

Listen to Advice

by Jamie Owens Collins

Chorus:

Listen to advice.

Listen to advice

**And accept instruction and
you will be wise.**

Listen to advice.

Listen to advice

**And accept instruction and
you will be wise.**

**And in the end you will be
wise.**

God's Word is always true.

It tells us what to do,

How to give and how to live

God's best for me and you.

Chorus

Let's listen as we grow

And learn from those who
know

What's good or bad, ask
mom or dad

The wisest way to go.
