Whether it's sharpening your children's math skills, advising you on household financial decisions, or simply teaching you to win at chess, the TI-99/4A, with its powerful "16 BIT" microprocessor makes learning interesting and easy. And the NEW TI WRITER word processing program and TI IMPACT PRINTER now available make the 99/4A an invaluable household and small business tool.

Choose from our large TI library of pre-programmed cassettes, disks or TI's exclusive Solid State Software Command Modules and show your family how easy and fun learning can be. Like spelling, reading, math, grammar, typing and science for children, budget management, personal record keeping, financial decisions, tax planning, and report generator for you to name just a few.

If you have now or are planning a disk drive setup, you'll be glad to know that we now offer Maxell 5-1/4" diskettes in packs of two for just \$7.82 (boxes of 10 \$29.10).

Another special deal worth looking at is the FREE Speech Synthesizer with the purchase of 6 software modules or 2 software albums (listed below). Also, check with us for our 99/4A Peripheral Trade-In Program for the new Expansion Box and Peripheral Cards.

Family fun, home management help and valuable learning exercises can all be right at your finger tips with the TI home computer. All the power and capability you'll need is here ... from the finest color graphics anywhere to the wonder of synthesized speech.

Shop around, and if you find lower prices, give us a chance to beat that deal. You can call **TOLL FREE** at **800-227-8292**. In California, call 415-969-6600. We accept VISA, MasterCard, or send check or money order to: **The BACH Company**, P.O. Box 51178, Palo Alto, CA 94303.
