

Welcome fellow explorer;

You are just a few simple steps away from entering into the strange and incredible world of the Tropical Rainforest.

TO INSTALL*:

- 1) Double click on the icon titled "Install Tropics Biome".
- 2) Chose the destination for the "Tropics Biome" program folder. Unless you chose a different location it will default to your computers desktop.
- 3) Open the "Tropics Biome" folder and double click on the icon titled "Hop To Tropics" to start your adventure.

Have fun!

To UN-INSTALL*:

- 1) Drag the "Tropics Biome" program folder to the trash.

* If you plan to use the Tropics Biome CD often you can leave the folder installed for as long as you like.
