

Canon

GIVES YOU THE POWER TO DO MORE

BJC-4302

Color Bubble Jet™ Printer

Exclusive Color Image Scanner Cartridge (optional)

Instantly turns your printer into a color sheetfed scanner

Exclusive Drop Modulation Technology

Significantly enhances print quality

Creative Web Solutions CD-ROM

Everything you need to put the power of the Web in print

The Perfect Office Assistant

Get ready to start creating remarkable reports, presentations and documents. Because the BJC-4302 is going to bring the very latest in advanced Bubble Jet printing technology to your office.

For All Your Printing Needs, Whatever You Need To Print

The BJC-4302 gives you unprecedented print quality and flexibility. Whatever your need—fast, crisp black text at up to 5 ppm for reports or correspondence, brilliant color for charts and presentations, even vibrant color images to enhance any document—the BJC-4302 can deliver. The BJC-4302 even becomes a color sheetfed scanner with the

addition of the optional IS-22 Color Image Scanner Cartridge. Plus, the BJC-4302 comes with the Creative Web Solutions CD-ROM, which includes everything you need to connect to, browse and print from the Web. Included is remarkable WebRecord Internet printing software, which lets you print from the Web in an organized, logical and useful way.

Get The Most Out Of Your Canon Printer

Only Canon inks are designed to let you take full advantage of our exclusive PhotoRealism™ technologies. And Canon Specialty Papers add tremendous versatility to your printer. So stock up on High Resolution Paper, Transparency, Glossy Photo Paper and more.
