Dear TI-99/4A Owner:

As a former owner and co-founder of Triton Products Company, I know what you are looking for — **selection, value and service.** And that's what TM Direct Product Marketing is all about.

We are dedicated to bringing you the best selection of products for your TI-99/4A you can find anywhere including software, hardware and accessories. Take a few moments to browse through our Spring '91 catalog.

I think you'll like what you see. If you can't find what you're looking for, please feel free to call us toll free at **1-800-336-9966** and we'll see if we can get it for you.

To help give you the most for your money, in addition to the incredible everyday values listed in the catalog, you'll find coupons on the enclosed order form worth up to **$10 off** on your next order.

Our knowledgeable customer service personnel are trained to answer your questions or take your order in a courteous and efficient manner. Their goal is to make shopping for TI-99/4A products with us a super experience!

I personally would like to thank you all for your continued support of the TI marketplace over the last few years and I look forward to many more exciting years to come. Please feel free to write me at the above address with any comments or thoughts on how TM Direct could better serve your needs.

Sincerely,

Terry Miller

SPECIAL VALUE!
TEXAS INSTRUMENTS COLOR MONITOR
These superb 10″ Video Monitors are designed specifically to handle the TI-99/4A's wide range of graphic and musical capabilities with sharp, bright color pictures and clean, clear sounds. Composite video signal makes it fully compatible with your TI-99/4A. Monitor cable included.
ITEM #XXDA   **$159.95**

Please note: The TI Monitor shown on this page has been factory reconditioned by Texas Instruments. This means that it has been tested, repackaged and is covered by TI's standard 90-day warranty.
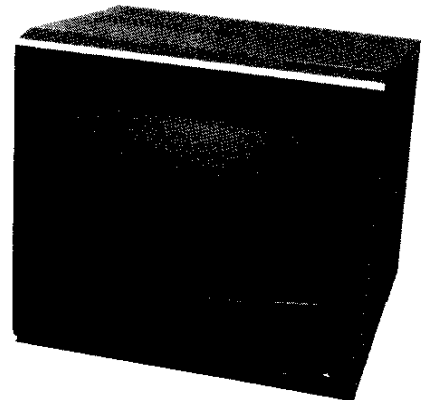

EXPANDING YOUR TI-99/4A

If you're like most TI-99/4A owners, sooner or later you'll probably want to upgrade your system. The reason is simple. As you grow more and more familiar with your computer, you'll want to use it more and for more complex tasks.

How to expand your system depends on the level of capability you want. As you know, software for your TI-99/4A is available in three formats — cartridge, disk and cassette. Most cartridges containing prewritten programs are simply plugged into the cartridge port on the console. However, some cartridge programs, such as Tax/Investment Record Keeping (page 8), require a Disk or Cassette System or the program will not work. For other cartridges, such as Personnel Record Keeping (page 8), a Disk or Cassette System is recommended or optional, which means the program will run without the added hardware, but you won't get the full power of the program. Be sure to check the product descriptions of the software you're interested in to find out if there are any special requirements.

This page provides guidance to help you make the best product choices for selecting Memory Expansion and either Disk or Cassette capability. Other pages provide information on additional hardware to help you get even more enjoyment from your computer: Modem (page 9), RS232 Interface (pages 3 and 4), Printer (page 4), Joysticks (page 9), and Speech Synthesizer (page 10).

To use disk format software, you must have a Disk System which consists of a Disk Controller and at least one Disk Drive. And as noted above, many cartridge programs either recommend or require a Disk or Cassette System. The advantages of a Disk System vs. a Cassette System are quality and speed in loading, storing and unloading data.

