SCM	IBM	CyberCash	DB/2
MES	Oracle	OBI	Others

NeoGrid Planning

- **Collaborative Business Plan**
- **Collaborative Sales Forecasting**
- **Collaborative Promotion Campaigns**
- **Automatic Purchase/Sales Orders using generation rules and workflow steps**

NeoGrid Integrator

- **Integrate Back and Front Office Systems with NeoGrid adapters**
- **Servers**
 - DBMS - Oracle, MS-SQL, DB/2
 - ORB - Corba, DCOM
 - Business Rules and Protocols

Services

- **Consulting**
 - Business, Logistics, Marketing etc.
 - Technology
- **Infrastructure Implementation**
 - Operating Systems, DBMS, E-mail Servers, WEB Servers, Security, Applications etc.
- **Integration**
 - BackOffice and FrontOffice Systems
 - Legacy or Packaged Systems
 - Standard or Specific Adapters
- **Customization**

Services

- **Outsourcing**
 - Internal or External Installations
- **Training**
 - Business and Technology
 - NeoGrid Collaboration Suite
 - Third Party Products
- **Support & Maintenance**

NeoGrid Collaboration Suite Benefits

Integration in the Business Grid

Low Work Redundancy **Low Data Redundancy**

Faster Business Cycles **Faster Information Flow**

Higher Inventory Turnover **Knowledge Sharing**

Lower Costs **Faster Market Reaction**

Competitive Products with better Customer Service
