
TryAPL2 Keyboard Templates

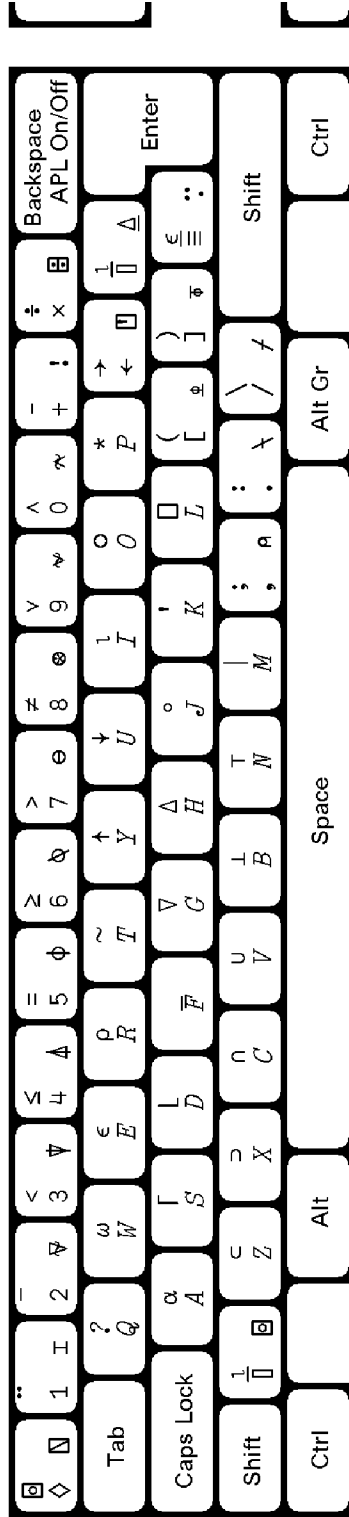

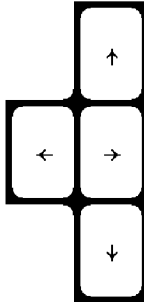

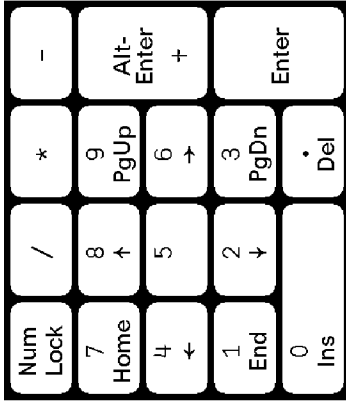

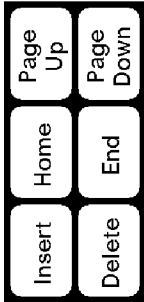

The following templates are printed in two sections so that each fits on one sheet of paper. In each case, registration marks are printed so that you can line up the two parts and make one long template.