A Disk System is most easily added by purchasing

TI PERIPHERAL EXPANSION SYSTEM

This is the finest, easiest, most convenient way of upgrading to a Disk System. Designed exclusively for the TI-99/4A. System includes:
Disk Controller Card capable of handling up to 3 Disk Drives; 1 single-sided/single-density Disk Drive capable of storing up to 92K characters; Disk Manager II cartridge; Myarc 32K Memory Expansion Card which immediately triples your system's RAM; Housing Box (7.5" x 12" x 18") for above items which omits cable clutter and provides room for up to 6 more plug-in peripheral cards. Although not included in this offering, an RS232 Interface Card may be purchased separately (see below) to permit connection to Printers (see page 5) for hard copies or Modems (see page 9) for phone network tie-ins.
ITEM #ZXBA   **$479.95**
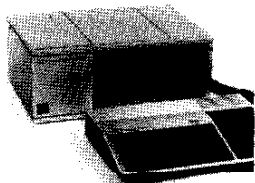

TI RS232 CARD

A plug-in peripheral card for use with the TI Peripheral Expansion System offered above. Permits connection to Printers, Plotters and Modems. Provides one parallel and one serial port.
ITEM #XXBB   **$99.95**

TI STAND-ALONE EXTERNAL DISK DRIVE

Multiply the speed and capability of your Disk System with this single-sided/single-density add-on Disk Drive. Built-in power supply allows use with any Peripheral Expansion System which will accept another Disk Drive.
ITEM #XXBH   **$119.95**

TI P-CODE CARD

This card enables the use and programming of programs written in UCSD PASCAL, a highly-structured, efficient programming language that is faster, more logical and substantially more powerful than BASIC.
ITEM #XXBP   **$79.95**

MYARC 512K CARD

This powerful card fits right into your TI Peripheral Expansion Box and gives you access to additional 32K blocks of memory along with 96K of RAM-disk/print spooler. Store your files in memory and load them instantly. A great productivity aid for users of TI-Writer and other programs where files are frequently changed. The print spooler lets you print at high speed without tying-up your console.
ITEM #1035   **$349.95**

---

the TI Peripheral Expansion System featured on this page. Additional stand-alone Disk Drives which allow you to load and unload data even more quickly can be added.

In addition to adding disk capability to your TI-99/4A, the TI Peripheral Expansion System also adds 32K Memory Expansion. Furthermore, it has the capability of adding an RS232 Interface.

MYARC HARD AND FLOPPY DISK CONTROLLER CARD

Bring Hard Disk speed and power to your TI-99/4A! This incredible card slides right into your Expansion Box and will handle up to three Hard Disk Drives (interfaces with standard, off the shelf Hard Drives) and four Floppy Drives (single- or double-sided and single- or double-density) plus an optional tape back-up. It also includes a built-in real time clock and the Myarc Disk Manager V, the most intuitive and user friendly disk manager available.

Combine this powerful card with a Hard Drive of your choice and experience lightning-fast loading and saving of programs and files while eliminating disk swapping forever.

Once you've experienced the speed and convenience this card brings to your system, you'll wonder how you ever got along without it.
ITEM #1039   **$249.95**

REPLACEMENT COMPONENTS FOR THE TI PERIPHERAL EXPANSION SYSTEM

The following items are all included in the TI Peripheral Expansion System offered on this page (except the Myarc Disk Controller Card which is replaced in the TI Peripheral Expansion System by the TI Disk Controller Card). Order only if you need a replacement part, or if you previously purchased a TI Peripheral Expansion System which did not include any or all of these components. For use only with the TI Peripheral Expansion System.

TI PERIPHERAL EXPANSION BOX
Includes power supply and flex cable.
ITEM #XXBA   **$199.95**

TI INTERNAL DISK DRIVE
Does not have its own power supply and cannot be used as a second or third Disk Drive.
ITEM #XXBF   **$99.95**

MYARC 32K MEMORY EXPANSION CARD
Expand your TI-99/4A to a full 48K RAM with this high-quality card from Myarc.
**ITEM #1036**   **$149.95**

MYARC DISK CONTROLLER CARD
This card will control up to four single-sided/single-density and/or double-sided/double-density Disk Drives; or any mix of the two. Increase the storage capacity and file access speed of your system by 2 to 4 times. Includes Disk Manager on disk.
ITEM #YXBR   **$199.95**

To take advantage of the many cassette format programs available, all you need is a Cassette Recorder and connecting cable. The Cassette Recorder is controlled by the computer. A Cassette System is also an inexpensive way to store information...providing reliable loading and retrieval of data on standard cassette tapes. However, a Cassette System operates slowly compared to a Disk System.

