

The HP LaserJet 98S toner cartridge MultiPak — Save when you buy in bulk.

The HP LaserJet 98S Toner Cartridge MultiPak gives you a lower cost per cartridge while reducing your storage and inventory hassles (20% less storage required than five 98A toner cartridges). All this while delivering the same excellent quality and reliability you've come to expect only from HP.

The HP 98S MultiPak is backed by a unique lifetime warranty. Every HP LaserJet toner cartridge in the MultiPak is warranted to be free from defects or malfunctions until the HP toner is depleted, no matter how long you've owned the cartridge.

Save money on the brand you trust.

- The HP 98S MultiPak (92298S) gives you five standard HP LaserJet 98A toner cartridges (92298A) at a lower cost per cartridge.
- Convenient five-pack means you'll save on ordering, shipping and inventory costs.

Get the quality you expect from HP.

- Approximately 6,800 crisp, clear pages per toner cartridge.
- Designed and engineered to meet HP's stringent quality standards.
- Microfine toner guarantees richer blacks and smoother grays.
- Because Hewlett-Packard designs HP toner cartridges and HP LaserJet printers to work together, they interact precisely to generate printouts that are clear and sharp every time.
- HP's reputation for reliability ensures you get consistent, reliable performance from every cartridge.

Save time and effort.

- Handy MultiPak lets you reduce inventory space and order less frequently.
- Five-pack makes units easier to carry and store.
- Since it's HP, you know you won't have to spend time dealing with downtime or inconsistent quality.

Preserve natural resources.

- MultiPak creates less packaging, so there's less to recycle.
- Empty cartridges can be returned to HP for recycling, either individually or all five together with a single UPS shipping label (included).
- Shipping cartons contain recycled content.

There's a member of the HP 98 toner cartridge family that's right for you.

In addition to the HP 98S, there are three other toner cartridge choices designed specifically to work with HP LaserJet 4/4M, 4 Plus/4M Plus and 5/5M/5N printers:

- The HP 98A (92298A) is the standard HP toner choice and is the one that comes with your HP LaserJet printer. It is designed for average use, delivering approximately 6,800 pages per cartridge.
- The HP 98e (C3973A) is the lowest priced HP toner cartridge, ideal for low-volume users. It delivers approximately 4,000 pages per cartridge.
- The HP 98X (92298X) is HP's maXimum capacity toner cartridge, for the greatest economy and convenience. It delivers approximately 8,800 pages per cartridge.

Environmental Storage Requirements:

35% to 85% Relative Humidity (RH), stored
 0° to 35° C RH, stored
 10% to 80%, in use
 15° to 32.5° C RH, in use
