SETUP INSTRUCTIONS

=====

General Setup for Windows and Macintosh

-----

- 1) Insert the LCE CD-ROM into the CD-ROM drive.
- 2) Click the LCE icon on the CD-ROM to launch Adobe® Reader® and the LCE PDF. If you do not have Adobe® Reader®, the CD-ROM will also provide access to download the current version of Adobe® Reader®.

TROUBLESHOOT

=====

To get all of the features on a Macintosh, you will need to use Adobe Acrobat Reader, and not Apple Preview.
