

God's Kids

We're a special team
Called to live extreme.
Strong and courageous,
Standing for the right.
We will all unite.
Love is contagious.

**Even when it's hard,
We'll obey God's Word,
Following Jesus.
Won't you come along?
God will make us strong
To go where He leads us.**

**We're God's kids
Trusting in Jesus,
God's kids
Here to unite,
God's kids
Training for service.
We'll follow and lead
Others to God's light.**
