

# **Come Together and Unite**

**Esther knew what every  
Jew would have to do,  
"Today's the day,  
Unite and pray,  
Or we're through!"**

**Esther would go,  
But if the king said,  
“No,” uh-oh.  
She would die,  
But it was  
Worth the try,  
So, you know—**

**We must never fight.  
Come together  
And unite.  
Pray with all your might.  
Brother, sister,  
Do what's right. (x2)**

**Listen to what I'm sayin',  
After they're done prayin',  
The king tells Esther,  
"You're so fine,  
We'll take these  
Bad men, huh!  
Put an end to 'em!**

**It's Haman who  
Will be on the line.”**

**The prayer came true.**

**The king could not refuse.**

**That day the Jews didn't lose,**

**They learned it was**

**Best to choose—**

**We must never fight.  
Come together  
And unite.  
Pray with all your might.  
Brother, sister,  
Do what's right. (x6)**
