and Sarah Hook, and by 1860 both of these men had married and were living in the first district as neighbors. In 1865 Charles, Mary S., John E. and Arabella Gantt, along with James, Sarah, and Rachel D. Hooper sold Zachariah Hungerford 200 acres in the first district. Then in 1877 part of land called Parran's Park was sold to Margaretta K. Dawkins, and in the deed mention was made of Mary S. Hooper, whose daughter Arabella married John E. Gantt, the same John E. who in 1850 was 16 years old. Still later in 1883 a land record showed the children of Charles F. Gantt as Thomas E. and Charles F., over 21, and also John J., Sarah S., Mary E., Annie W., and William W. Gantt, under 21. This land was conveyed to Thomas E., son of Charles Gantt. Charles F. Gantt, son of Charles F., is buried at St. Paul's Methodist Church, Lusby, Maryland, along with other family members.

In the second district in 1850 the only Gantt name which appeared was that of Virgil Gantt, aged 28, with land valued at \$10,000. His neighbors were Holdsworth Bowen, whose daughter became the wife of Thomas L. Hutchins (who, as I mentioned earlier, bought part of Godsgrace Levels in 1880), and Ann H. Morrell, wife of Frederick Morrell (of New Hampshire), his cousin. By 1860 Virgil had married Mary and had two children - Margaret, aged three, and Thomas, aged 5 months. Thomas L. Anderson was living nearby, and it was his heirs who later acquired some of the Gantt land, and Holdsworth Bowen was still a neighbor. Ann Morrell was probably deceased by 1860 for her husband was living with Ann's daughter Ann and her husband Richard H. Hagner, and they too lived nearby. Land called

Catterton was mentioned in the 1793 deed from the Rev. Edward Gantt and his wife Mary to Ann Crompton, and in 1877 the name occurred again when Isaac Bowen, who had married the Rev. Gantt's daughter Elizabeth, sold the land which Elizabeth had owned - 150 acres called Catterton's Lot - to Peregrine Bowen. This land too adjoined Ceder Hill.

Mrs. Lantz's articles mentioned that Virgil Gantt married Mary Steuart and had a son Henry Lawrence Gantt, who in 1905 was living in New York state and had some of the original papers of the Rev. Edward Gantt. Virgil Gantt and his family appeared in the records of St. Paul's Church, Prince Frederick, in 1860, and one of the children was listed as Harry Lawrence Gantt.

Lands in the third district were also owned by members of the Gantt family. One of the earliest references I found there was a deed of 1794 in which Thomas H. Lyles sold Theodore Hodgkins 100 acres called Gantt's Purchase and part of Turner's Place. Then in 1796 William Gover of Prince George's County sold Robert Gantt of Calvert County 125 acres called Harnisham. Also, in 1812 Thomas Gantt of Anne Arundel County and John Gantt of Calvert County sold William C. Hodgkins 10 acres of Dunkirk, described as "on the west side of the mill branch opposite the mill race." On the 1850 census for the third district, Charles T. Gantt, aged 7, was living in the household of John and Sarah Morsell, and the families of Richard Gantt and his wife Ann E. and Thomas J. Gantt and his wife Emily were also listed. Anna, wife of Edward Gantt, obtained 250 acres in the third district in 1877 from Samuel Chew, who had previously obtained it from the same two people, and in 1880 the widow and children of Thomas J. Gantt conveyed part of his land to a daughter, Maria Gantt, who was then the wife of Joseph B. Bourne. This Thomas J. Gantt died in 1858 at the age of 40, and his widow Emily later married Dr. Lewis G. Sparrow of Baltimore. In a deed of 1883 this was mentioned when Emily Sparrow and her husband sold John Gantt, son of Thomas J., 110 acres adjoining that which belonged to Maria Bourne. Still later, in 1894, John Gantt sold his interest to George B. Gantt, and in 1923 his widow sold the land to James E. Bourne whose heirs still own some of this land.

