

MultiSound

Welcome to the newest installation of the MultiSound drivers. This is version 2.0. Use pkunzip to uncompress the file onto a 720k (or larger) floppy disk. Then check out the Readme.wri document for installation directions and a list of the new features. If you have any problems with the installation, please call Turtle Beach Systems Tech. Support at 717-843-6916 and we will be happy to answer your questions.
