I REMEMBER ...

THE WAY IT WAS...

Angel Ios!  
I challenge you - come out and  
fight me; if you dare!

The Devil Sword?

I will go to meet him.

Ios-sama,  
please don't go!

You came!  
I am looking forward  
to killing you, Ios.

*(laughs)*  
Even for you, Sword,  
that won't be easy.

**Bastard!**  
*No one interferes  
with my fights!*

*You & I,  
Sword,  
will fight  
again.*

*Yes... we will.*

FROM THAT...

TO THIS...

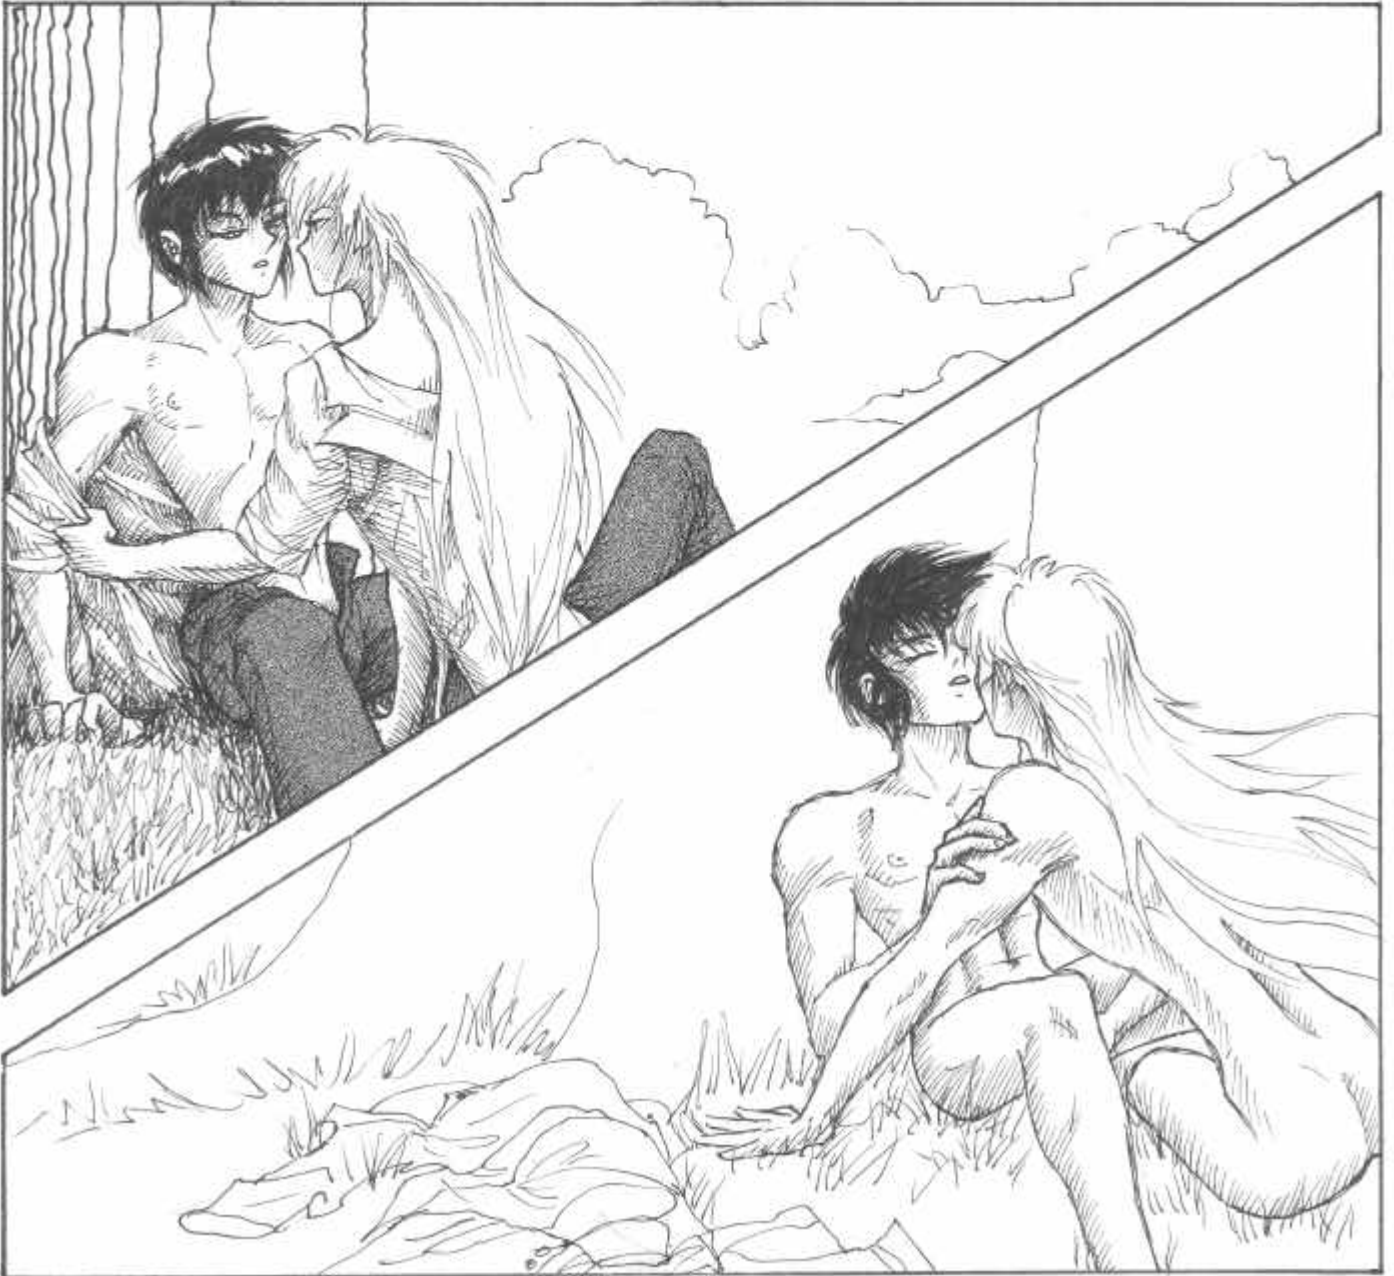

"No. Nothing is wrong."

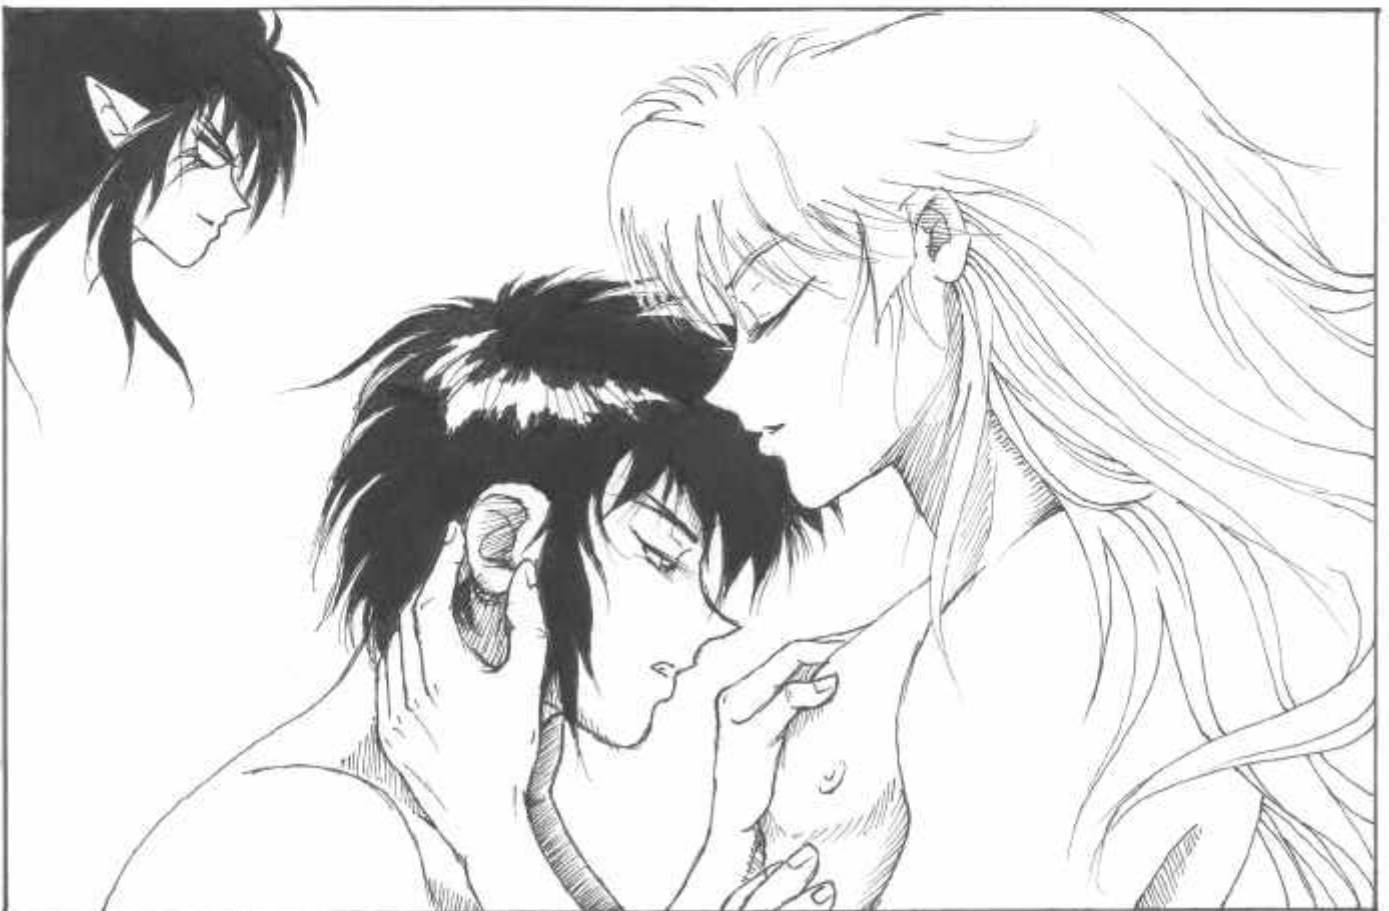

*Nothing...*

*And yet...*

*Am I winning*

*Or losing*

*... This fight?*

*Nothing. Nothing's wrong. - Everything is fine.*

**THE END**