Richard Hall Gantt also owned land in the third district in 1876. He was, according to Mrs. Lantz, the son of Thomas Gantt of Prince George's County and Mary Smith Hall, and had a brother John F. Gantt. Richard Hall Gantt married Ann Elizabeth Gibson of Calvert County. Their sons were Thomas J., Richard E., Francis, and the Rev. John Gibson Gantt. Richard H. Gantt died in 1869, and Ann E. died in 1881; both are buried at All Saints, Sunderland, where their son, the Rev. John G. (1855-1933) is also buried. It was the Rev. John G. who was twice married, both times to women whose first name was Laura, and both women are buried at Christ Church, Chaptico, St. Mary's County. Francis Gantt attended St. John's College and became a lawyer in 1882. He was also State's Attorney for Calvert County for several years and was elected to the House of Delegates from Calvert in 1889. He married Margaret Waring

THE GANTT FAMILY OF CALVERT COUNTY - 8

Hall and in 1890 obtained land in Prince Frederick adjoining St. Paul's Church, which his widow later sold. The house in which he lived is still there and is presently owned by Dr. Charles Murto. Part of this land was once known as the Tavern Lot, which had formerly belonged to Judge Daniel R. Magruder. Francis Gantt died in 1912 and is buried at St. Paul's Church. Also at St. Paul's can be found the tombstone of Richard Roberts (1836-1901), son of Richard and Elizabeth Gantt Roberts, and his wife Marietta Morsell (1845-1918), as well as some of their children.

Among small references I found was one in the Md. Roster for the War of 1812 which listed Charles Gantt as Captain of the 31st Regiment, which was composed of men from Calvert and Anne Arundel Counties. Also in the Md. Manual I found that John Mackall Gantt of Prince George's County was a judge of the Court of Appeals from 1806-1812 and that Benjamin L. Gantt, also of Prince George's, was Speaker of the House of Delegates of Maryland in 1835.

The Blake book contains many references to the Gantt name. According to that book, Barbara, daughter of Thomas and Elizabeth Heighe Blake, married a Dr. Thomas Gantt of Calvert County and had three children, who died young. Maria Turner Blake (1793-1840) married 1st Dr. Edward Gantt, 2nd James Perry Bourne, and 3rd Samuel Turner. By her first husband, Edward Gantt, she had two children: Barbara, who married William Edelin, and Edward, who never married. By her second husband, James P. Bourne, she had a daughter Emily, who, as was mentioned earlier, married 1st Thomas J. Gantt and 2nd Dr. Louis (or Lewis) Sparrow. Mary Heighe Blake (1794-1831), daughter of Col. Joseph and Elizabeth Bourne Blake, married 1st in 1812 John Gantt and had three children: Elizabeth, born 1815, who married Richard Roberts, and also sons Thomas and Edward. Mary H. Blake Gantt married 2nd John Perry Wailes and had three daughters: Maria; Sally, who married her cousin, George Bourne; and Mary Susan, who married Frederick Strohm of Germany. A deed of 1837 confirmed the fact that Elizabeth Roberts was the daughter of John Gantt, and at that time Elizabeth obtained 365 acres of Angellica and Mears on the bay near Plum Point.

These then are some of the references to the Gantt family of Calvert County, whose descendants were later found in other counties and states. There are no Gantts now living in Calvert, but some of their descendants in the Bourne, Broome, Mackall, Roberts, and other families do still live there.

(This completes the text of the talk given by Mrs. Ailene W. Hutchins at our October meeting.)

