### PERCOM DISK SYSTEM Complete \$329.95

A low cost free standing complete 5 1/4" floppy disk drive system with built in disk controller and single-sided single-density (SSDD) disk drive that stores up to 92,000 characters on a single disk. It comes complete with cables and a disk manager command module to provide all your disk utility programs.

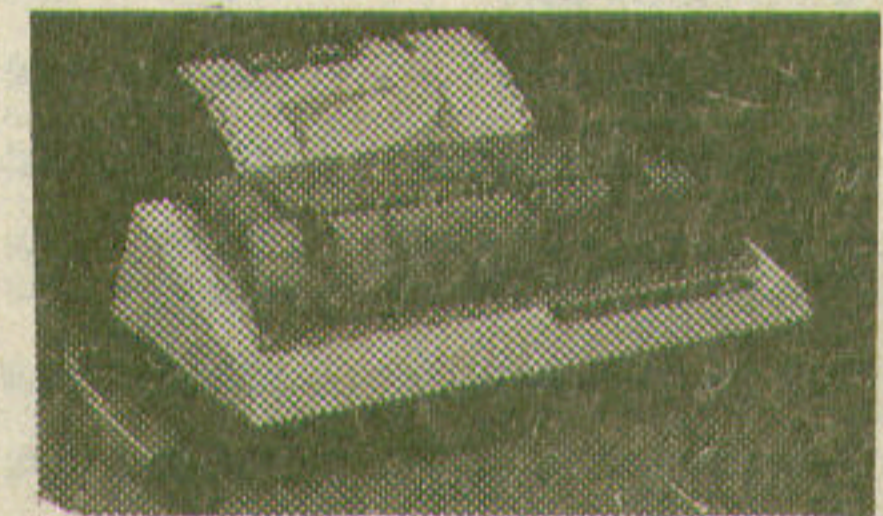

### NEW SUPER SKETCH Introductory Special \$49.95

Until now, creating computer graphics in color has been both a demanding and expensive endeavor. Reduce the level of difficulty and expense of other video graphic products and you have Personal Peripherals' all new "Super Sketch."

By simply moving the stylus control, as you would a pencil, Super Sketch reproduces the movement on the screen. What's more, any drawing can be instantly painted in a combination of 16 brilliant hues with only the push of a button. You can even erase a part or all of what you have drawn.

### HIGHLY AFFORDABLE DOT MATRIX DIRECT CONNECT PRINTER

**SEIKOSHA GP-100** ..... only **279.95**  
Simplicity of operation and proven reliability, together with the Direct-Connect package makes the GP-100 the perfect starter printer. Multiple copies, adjustable tractors, and surprisingly good graphics add to the bargain. Another plus - you can daisy chain other peripherals, i.e. disk drives and memory units. (requires Axiom parallel connector or RS232 card for P.E. Box and parallel cable ... your choice ... \$100.00 with purchase of printer.)

### Introducing DISK BANK The Ultimate in Disk Storage

**\$29.95**

Right at your fingertips...the most versatile system ever designed for storing and filing floppy disks. Protection with fast, easy access. Disk Bank is molded of tough, impact-resistant plastic, and conveniently holds 10 diskettes per module in a safe, dust-free environment. When you need one, just open the Disk Bank drawer and slide it out. The retaining gate moves forward automatically for fast, easy diskette access every time. There's never a chance of bending or damaging your valuable diskettes. ID labels on the front of the drawer quickly identify the diskettes you need.

Color: Smoke. Each package contains 5 modules; each holds up to 10 disks.

**ARCTURUS AT LAST! A ZAXXON™ "CLONE"**

The only 24KB cartridge game available! Fight your way through the open universe in order to enter into the 3-D enemy command post. "Zaxxon"™ like 3-D graphics. The most sophisticated graphics found in any game developed for the home computer. Evade and engage enemy ships, tracer missiles, and laser tanks as you negotiate the cluttered city scape of the enemy command post. Arcturus, one of a kind!

Six screen levels emerge as you successfully pilot your ship deep into enemy territory. Earn points by shooting enemy ships and safely navigating your way over, under, and through the buildings, arches, and tunnels which are generated by the largest cartridge memory in any home computer game.

\*ZAXXON is a trademark of SEGA Enterprises, Inc. \$54.95

**DISK DRIVES \$189.95**

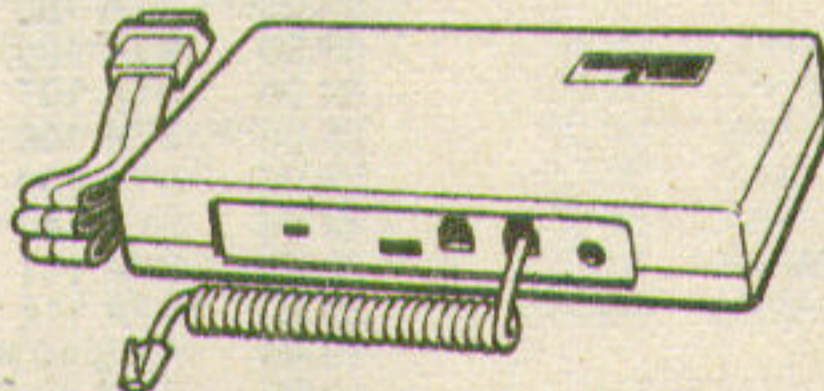

Double density, double sided, half high. Almost 400KB storage on a single drive ... 4 times that of a normal drive, at an incredibly low price!

**SURGE PROTECTOR**  
Reg. \$9.95 SALE \$6.95  
Save your expensive computer equipment!

Single outlet plug-in is compact yet provides electrical spike suppression for protection against common electrical "transients." An economical method of insuring against possible data loss or damage to your computer.

**SIGNALMAN MARK III MODEM**

A low cost, direct connect, high quality and super reliable TI 99/4 and 99/4A compatible modem that comes complete and ready to use - just plug it into a TI RS232 . . . . . \$9.95  
ACCESSORIES: 9V-DC Power Supply \$9.95

**TE 1200 \$44.95**

The TE-1200 Terminal Emulator Disk Program will support 1200 baud asynchronous modems. It is functionally compatible with the normal TTY, and file transmit functions of the TI TE-II Cartridge. The use of 1200 baud should significantly reduce the connect times on online services such as Texnet, Compuserve or Docujones since it will receive data from them 4 times faster. It also has a "spooling" feature which allows automatic direct transfer of incoming data to a disk drive or printer.

**At last!! Spelling Checker Utility for the TI!!**  
**"AUTO SPELL CHECK"**  
by Dragon Slayer \$49.95

A 20,000 word dictionary with automatic spelling corrections for text on the TI-Writer word processing system.