To decide on a Cassette System vs. a Disk System weigh your desire for reliability and speed against cost. If you primarily use your TI-99/4A for games, entertainment and education, high disk quality may not be crucial to you.
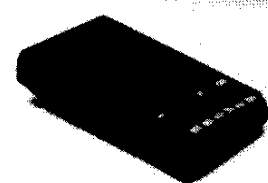

SONY TCM858 CASSETTE PROGRAM RECORDER

This reliable Program Recorder will allow you to save programs you've written, save data or to run some of the many cassette-based software programs available.
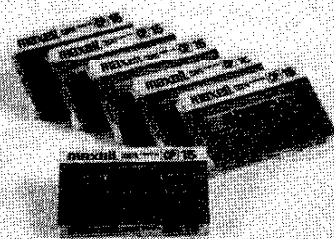

3-digit tape counter makes it easy to index recorded material for quick review. Other features include mechanical pause, tone control and AC/DC operation. AC power cord included. (Requires Cassette Interface Cable.)
ITEM #YXBW   **$39.95**

CASSETTE INTERFACE CABLE

Allows you to connect a Cassette Recorder to your TI-99/4A console.
ITEM #AXAC   **$5.95**

MAXELL 15-MINUTE DATA CASSETTES

One tiny tape imperfection can render a whole program useless. Ensure highest quality! Maxell brand blank tapes. Package of 6.
ITEM #1QDD   **$9.95**

Please note: The TI Hardware items shown on this page have been factory reconditioned by Texas Instruments. This means that they have been tested, repackaged and are covered by TI's standard 90-day warranty.

TI DOT MATRIX IMPACT PRINTER

The original TI-99/4A Printer...now at an incredible price!

- 9-pin printer
- Built-in serial and parallel interfaces
- Printing styles: normal, enlarged, condensed and condensed-enlarged
- 80 characters/second print speed
- Continuous paper handling capability
- Paper width: 4.5" - 10"
- Epson compatible
- 90-day Limited Warranty

(Requires RS232 Interface and parallel cable or ParaPrint Interface.)

ITEM #XXBL $159.95

Please note: The TI Printer has been factory reconditioned by Texas Instruments. This means that it has been tested, repackaged and is covered by TI's standard 90-day warranty.

PRODUCTIVITY

BEYOND WORDWRITER

The "Wordwriter" family of cartridge-based word processors are among the most popular products ever sold for the TI-99/4A. Now, Beyond Wordwriter carries the tradition one step further.

It combines Wordwriter's speed and simplicity with a remarkable new Formatter which allows you to insert commands anywhere in your document. Insert top and bottom margins, center headers and footers, print even/odd or assorted pages and more, simply by entering keyboard commands.

In addition, an advanced Editor Display gives you a status line on screen showing margin settings; overstrike, insert or word-wrap options; line and column cursor position.

Of course, you can still create mounds of text, up to 12,286 characters (36,782 with memory expansion); insert and delete characters, lines or paragraphs easily and let word-wrap shape your text. You can also display line number and reformat your work to neat margins whenever you want, search and easily find key words or phrases.

With Beyond Wordwriter you can load and save from disk or cassette, as well as print a hard copy. Team Beyond Wordwriter up with one of the great printers in this catalog and you'll save precious time and money with your new word processing system. (Requires RS232 Interface and printer cable or ParaPrint Interface and Printer.)