Terrebonne Sesquicentennial

Terrebonne Parish (LA) celebrated its sesquicentennial (1822-1972) in October. The Terrebonne Genealogical Society saw to the publishing of the 1830 Census and the painting of a large picture. This picture, which was donated to the parish, is an oak with the names from the 1830 Census. A local printer saw the "tree" and asked if he could print it on envelopes to be sold in the parish. The Genealogical Society gave its permission and will receive a percentage of the profits. - Submitted by Mrs. Luther Kelly

St. Nicholas Day

At the December meeting St. Nicholas Day was quite properly observed by the presentation of a mysterious package to George E. Russell. In suspenseful silence Mr. Russell opened the package delivered by Dr. Towle for Mrs. Doris Perry. The joy of the holiday season was duly expressed when Mr. Russell held up for all to see the Russell Coat-of-Arms. At least it said "Russell". Pictured was a delightful red coat of many, many arms.

PRESIDENT'S REPORT

for

the year ending 31 Dec 1972

LAIRD C. TOWLE

Your Society has continued to grow and prosper in 1972 as reflected in increased membership and member services. The most significant development this year was probably the decision to establish and nurture a small library. While this collection presently consists primarily of exchange periodicals and contributed books and pamphlets, the Council has adopted as a policy the acquisition of all Prince George's County records as they appear in print, and we expect this collection to grow steadily as our budget permits. The Library Committee, chaired by Ann Turner, deserves our thanks for getting our lending library established and functioning.

The Program Committee, chaired by Ann Herbert, certainly deserves special thanks for the fine series of programs they have brought to us this year. The caliber of our programs compared very favorably with those of organizations much larger than ourselves. The committee has also done an excellent job providing refreshments and securing publicity.

As usual the Publications Committee has been extremely busy getting out the monthly Bulletin and even has a special publication or two in the works. When Committee Chairman and Bulletin Editor Eleanor Watson moved to Illinois this summer, we were fortunate in finding Kay Mayhew as a replacement. She added Polly Leishman to the team, cutting stencils. I think we can all agree that the Bulletin has taken on a more polished look with each issue.

Chairmanship of the Education Committee was transferred from Mary Jane Johnson to Ann Brown this summer when Mary Jane also moved away. This committee has continued to do an excellent job providing beginners' kits and useful pamphlets, etc. for our members at the monthly meetings. They also arranged an evening field trip to the Geography and Map Division of the Library of Congress where Mr. Stevenson presented a program that was enjoyed by a large contingent of our members.

Many of our members have served in various capacities too numerous to mention here, and all are deserving of our gratitude. As I approach the end of my

PRESIDENT'S REPORT, cont.

term as President of the Society, I would like to extend a heartfelt thanks to all who have worked with me and made my duties light during these past two years. It has been a real pleasure for me to serve the Society. The esprit de corps with which this group was founded has stayed with us, and I am sure it will continue to bolster the newly elected officers for 1973.

The Council - 1972

Laird C. Towle - President
George E. Russell - Immediate Past President & Special Publications Editor
Ann Herbert - Vice President, Program Committee Chairman, & Assistant Editor of Bulletin
Shirley Wilcox - Secretary
Jacqueline Klause - Treasurer
Eleanor Watson/Catherine Mayhew - Publications Committee Chairman & Editor of Bulletin
Mary Jane Johnson/Ann Brown - Education Committee Chairman
Orville Russell - Records Committee Chairman
Ann Turner - Library Committee Chairman

MEET YOUR NEW OFFICERS

SHIRLFY WILCOX

Born 10 Dec. 1942 in Arcata, California. Received a B.S. in Elementary Education at the University of Maryland.

Hobbies and activities: Genealogy (preparing and gathering data for a LANGDON, LANKTON genealogy); Elder at Grace Presbyterian Church, sing in Church choir; attend Women's study group at Church; once-a-week substitute teacher; gardening; enjoy making craft projects and decorating home; collect paperweights.

Member: New England Historic Genealogical Society, National Genealogical Society, Mayflower Society, National Society Daughters of the American Revolution, Connecticut Society of Genealogists, Somerset County Pa. Historical Society, Redwood (Humboldt Co., Calif. area) Genealogical Society.

