

- **How much** and **how many** are **interrogative adjectives** of **quantity**.
- **How much** is used before a **singular** and **how many** before a **plural**.

Example:

**How much** sauce do you want?  
**How many** friends have you got?

- The nominal group can also be **implied**.

Example:

**How much** (money) is it?  
**How many** (books) do you have?