CARTRIDGE #2017   **$39.95**

TI-WRITER WORD PROCESSOR

Superb TI-99/4A cartridge version of software of the most popular home computer application of all: word processing. Program includes many features usually only found in software for more expensive computers. TI-Writer edits and formats...inserts and deletes text and lines. Automatically indents paragraphs, justifies right margin, wraps words, overstrikes and underlines, moves and copies text. Documents its own reformatting. Expands the display to 40 columns and scrolls horizontally to allow full 80-character lines. (Requires Disk System, 32K Memory Expansion, Printer and RS232 Interface.)

CARTRIDGE & DISK #AEAG   **$12.95**

New!
SPELL IT!

Spell It! brings spell checking on the TI-99/4A into the '90s with all the features and speed of modern PC and Macintosh spellers. You'll never have to worry about embarrassing spelling mistakes again when used with TI-Writer or Beyond WordWriter.

Spell It! makes corrections directly to your text file so you don't have to return to the editor, lets you view the context the word is used in, allows you to add words as you check text files to a user dictionary limited only by disk space and even supports foreign character sets. This single-sided/single density disk product has over 25,000 words! From Asgard Software. (Requires Disk System, 32K Memory Expansion and TI-Writer or Beyond WordWriter.)

**DISK #2201**   **$24.95**

DESKTOP PUBLISHER

Now, Desktop Publishing requires only your console and a printer. Compose greeting cards, letters with graphics, impressive school reports, striking invitations and more...even if you can't draw a line!

Desktop Publisher includes a word processor that creates beautiful fonts and a picture editor that lets you select from the pictures included; or draw your own. It's easy-to-use and the results are stunning!

With Desktop Publisher, you've written your last blah letter. Pick a type font to match your mood and a picture to emphasize your point. Doodle with line art to customize your signature. The possibilities are limitless.

Your console, interface and Epson-compatible printer are all you need to publish your own invitations or newsletter. Start your own publishing business today by ordering the Desktop Publisher by Databiotics. (Cassette System recommended.)

CARTRIDGE #BAAR   **$59.95**
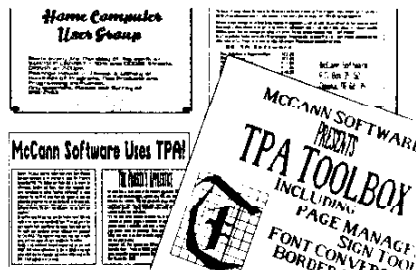

THE PRINTER'S APPRENTICE

With The Printer's Apprentice you have all the tools you need to create beautiful and unique greeting cards, restaurant menus, church programs, advertisements, invitations and newsletter pages.

These tools include: Character Editor to create beautiful fonts; Picture Editor to crop, size, edit and format artist pictures for inclusion on the page; Formatter to transform text from your word processor into micro-justified font output. And to put it all together, a program called Scheduler is the electronic glue allowing precise placement of pictures and graphics text to make your work professional-looking, doing it on one page (no more cut and paste).

With a little attention to detail, every user can have fun with The Printer's Apprentice, printing pages that no one would have believed possible with the TI-99/4A. From McCann Software. (Requires Disk System, 32K Memory Expansion, Extended BASIC cartridge and TI or Epson-compatible Printer.)

DISK #BHED   **$19.95**

THE PRINTER'S APPRENTICE TOOLBOX

This package adds five new dimensions to an already powerful system. Includes a document page manager, font converter, sign and forms tools and a border builder. (Requires The Printer's Apprentice.)

**DISK #BHER**   **$19.95**

TI PLANNER

TI Planner is a superb spreadsheet program, built into a cartridge for convenience. You'll be amazed how something so simple can be so powerful!

Never has planning, budgeting, record keeping or projecting been so easy. Any application that uses a row and column format is perfect for TI Planner.

Constructing your own tables and charts for home, business or school is now a snap using TI Planner and its 11 simple commands. Expand your spreadsheet from 864 to 2520 cells with a 32K Memory Expansion (see page 3). Load and save your record to cassette or disk; or get a hard copy on a printer if you have one. Written in 100% assembly language for utility and speed. From Databiotics.

