Microsoft® Internet Explorer

SYMANTEC.™

Hassle-free faxing, anywhere, anytime.

It's easier, faster, and smarter. Why waste time printing out documents and feeding a fax machine? Fax right from your computer. WinFax PRO™ is easy to install and use—step-by-step wizards show you exactly what to do.

Look more professional with laser-quality faxes. WinFax PRO ensures clean, laser-quality faxes every time. Your faxes will look great. And so will you.

Help your small business save time and money. Get your documents out faster and your money in quicker—fax right from your favorite Windows programs. Send contracts, bids, invoices, and more in seconds. And save on phone charges by scheduling faxes for off-peak hours.

Stay in touch on the road. WinFax PRO turns your laptop PC into a portable fax machine. You can send and receive faxes from anywhere. Need a hard copy for a presentation? Just fax it to the hotel front desk.

Ideal for corporate workgroups. WinFax PRO provides an economical, low maintenance fax solution. It's made for Windows® 95 and Windows NT,® and works as a network client for NET SatisFAXtion™ and WinFax PRO™ for Networks.

Send to one person or—in one quick step—to an entire group.

Use fax numbers from ACT!™ or other popular databases.

Fax via the Internet and slash long-distance costs.

Caller ID is built-in—and so are multiple mailboxes, automatic redial, fast forward, remote retrieval, and more.

Use professionally designed cover pages, or easily create your own.

Preview your fax before you send it.

Easy to use—type the name and number, and click to send.

Access new or old messages at the touch of a button.

Get a total communications solution with TalkWorks.™ Turn your computer into a sophisticated voice messaging system, with multiple mailboxes, speed dialing, fax on demand, and more. Keep track of past calls—TalkWorks automatically logs every call you receive.
