# TRAVEL PRO<sup>TM</sup>

THE FEATURE RICH AFFORDABLE NOTEBOOK COMPUTER

The TravelPro 188CS & CT are powered by the 166MHz Intel Pentium Processor with MMX™ Technology, boosting audio, video and image rendering & processing. The TravelPro 188CS & CT take advantage of the Intel MMX™ Technology innovations with a host of specialized multimedia features:

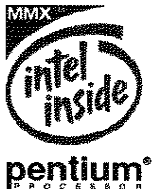

- The Power of Intel's 166MHz Pentium® Processor with MMX™ Technology and Plug & Play PCI Architecture
- Large 12.1" SVGA Dual Scan or Active Matrix presentation quality color display
- 16MB fast EDO RAM upgradable to 64MB
- The perfect travel companion featuring high yield Lithium Ion Battery and enhanced power management controls
- Blazing system performance enhanced by Intel's 82430MX system chipset, and 128bit NeoMagic NM2093 video acceleration
- Ultimately usable. Internal 12x CD-ROM, Internal 33.6 Fax/Modem, Programmable Touchpad, SIR Wireless Infrared port, built-in 16bit Stereo Sound System, and PC Card Type III
- 3 Year Parts & Labor Warranty

# 188CS & 188CT DETAILED SPECIFICATIONS

<b>Processor</b>	166MHz Intel Pentium® Processor with MMX™ Technology
<b>Cache</b>	32KB Internal - 256KB L2 External
<b>Bus</b>	32bit PCI - Plug & Play
<b>System Chipset</b>	Intel 82430MX
<b>Bios</b>	Phoenix Version. 4.05 PNP - Flash Upgradable
<b>Base RAM</b>	16MB EDO - 60ns
<b>Installable RAM</b>	32MB, 48MB and 64MB*
<b>Video System</b>	NeoMagic NM2093 Accelerated Video
<b>Video RAM</b>	128bit - 1.5MB
<b>Display</b>	Model 188CS: 12.1" SVGA - DSTN (Dual Scan) Color Model 188CT: 12.1" SVGA - TFT (Active Matrix) Color
<b>Resolution</b>	Internal: 800x600 - 65,000 colors External: 1280x1024 (max) - 16.7 million colors (max)
<b>Base Hard Drive</b>	2.1GB IDE - Mode 4 compliant
<b>Drive Interface</b>	PCI enhanced IDE - ATAPI compliant
<b>Floppy Drive</b>	1.44MB Removable
<b>CD-ROM</b>	Internal 12x CD-ROM
<b>PC Card</b>	Type III or 2 Type II
<b>Fax/Modem</b>	Internal 33.6 Fax/Modem
<b>Audio Chipset</b>	ESS 1788 - PNP - SoundBlaster Pro™ compatible
<b>Audio System</b>	16bit Stereo - 44KHz record / playback
<b>Audio Controls</b>	Volume Control, Line In, Speaker Out, and Microphone In
<b>Speakers</b>	Dual Stereo
<b>Battery Type</b>	Primary Lithium Ion - 35W
<b>Battery Life</b>	Up to 4 hours
<b>Power System</b>	Auto Switching 90-264 VAC
<b>System Controls</b>	Contrast, Brightness, Suspend, and Resume
<b>Power Management</b>	SMM, APM - Full Device / Peripheral Control
<b>Ports</b>	16550 Serial, EPP/ECP Parallel, Video, PS2 Keyboard / Mouse, Docking Station, and SIR Wireless Infrared port
<b>Pointing Device</b>	Programmable Trackpad
<b>Keyboard</b>	89Key (101 compatible) with dedicated Win95 keys
<b>Weight</b>	6.1Lbs.
<b>Dimensions</b>	11.8"W x 8.8"D x 1.8"H
<b>Included Software</b>	Windows 95, System Accelerator Utilities
<b>Included Hardware</b>	AC Adapter, Lithium Ion Battery, Carrying Case
<b>Warranty</b>	3 Years - Parts and Labor