CARTRIDGE #BJBS   **$29.95**

MICROSOFT MULTIPLAN
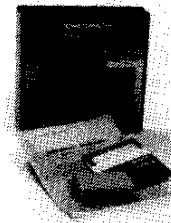

One of the most powerful and best known spreadsheet packages ever developed, here in cartridge format. An extremely versatile tool for planning, budgeting, financial modeling, record keeping—any application where data can be conveniently expressed in rows and columns. Ideal for answering "what if" questions. When you make a change in data or assumptions—the computer does all the work recalculating the rest of the spreadsheet. (Requires Disk System and 32K Memory Expansion. Printer and RS232 Interface highly recommended.)

CARTRIDGE & DISK #AEAH   **$15.95**

QS-SIDEWAYS

Print your Multiplan spreadsheet sideways, in one long continuous form, as wide as you like. No more taping different sheets together. Works on TI, Seikosha, Epson, Gemini, Star, Panasonic, Okidata and ProWriter printers only.

A "must" for every Multiplan user. From Quality 99 Software. (Requires original Microsoft Multiplan.)

DISK #BBCP   **$9.95**

New!
SECURITIES ANALYSIS

Every investor knows that you must consider many factors and gather much information in order to make sound investment decisions. Securities Analysis helps you do just that.

Use it to analyze stocks for yield and valuation; analyze options for pricing, hedges and spreads; analyze bonds for yield to maturity and market price. It also includes basic financial analysis tools for compound interest, annuities, variable cash flows and calendar calculations. A must for serious investors.

CARTRIDGE #AEAJ1   **$14.95**

TI-COUNT—COMPLETE SMALL BUSINESS MANAGEMENT

For entrepreneurs here's TI-COUNT your total, cost effective system for business accounting, operation and mailing. So all-embracing it multiplies efficiency...lowers costs...boosts profits!

Specially developed for the TI-99/4A, TI-COUNT stores, retrieves, displays, prints and automatically times issuing of data and documents. Efficient daily operation gives you total control...instant reporting...on cash, inventory, purchases, outlays. Programmed in familiar bookkeeping techniques, for instant ease of use. (Requires Disk System, 32K Memory Expansion, Extended BASIC cartridge, Printer and RS232 Interface. A second Disk Drive is recommended.)

GENERAL LEDGER— Pre-programmed for fast start-up in small businesses. Monitors up to 650 accounts. Operates 5 journals; purchases, sales, receipts, payments, general entries.

DISK #CEAA   **$19.95**

ACCOUNTS RECEIVABLE—Keeps up to 200 customer ledger accounts on 1 disk...with ID data, cumulative payment, open invoices.

DISK #CEAB   **$19.95**

ACCOUNTS PAYABLE—Keeps up to 200 vendor ledger accounts on 1 disk...with ID data, terms of sale, cumulative payment, open invoices.

DISK #CEAC   **$19.95**

PAYROLL—Automatically provides payroll checks and stubs...on your choice of weekly, biweekly, semimonthly or monthly basis, plus W-2 form yearly.

DISK #CEAE   **$19.95**

MAIL SYSTEM—Change, move and merge mail files. Add, correct or delete individual names and addresses...sort names and zip codes...print mailing labels...with automatic reports for each mail and file disk.

DISK #CEAF   **$19.95**

INVENTORY—Keeps you instantly abreast of sales, returns, purchases, state of stock. Stores up to 700 items in 4 departments on 1 disk...with ID data, vendor, stock, on-order, back-order, re-order, cost, list and selling price, current value for each item.

DISK #CEAD   **$19.95**

TI BASE (Version 2.0)
The Ultimate TI-99/4A Database

Helps you get organized. Organize, sort and select your data, such as: mail lists, household inventories, lists of collectibles, books, records, programs, disks, etc.

Unlike any other database system for the TI-99/4A, TI BASE allows you to design your own custom database applications. Like dBASE, the most popular database system for the IBM PC. TI BASE gives you a complete procedural command language that allows you to "program" your own database system. This command language, which consists of 45 different commands, allows you to access, edit, sort, search, manipulate, report and print your own information on-the-fly, or create powerful command (program) files for automatic and complex data processing. In short, TI BASE literally puts you in the driver's seat.

