

Sheet1

Year

SOURCE: U.S. Department of Labor, Bureau of Labor Statistics (BLS). Note: Monthly data are not seasonally adjusted. Data from 1978 are for all urban consumers; earlier data are for urban wage earners and clerical workers. Since January 1983, BLS has used a cost component on a rental equivalent basis.

January	February	March	April	May	June
42.6	42.9	43.3	43.6	43.9	44.2
