

Realizing the Dream: An International Space Station Sampler

Table of Contents

The Big Picture

- **Realizing the Dream** (10 minute video)
- **An ISS Family Overview** (14 minute video or 46-slide presentation)
- **Assembly Sequence for the ISS** (6 minute video or 37-slide presentation)
- **The ISS Fact Book** (18 pages)
- **The ISS Familiarization Guide** (399 page document)

Just for Fun

- **Going to Mars!** (video)
- **Tortillas in Space** (video)

Living in the ISS

- **Breathing Easy on the Space Station** (web article with audio)
- **Far-Out Housekeeping on the ISS** (web article with audio)
- **Microscopic Stowaways on the ISS** (web article with audio)
- **Water on the Space Station** (web article with audio)
- **Virtual Tour of the ISS** (web article with audio)
- **Wheels in the Sky** (web article with audio)
- **A New Star in the Sky** (web article with audio)
- **Staying Cool on the ISS** (web article with audio)
- **Home, Space Home** (web article with audio)
- **Spaceflight.nasa.gov** (41-slide presentation)

Science Education

- **Meet Me at the Station Video Guide** (12 minute video and 16 page guide)
- **Living in Space**
 - **Lift off to Learning: Living in Space**(10 minute video)
 - **Space Food and Nutrition** (58 page document)
- **The Laws of Motion**
 - **Rocketry Teacher's Guide** (109 page document)
 - **Newton in Space Video** (10 minute video)
- **Space Suits And Space Walks**
 - **Suited for Space Walking** (100 pages)
 - **Go for EVA** (11 minute video and resource guide)
 - **Build It With Space Walks Poster**
- **An overview of NASA Education**

Industry

- **ISS Commercial Development Overview** (document)
- **Success Stories** (web article)
- **Guide to Research on the ISS** (web article)
- **Space Product Development Annual Report** (58 page document)
- **Excerpt from Commercial Space Act of 1998** (2 page document)

Working Together to Build the ISS

- **Snapshots** (web module)