TI BASE supports up to five active databases; each database can consist of 16,129 records with 17 fields per record and 255 characters per field. The system supports complete mathematical functions (arithmetic, logical, trigonometric and Boolean), formatted display and printing capabilities, disk management functions (catalog and format disks, copy and delete files), plus much more! TI BASE comes complete with a tutorial disk, comprehensive user manual and keyboard overlay. From Texaments. (Requires Disk System, 32K Memory Expansion and either Extended BASIC, Editor/Assembler or Mini-Memory cartridge.)

DISK #BLAE $24.95

TI SORT

TI Sort gives you the ability to sort an unlimited amount of data, stored in virtually any type of file, in record time!

Fully menu-driven, it's fast, powerful and easy-to-use. TI Sort can handle any number of records, stored in TI Base files, delimited files, fixed length files and BASIC or Extended BASIC files. The following table illustrates the incredible speed with which TI Sort works its magic.

Program	Floppy	Device RAMDisk	Hard Disk
TI Sort	8:59	1:59	2:20
TI Base	3:47:26	13:26	13:47

TI Sort, From Texaments, is the perfect companion for TI Base. (Requires Disk System, 32K Memory Expansion and either Extended BASIC, Editor/Assembler or Mini-Memory cartridge.)

DISK #2024 $14.95
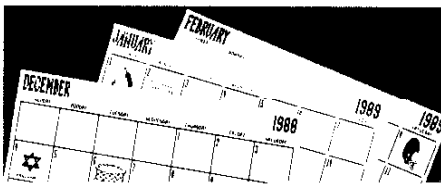

CALENDAR MAKER 99

Use this unique program to create complete picture calendars. Create calendars for a month or year at a time, add pictures and small messages for any date, select text and border styles, personalize with an up to 3-line message and more! Fast and easy-to-use from Asgard Software. (Requires Disk System, 32K Memory Expansion and Epson compatible Printer.)

DISK #BHGV $19.95

CALENDAR MAKER UTILITES

This package expands the capabilities of Calendar Maker 99. Contains utilities to create fonts, borders, month/year header files, new artwork and more. From Asgard Software. (Requires Calendar Maker 99.)

Disk #BHHQ $14.95

Perhaps the ultimate home computer skill is original programming. You achieve maximum satisfaction and challenge when you design your own information packages...create your own games...fulfill your most minute specifications.

Tackling programming is now easier than ever before with this array of aids. Here conveniently together are all the materials you need for writing your own programs...some of them so attractive you'll be dared into writing, even if you never thought you could!

TI EXTENDED BASIC

In addition to allowing you to run most of the exciting disk and cassette software offered in this catalog, TI Extended BASIC multiplies programming capabilities if you want to step up from TI BASIC...design more advanced operations...write more complicated programs...get the most out of new hardware, disks, memory expansion.

Lets you add math functions such as MAX, MIN, PI; type multiple statements per line; assign value to more than 1 variable; increase subscriptions on an array from 3 to 7; add variables to subprograms. Increases convenience, reduces limitations of IF-THEN ELSE statements. Also adds sprites; as many as 28, each with its own color and heading, moving on screen in any direction or speed.

Total enhancements with expanded systems include longer programs, automatic loading and running of another program, execution of a stored program. Includes a PEEK option to directly retrieve numbers from memory. And former TI BASIC programs run perfectly in Extended — no need to throw them away!

CARTRIDGE #AEBA $49.95

BEGINNER'S BASIC TUTOR

For those just starting out, and others wishing to improve, here's your complete introduction to programming in BASIC. Each of the eight lessons periodically asks a multiple-choice question to check your understanding. A correct answer moves you on to new topics; a wrong one automatically reviews the material. For those users with some experience, the tutoring is equally rewarding as a fast review and brush-up.