J. SPENCEP OVERHOLSER

My father was born in Lancaster County, Pa., back in the 1870's and went west to homestead in 1898 in North Dakota where I was born and "raised." A few years after I got out of the Army in 1945 I took a position with the Patent Office which brought me and my family to the Washington, D. C., area. The first year (1951) we were here, Dr. Winfred Overholser (same Overholser "clan"), President of the Overholser Family Association, invited us up to Lancaster, Pa., for the annual Overholser reunion. I have been President of the Association for the past 16 years.

My exposure to the annual reunion referred to above apparently sparked my interest in genealogy. Since then I have been actively engaged in collecting information regarding my OVERHOLSER genealogy and besides this principally the GROFF family of Lancaster Co., Pa., and the SCHANTZ family of Montgomery Co., Pa. (both of my mother's family). In fact, when I retire in the summer of 1974, my wife Ruth and I expect to retire to a small village in Berks Co., Pa., where we have already purchased a 200-year-old stone house, where I expect to be able to have the space and time to do extensive research on the families listed above.

We have two children: a son married and living in Richmond is an Art Director in a commercial art firm; and a daughter who is working in Denmark and likes it there.

MEET YOUR NEW OFFICERS

OLIVE JONES

Having become exposed to the study of genealogy several years ago, but resisting all efforts to become involved, I finally succumbed and became seriously involved about one year ago. Being a native Marylander (as is my husband, as well), I am much interested in Maryland records - historical as well as genealogical. My mother's people having come from Pennsylvania led to an intense interest in this area, going back to the earliest records there.

Some surnames in which I am interested are: JACOBS, HILDEBRAND, MYERS, JONES, NICOLS, KNIESCHE, MAUL, HARTLOVE, and GRANRUTH.

My other interests include art and various types of craft projects (I was an art major in school), gardening, travel (I have been in 49 states), sewing, and several fraternal organizations. All this makes me wish at times I could be triplets to get accomplished all I would like to be and do.

JOHN L. DENNISON

Born 3 Nov. 1936 in Missouri and moved to Nashville, Tennessee, when I was three years old. I graduated from Vanderbilt University and the University of Tennessee and am now working as a chemist for the F.D.A. I am interested in the name DENNISON (DENISON) originating in Indiana or Missouri in the mid-1800's. My brother Thomas Dennison is helping in this research.

TERRY J. WILSON

Born 30 Nov. 1942 in Hanover, Pa., I lived in New Oxford, Pa., for 21 years, graduating from Delone Catholic High School in McSherrystown. I currently work at Catholic University of America in the Data Processing Section. I entered the U.S. Air Force in 1964 and spent four years mostly in England.

I became interested in Genealogy during a family reunion in 1968. I was speaking with an uncle who had been in Europe during World War II. He mentioned that he had visited a town in France looking for ancestors but was unable to locate anyone. After talking about the subject for a while, I became interested about our ancestors and from what country they came. As my curiosity grew, my interest grew. Interested in: BIEVENOUR, BEVENOUR, BIVENOUR, LINGG, and FLESHMAN surnames.

DECEMBER SPEAKER

Mr. Gust Skordas of the Maryland Hall of Records at Annapolis was our speaker at the December meeting. He told of their methods of repair and preservation of documents. We were fascinated to hear about the soaking of very old documents in chemical and water solutions to deacidify the paper. We learned that very old rag paper is sometimes strengthened by this process and that cheap paper and ink that runs in water are modern "conveniences." He also described their laminating process and showed some samples.

We enjoyed Mr. Skordas' revelations on the reasons for the local clerks' reluctance to release the records to a central facility. There was even talk that the records were not kept but were taken in one door and out the other - to be shipped to the Yankees.

We are sure some of our distant members will be interested to hear that special questions will be answered by the office. For instance, if you write to the Hall of Records to ask about the will of John Doe who lived in Prince George's County in 1770, you may receive an order form to return with payment for a photocopy. There is a 50¢ service charge and 50¢ charge per page for a negative photostat.