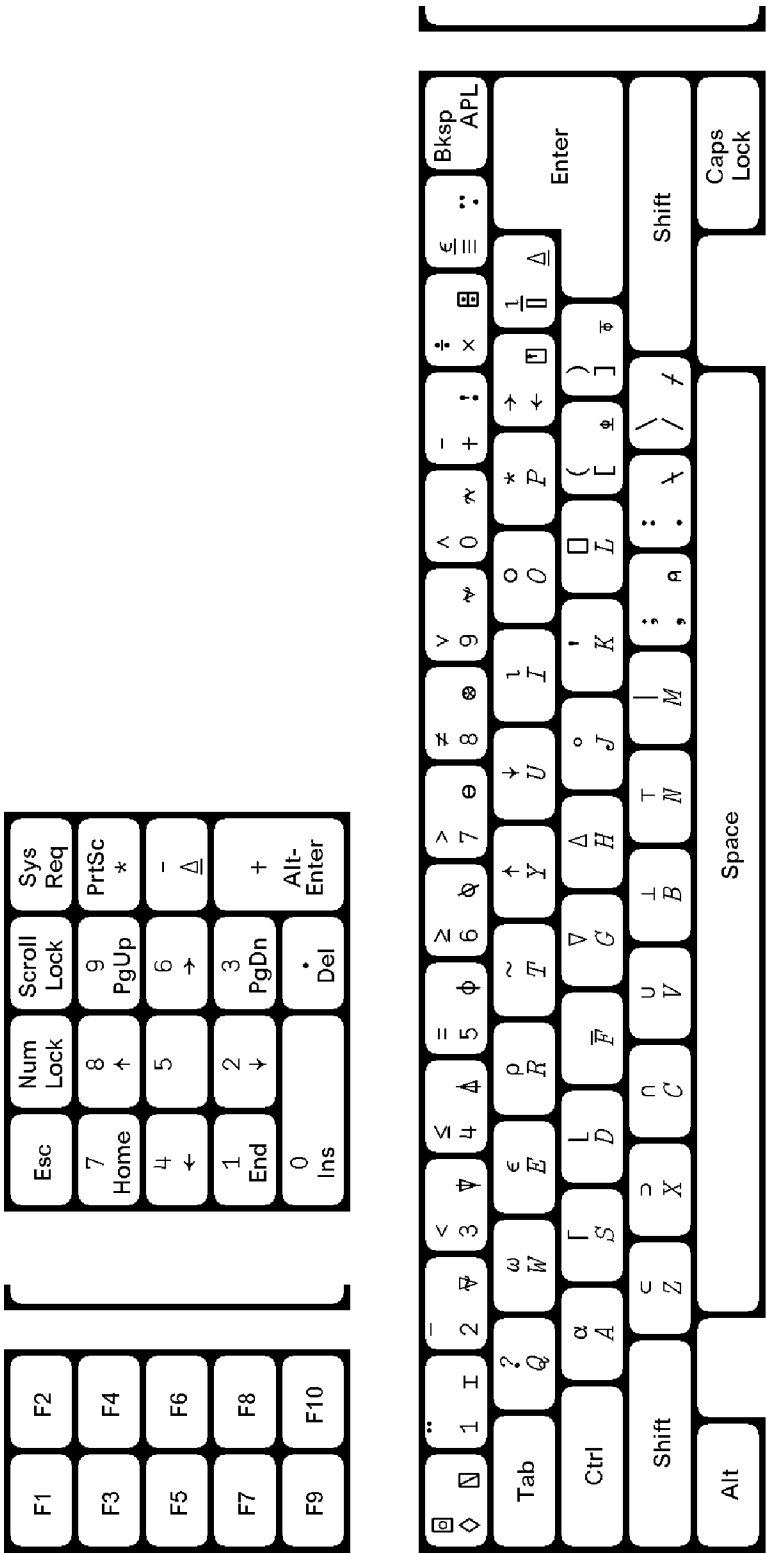

IBM PC Keyboard with APL2 Character Set

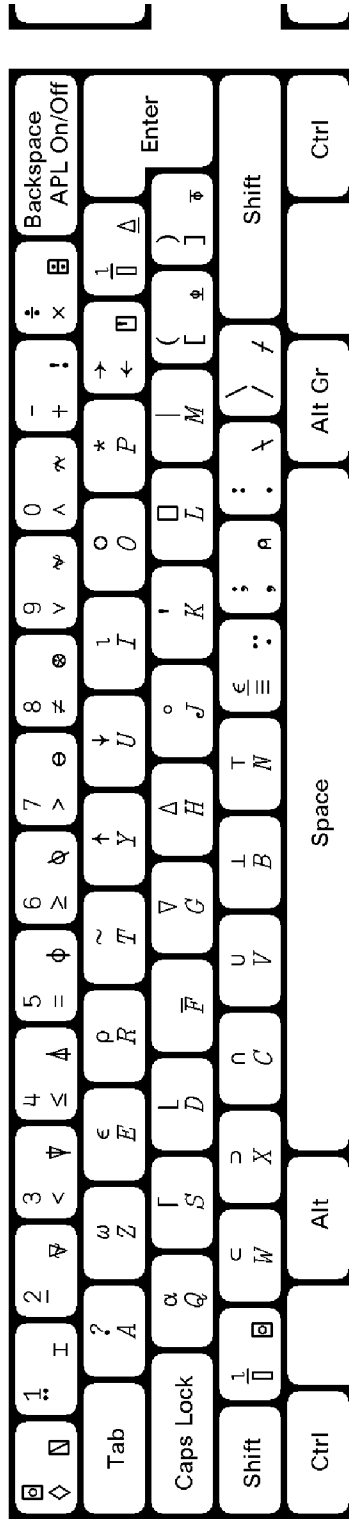

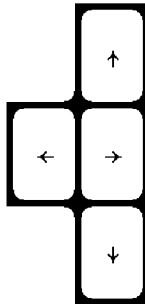

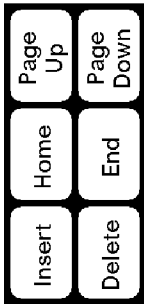

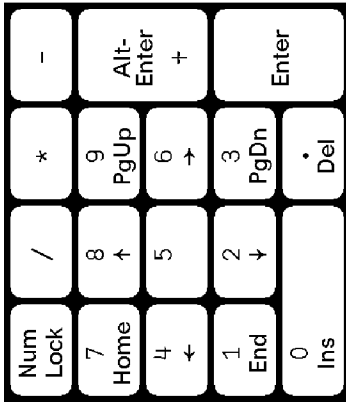

IBM PC 101 Key Enhanced Keyboard with APL2 Character Set

IBM PC 102 Key Enhanced Keyboard with APL2 Character Set

IBM PC AT Keyboard with APL2 Character Set

IBM PC 102 Key Enhanced French Keyboard with APL2 Character Set
