S65-58502 (04 November 4 1965) - Portrait of the Gemini 8 prime and backup crews. Astronauts David R. Scott (left), pilot, and Astronaut Neil A. Armstrong, command pilot, are the prime crew of the Gemini 8 mission. Backup crew (left to right, standing), are Astronauts Richard F. Gordon Jr., pilot, and Charles Conrad Jr., command pilot.

[high res](#) (5.7 M) [low res](#) (248 K)

Official NASA portrait of the STS-107 crew. The crew members are:

- Michael Smith (top left)
- Ellison S. Onizuka (top right)
- Francis R. (Dick) Scobee (bottom left)
- Ronald E. McNair (bottom right)

The crew members in the front row are holding a model of the Space Shuttle Challenger's External Tank and Solid Rocket Boosters. The model is white and black, with "UNITED STATES" printed on the side.
