

Attention Channel Partners!

What would **you** call a **program** that offers...

1. Award-winning software to bundle with our PCs
2. The power to compete with direct manufacturers
3. Software with an installed base of 26 million users
4. A complete suite of leading-edge business applications
5. No monthly purchase minimums
6. Hassle-free administration
7. High-quality technical support
8. Exceptional pricing

We call it the **Corel VAR/OEM White Box Program**.
You=ll call it the competitive advantage.

Which Corel Office Suite best suits your PC?
