

PROMISE TECHNOLOGY, INC.

Promise IS Performance

- **Octet Pro™**
Stand-alone system with floppy, internal CPU, and VGA port. One master to (8) drive duplication system. SUPERFAST!

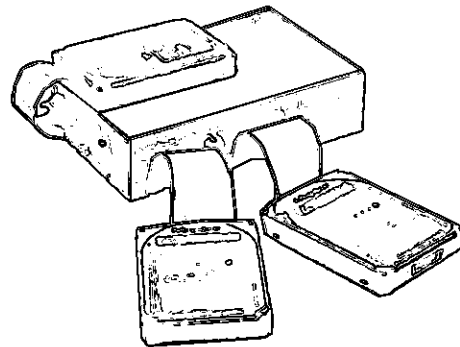

- **Octet Station™**
The economy leader—works with a minimum PCI system for one master to (8) drive, high-speed copying.

Ultra ATA/EIDE/IDE Disk Drive Duplicators

Low-Cost, High-Performance Duplication Solutions

Tired of high-priced disk drive duplication? Whether you want high-volume, 1 master to 8 drive copying (Octet Series) or quick, low-volume, 1 master to 2 drive copying (Duet), Promise Technology, Inc. has a simple solution at a fraction of the cost of other disk duplicators. Promise shatters price and performance barriers of disk duplication.

- **Duplicates software from one master up to (8) target drives**
- **Accepts different geometry drives including 2.5" and 3.5" drives**
- **Automatic power on-off for easy and continuous operation**
- **Track-by-track, file-by-file, whole or partial drive copying for speed, flexibility**
- **Copies all major operating systems**
- **FAT32 compatible, supports Windows '95 long filenames**
- **Menu-driven software utility**

- **Duet Station™**
One master to (2) drive copying. Use with minimum PCI desktop. Perfect for departmental use.

PROMISE ULTRA ATA/EIDE/IDE DRIVE DUPLICATORS

The creator of disk accelerators and the industry leader in EIDE/ATAPI controllers offers a full line of low-cost, high performance disk drive duplicators for Ultra ATA/EIDE/IDE drives that has completely changed the duplication marketplace. Turn to Promise to reduce critical turnaround time for integrators, VARs, OEMs, MIS departments, engineering departments and other business departments loading operating systems and software bundles into PCs. Saves time and money.

A New Standard

Our Octet Series of disk drive duplicators has set a new standard for low-cost, high performance usage. Quickly and easily format and duplicate software from one master drive to (8) target drives. Choose drives with different geometry and copy all major operating systems for maximum flexibility. Copy Windows '95 (50MB) to (8) target drives in as little as 93 seconds! WOW!

Duet Station for Departments, In-Field Environments

For lower volume, occasional usage in corporate, engineering departments, or on-the-road applications, Promise introduces Duet Station for one master to (2) drives duplication. Now copy Windows '95 (50MB) to (2) target drives in just 33 seconds! Get the same data performance features of our Octet line in a smaller format. Duet Station comes with a PCI card and works with a minimal PCI desktop system.

Ease of Use

Setting up a Promise duplicator is easy. Connect the master and target drives to the included cables and turn the system on (connect supplied PCI controller to system if required). Menu-driven software directs the entire formatting and disk duplication process with complete error-logging. An easy-to-read hardware monitor, LEDs and audio cues provides system status for operator. A start/stop button allows changing batches of drives without rebooting.

Comparison Chart			
Product	Octet Pro	Octet Station	Duet Station
Master to Target Drive Ratio	1:8	1:8	1:2
Windows '95 (50MB) Duplication Time for Maximum # of Drives	1:33	3:07	0:33
Drives Supported	Ultra ATA/EIDE/IDE	Ultra ATA/EIDE/IDE	Ultra ATA/EIDE/IDE
Physical Sizes Supported	3.5"/2.5"*	3.5"/2.5"*	3.5"/2.5"*
FAT32 compatible (supports Win '95 long filenames)	Yes	Yes	Yes
Whole/Partial Copying	Yes	Yes	Yes
Menu-Driven Setup Software	Yes	Yes	Yes
Windows '95, Windows 3.x, MS-DOS (File-by-File or Track-by-Track)	Yes	Yes	Yes
Window NT, OS/2, NetWare, UNIX & other non-FAT compatible formats	Yes <i>(Track-by-Track mode only)</i>	Yes <i>(Track-by-Track mode only)</i>	Yes <i>(Track-by-Track mode only)</i>
Copies to Different Size Drives (Win '95, Win 3.x & DOS only)	Yes <i>(File-by-File mode only)</i>	Yes <i>(File-by-File mode only)</i>	Yes <i>(File-by-File mode only)</i>
Hardware LED/Audio Status Monitor	Yes	Yes	Yes
Automatic Power On/Off for Changing Drives	Yes	Yes	Yes
Limited Warranty*	2 years	2 years	1 year
System Requirements	VGA monitor, keyboard	Minimal PCI system <i>(1MB RAM, floppy, monitor)</i>	Minimal PCI system <i>(1MB RAM, floppy, monitor)</i>
<i>*30-day warranty on cables</i>		<i>*2.5" cables optional</i>
