

**Obey Me**

**Obey Me and  
I will be your God.**

**Obey Me  
And you will  
Be My people.**

**Walk in all the ways,  
The ways that I  
Command you  
That it may go  
Well with you.**

***Repeat***

**Even when  
The road gets long,  
I will make you  
Brave and strong!**

**Obey Me and  
I will be your God.**

**Obey Me  
And you will  
Be My people.**

**Walk in all the ways,  
The ways that I  
Command you  
That it may go  
Well with you.**
