

TABLE 5. INVESTMENT PROPOSALS
(In millions of dollars)

REBUILD AMERICA INFRASTRUCTURE

Transportation:

- Federal-aid highway program
- Smart cars/smart highways (part of Federal-aid highway obligations)
- Mass transit formula capital grants
- High-speed rail and MAGLEV
- Alcohol-related highway safety and other transportation capital
- Airport improvement program
- Air traffic control modernization
- Public land highways and Indian reservation roads
- High-speed rail bonds (tax incentive)

Subtotal, Transportation

Environment:

- Drinking water state revolving funds (EPA)
- Clean water state revolving funds (EPA)
- Safety of dams on Indian reservations (Interior)
- Water resources development (Corps of Engineers)
- Watershed resource restoration (EPA)
- Environmental restoration and waste management (DOE)
- Forests for the Future (USDA)
- Weather service modernization (NOAA)
- Environmental technology (EPA)
- Green programs (EPA)
- Natural resource protection and environmental infrastructure (Interior and USDA)
- Tree planting initiative (USDA)
- National research initiative grants (USDA)
- Forestry research initiative (USDA)

Subtotal, Environment

Rural Development Initiative:

- Rural water and waste water loans and grants (USDA)
- Business and community initiative (USDA)

Subtotal, Rural Development Initiative

Energy:

- Alternative fuels vehicles
- Energy efficiency in Federal buildings
- Increase weatherization grants (DOE)
- Close-out costs for DOE reactors
- Energy conservation and renewable energy programs (Energy Policy Act)
- Natural gas research and development: Emphasize utilization
- Advanced neutron source
- Fusion energy research

Subtotal, Energy

Community Development and Defense Conversion:

- Community development block grant (CDBG)
- Office of Economic Adjustment for defense reinvestment and transition
- Economic Development Administration for defense reinvestment and transition

Sheet1

Enterprise zones (tax incentive)

Community development banks

Subtotal, Community Development and Defense Conversion

Technology and Business Reinvestment and Defense Conversion:

NASA civil aviation

NASA short-haul aircraft research

Dual-use technology for defense reinvestment and transition (DOD)

Federal Coordinating Council for Science, Engineering, and Technology (research initiatives)

Crosscutting high performance computing (NSF, NIH, NASA, and NIST)

National Inst of Standards and Technology growth

National labs (non-defense)

Information highways (Commerce)

National Science Foundation

Government automation and efficiency

Extend R&E tax credit (tax incentive)

Subtotal, Technology and Business Reinvestment and Defense Conversion

Housing:

100% vouchers (100,000 units)

Preservation and restoration of assisted housing

Supportive housing program

Mortgage revenue bonds (tax incentive)

Extend low-income housing tax credit (tax incentive)

Real estate investment (tax incentive)

Urban Partnership Against Crime

Severely distressed public housing

HOPE youthbuild

Subtotal, Housing

SUBTOTAL, TAX INCENTIVES

SUBTOTAL, SPENDING INCENTIVES

TOTAL, REBUILD AMERICA

LIFELONG LEARNING

WIC (Special supplemental food program for women, infants, and children)

Parenting and Family Support

Head Start

Child Care and Development Block Grant

Education Reform and Initiatives

Employer Provided Education Assistance (tax incentive)

National Service

Worker Training Initiatives:

Dislocated Worker Assistance Act (for NAFTA, Defense Reinvestment and Transition, Energy Conversion, and Trade Adjust

Job Corps: adopt "50-50 plan"

Job Corps: eliminate maintenance backlog

JTPA, summer youth employment and training

One-stop career shopping

Older Americans employment

Youth apprenticeship

Worker profiling

Targeted jobs tax credit (tax incentive)

Subtotal, Worker Training Initiatives