DISK #AHAA $2.99
CASSETTE #AJAA $2.49

TEACH YOURSELF BASIC

You and the computer embark on learning to program in BASIC the easiest way: the computer actually teaches you how. Ten on-screen lessons give you hands-on experience in everything from simple commands and procedures to color graphics and sounds. The friendly interaction with the computer also enhances your confidence.

DISK #AHAB $2.49
CASSETTE #AJAB $2.99

TEACH YOURSELF EXTENDED BASIC

A progressive tutorial process helps you learn and practice this more advanced, high-level language. Seven on-screen lessons provide simple, hands-on experience in positioning input and output, handling errors and using sprites, commands and subprograms. (Requires Extended BASIC cartridge.)

DISK #AHAC $2.49
CASSETTE #AJAC $2.99

TI PROGRAMMING PACKAGE

Increase your programming ability and harness the full power of your TI-99/4A with this four part programming software package developed by Texas Instruments. Each of the four parts comes complete with a series of programs (on disk or cassette) that develop and graphically display the ideas covered in the accompanying 100 page instructional manual.

The entire package contains over 20 programs and over 400 pages of programming and game design and writing instructions. Package includes Programming Starter Packs 1 and 2 and Game Writer's Packs 1 and 2. (Requires Disk or Cassette System.)

PACKAGE #2070 (Disk version) $12.95
PACKAGE #2071 (Cassette version) $9.95

EDITOR/ASSEMBLER

This software cartridge allows programming in TMS9900 Assembly Language. Gives direct access to all system features—sound, speech, graphics, I/O. Links into TI BASIC/Extended BASIC programs through a subroutine call. (Requires Disk System and 32K Memory Expansion .)

CARTRIDGE & DISK #AEBA $12.95

New!
ASSEMBLY LANGUAGE ON THE TI-99/4A

This valuable reference from Compute! will help you unleash the power and speed of assembly language. Use it to create sound, graphics, sprite and game controller routines, as well as complete programs. A tremendous addition to the Editor/Assembler cartridge shown above.

BOOK #UAAX $4.95

DISK MANAGER 2

Get a disk catalog on your screen or printer, initialize a disk, change a disk or file name, delete a file name or change file protection and more. A must for every Disk System owner. (Requires Disk System.)

CARTRIDGE #XXAJ $14.95

ADVANCED DIAGNOSTICS

This programmable utility from MG allows you to : check your drive's motor speed; set and test different head step times; see all of the hidden information on a track; use a full screen sector editor in ASCII or HEX; perform a complete memory test; dump the screen contents with the press of a key; customize your own disk copier; customize your own formatting; includes extensive documentation. (Requires TI or CorComp Disk Controller, 32K Memory Expansion and either Extended BASIC, Editor/Assembler or Mini-Memory cartridge.)

DISK #BBBE $19.95

DISK ASSEMBLER

Disk Assembler is the perfect complement to Advanced Diagnostics. This program will disassemble computer memory and DIS/FIX 80 or program type files right off the disk. This allows you to modify existing programs and/or examine programming techniques. It can output to a Printer, Floppy Disk, RAMdisk or Hard Disk. Generates fully labeled 80 column source code listings complete with REF, DEF, EQUATE and symbol table list. Easily handles TEXT or DATA and automatically inserts labels where needed. Contains automatic DSR disassembly option. Includes function key overlay and an extensive 54-page manual complete with examples. (Requires TI or CorComp Disk Controller, 32K Memory Expansion and either Extended BASIC, Editor/Assembler or Mini-Memory cartridge.)
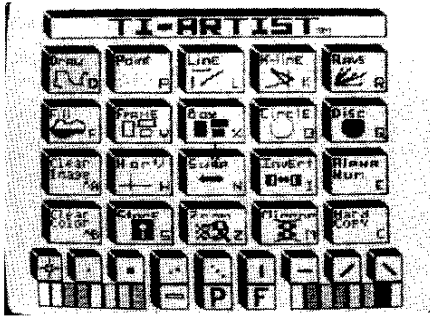

DISK #BHDX $19.95

BASIC LANGUAGE REFERENCE MANUAL

This handy guide from Compute! is ideal as a reference for novice as well as expert programmers.

