Sheet1

MENU

Help is available on all menu choices. Hold down <ALT> and press "H", then use the arrow keys to move to the cell directly to the left of the menu choice that you want help for. Once there, type "X" and press <Enter> to go to the help screen for that choice.

MENUX

PRINTX

SAVEX

<Alt+R>return to menu

<Alt+P>rint report

<Alt+S>ave worksheet with current data

This is the help for the <Alt+R>return to menu command.

PRINTH

This is the help for the <Alt+P>rint report command.
