

I Trust You with My Life

by Rob Evans, The Donut Man

I'm not afraid of the darkness.

I'm not afraid of the night.

As long as You are walkin'
with me,

Everything'll be alright.

Lord, You're walking there
behind me.

You're walking there before me.

You're walking there beside me.

I trust You with my life.

I trust You with my life.

I'm not afraid of anybody.

I'm not afraid of what they say.

As long as You are talkin' with me,
Everything'll be OK.

Lord, You're walking there
behind me.

You're walking there before me.

You're walking there beside me.

I trust You with my life.

I trust You with my life.
