

MOBILE SUITE CARRYING CASE

For An Office Away From The Office.

If you need a complete office on the road, you'll find the Mobile Suite most accommodating. Its unloaded dimensions are similar to the Mobile Plus, but the expandable zipper feature gives you two main compartments for more carrying capacity.

Each main compartment has its own SafePORT Air Cushion System, complete with repositionable divider. Carry your choice of two notebooks, notebook/printer, notebook/presentation system, or a notebook and a big load of business and personal items.

Part # PR59900

FaxBack Doc. # 2073

Top-loading compartments make it easy to slip everything in and out. Three organizer pockets hold cables, files, a cell phone, electronic organizer, PCMCIA cards, CD ROM/ diskettes, and numerous small items.

1. Patented SafePORT Air Cushion System guards against drops and side impacts
2. Point-loaded protection system sandwiches the CPU compartment in PVC/foam panels to guard against pointed impacts
3. Three outside pockets add to the case's large internal capacity
4. Black ballistic nylon for durability with good looks
5. Soft, padded handles, reinforced with double-ply webbing
6. Comfortable non-slip shoulder strap
7. External umbrella holder
