

Obey Me

by Dan McGowan

Obey Me and I will be your God.

Obey Me and you will be My
people.

Walk in all the ways, the ways
that I command you

That it may go well with you.

Obey Me and I will be your God.

Obey Me and you will be My
people.

Walk in all the ways, the ways
that I command you

That it may go well with you.

Even when the road gets long,
I will make you brave and strong!

Obey Me and I will be your God.

Obey Me and you will be My
people.

Walk in all the ways, the ways
that I command you

That it may go well with you.
