

Fun Pack 3 Games In One

CD-ROM

Three award winning titles! Three incredible children's brands! All for one hot price!

Target Market

Kids 3-7

Mr. Potato Head Saves Veggie Valley

Join Mr. Potato Head on an adventure full of surprises and disguises that tests a child's creativity and investigative skills.

Play-Doh Creations

Explore Play-Doh Island where kids can make everything from creatures to cars at four different creation locations.

Playskool Puzzles

Five activities and hundreds of animated puzzles to solve, paint and print. Solve jigsaw puzzles, build animated characters, connect the dots, and more. "It's one of the sharpest children's titles we've ever seen". -Warren Buckleitner, editor of Children's Software Revue.
