SOURCES: Commonwealth of Virginia, Department of Taxation, "Taxable Sales by Business Classification Made During the Calendar Year Ending December 31, 1991", computer printout, (Richmond, 1992); Robert W. Cox, "Taxable Sales, 1989", (Charlottesville: University of Virginia, Center for Public Service, June 1990).

NOTES: An asterisk represents an annexation or other boundary adjustment by the city from the county in the given year. Index numbers are rounded to nearest whole number. The percentage change in taxable sales between two years is the same as the percentage change in the index numbers. Index numbers were adjusted for inflation using the Gross Domestic Product Implicit Deflator for Personal Consumption Expenditures.

- a. Fairfax County and the City of Fairfax had a boundary adjustment in 1980.
- b. Montgomery County and the City of Radford had a boundary adjustment in 1980.
