

God's Kids

by Jamie Owens Collins

We're a special team
Called to live extreme.
Strong and courageous,
Standing for the right.
We will all unite.
Love is contagious.
Even when it's hard,
We'll obey God's Word,
Following Jesus.
Won't you come along?
God will make us strong
To go where He leads us.

We're God's kids
Trusting in Jesus,
God's kids
Here to unite,
God's kids
Training for service.
We'll follow and lead
others to God's light.
