

SOFTWARE VOLUME VERIFICATION AGREEMENT

By signing below, you ("Licensee") agree to the following:

In consideration of entering into this Agreement and as Licensee represents that it has pre-existing licenses, obtained previous to its purchase of a Volume Licensing Certificate with QUALCOMM Incorporated ("QUALCOMM"), Licensee agrees to purchase and shall receive maintenance for the total number of Users specified below under QUALCOMM's Volume Licensing Program.

Restrictions. Upgrades may be used only by Licensee to replace previously licensed versions of the same Eudora Pro™ Software, excluding Eudora Light™, which are installed on Licensee's computers located in the U.S.A. or Canada. Upgrades may not be separately transferred, sold or otherwise distributed. Licensee's use of the upgrades shall be governed by the terms and conditions of QUALCOMM's then current Eudora Pro™ End User License Agreement, and, if applicable, as amended by the Volume Licensing Certificate.
