Elfring Soft Fonts is proud to announce our new scalable font package,
Top Fonts. The Top Fonts package is available in either PostScript Type 1
or TrueType format for Windows 3.1. Top Fonts contains over 202 different
scalable outlines including all 35 display faces shown above. The package
also contains a simple KeyCaps outline plus 167 other new faces. All fonts
include the full Windows ANSII or Adobe Standard Encoding character sets.
(These handle most European languages.) To order Top Fonts just specify
whether you want the PostScript or TrueType version, and the disk size
(3-1/2 or 5-1/4, high density only). The Top Fonts package is available
at a special introductory price of $79.50. Top Fonts may be purchased from
us or from your local computer dealer. Just ask for it by name!

Standard shipping for any order in the United States is $4.00. Shipping
to Canada is $5.50. International shipping is $9.00.
