

# ConferenceLink™

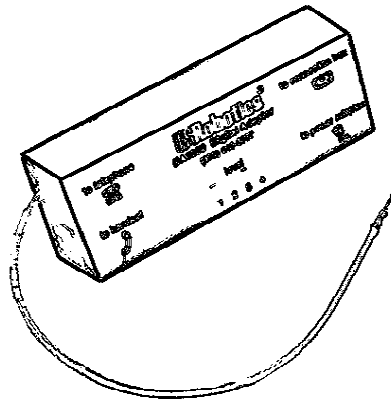

## Speakerphone Accessories

Model XM1005

### Extension Microphones • Model XM1005

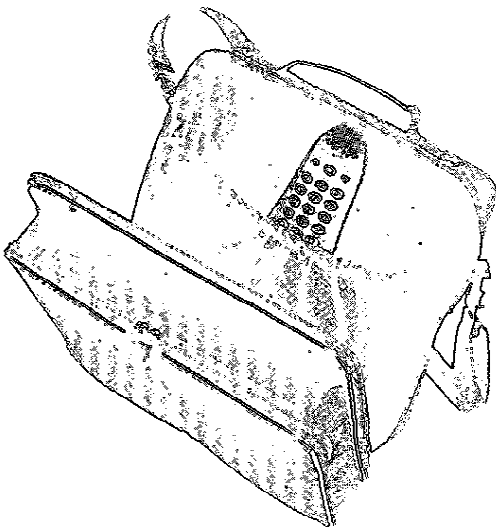

For conference tables longer than 13 feet or for larger conference rooms. Two extension microphones plug into your CS1055 or CS1075 speakerphone, so everyone will be heard loud and clear. Each microphone has a 6-ft. cord and a Mute key.

Model DA1000

### Digital Adaptor • Model DA1000

The DA1000 Digital Adaptor can connect a ConferenceLink™ speakerphone to your digital, PBX, or multi-line telephone if your speakerphone is for use on a standard analog line. Just plug the adaptor between your telephone handset and the telephone base. (See list of compatible telephone systems on back.) Model DA1000 includes digital adaptor and AC power adaptor.

Model SB1000

### Carrying Case • Model SB1000

For convenient travel or for storage of your conference speakerphone. Durable black case features foam padding, U.S. Robotics logo and adjustable shoulder strap. A sewn in nylon pouch holds the speakerphone securely in place, and a divided outer pocket keeps accessories together and protected.

For pricing and availability contact your local U.S. Robotics dealer, or call 1 888 4PERFORM (1-888-473-7367).
