With Boca's 33.6 Home Fax Modem, you can surf the Internet, send/receive faxes and e-mail and transfer files faster than you ever imagined! And, fast Web page downloads are right around the corner!

Install your modem effortlessly

With Boca's Plug and Play technology, you can install your modem and be on-line in minutes.

Surf the Internet faster than ever

Upgrade to 33.6 Kbps and you'll be amazed how much faster pages are displayed in your Web browser and how much less time file transfers take.

Caller ID support*

Now you'll know who's calling before you answer!

Get on-line right away

Take advantage of your PC's new-found speed with all the free on-line software we've included. Access a world of information with starter kits from some of the most popular on-line services.

Upgrade your PC with these other Boca products

Boca offers a wide variety of products, all with the quality you can trust from an industry leader.

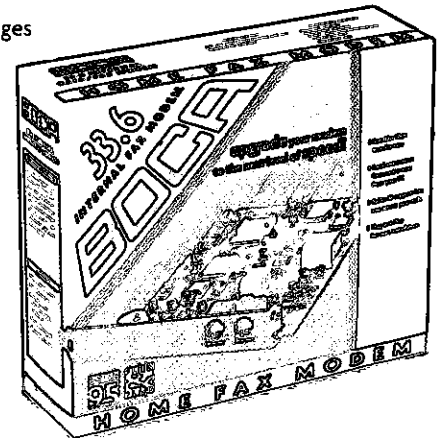

- ▶ A great selection of modems from the simple fax/data modem up to ISDN terminal adapters
- ▶ Networking solutions like Boca hubs and network cards
- ▶ Economical and high-quality videoconferencing products like the Boca Video Phone Elite™ for business and the Boca Video Phone Classic™ for home use