BOOK #UAAM $5.95

TI-ARTIST PLUS

TI-Artist is the #1 selling and supported graphics drawing package for the TI-99/4A. And now it's even better!

This powerful graphics program is easy to use. Most functions are selected by positioning the cursor over the desired selection and pressing [enter]. And with the six dynamic graphics development modules, virtually anyone can create, edit, transform and present the most dazzling of works.

The Drawing Module has 8 different pens, 10 fill patterns and 16 colors. Features include freehand drawing, point-to-point lines, rays, boxing, circling, filling, mirroring and spray-painting.

Use the Enhancement Module to import or export clip-art and to move or copy images.

With the Font Module you can outline, convert to 3-D image, justify center, left or right and integrate various fonts into any drawing.

Scale images with the Vector Module. Also tilt objects vertically or horizontally.

The Print Module and the Movie Module (create animated sequences) round-out the system. From Texaments. (Requires Disk System, 32K Memory Expansion, Extended BASIC or Editor/Assembler cartridge. Joystick and Epson-compatible Printer are optional.)

DISK #2025   **$24.95**

New!
TI-ARTIST PLUS FONT LIBRARIES

Make the most of your work with these exciting and useful font libraries from Asgard Software. Each volume contains 10-15 fonts. (All require TI-Artist Plus.)

MAGICAL
DAY!

PAGE PRO 99
Page-making software for your TI-99/4A!

This remarkable program allows you to compose a full-sized (66 line) page with graphics, text in several fonts and lines directly on your screen, quickly and easily. Now you can create forms, advertisements, flyers, maps, graphs, charts, labels, certificates, signs, reports and newsletters.

With Page Pro 99 you can put up to 28 pictures of any size or shape anywhere on the screen. Type text in large and small fonts of your choice, draw lines anywhere you need them. After you've created your page, you can print it out on your Epson or compatible printer.

Features the ability to type in any direction (even up or down), a host of text editing functions (insert/delete characters and lines); window around the page, load in pictures, read in a text file, cut and paste and more.

Page Pro 99 comes with a handy collection of artwork and fonts as well as utilities to convert TI-Artist Companion Libraries (listed on this page) into Page Pro 99 format.

Page Pro 99 lets you do more than most "desktop publishing" programs with a lot less effort. From Asgard Software. (Requires Disk System, 32K Memory Expansion, Extended BASIC, Editor/Assembler or 11-Writer cartridges and an Epson-compatible Printer. Utilities require Extended BASIC cartridge.)

DISK #1942   **$24.95**

New!
PAGE PRO 99 FONT LIBRARIES

Add to your page-making pleasure and get really great looking results using these font libraries from Asgard Software. Each volume contains 25 fonts. (All require Page Pro 99.)

PAGE PRO FONTS VOLUME 1
DISK #2205   **$7.95**

PAGE PRO FONTS VOLUME 3
DISK #2206   **$7.95**

New!
PAGE PRO POSTER MAKER

Create full-size posters and signs out of your Page Pro pages! This simple to use utility will blow up the pages you make with Page Pro 99—2X, 4X and even 8X to create 17" x 22" signs, 34" x 44" posters and 68" x 88" billboards. Perfect for the student, teacher, business or organization...anywhere you need to get the word out! (Requires Page Pro 99.)

DISK #2207   **$12.95**

New!
PAGE PRO BANNER MAKER

Create beautiful banners, large or small with Page Pro Banner Maker. Use it to welcome or bid farewell, celebrate birthdays or any special occasion. Design your own graphics with Page Pro 99 and then incorporate them into your banner. Letters and words in one or two lines turn out beautiful, too. So simple to use, you'll be making banners in minutes! From Asgard Software. (Requires Page Pro 99.)

DISK #2008   **$12.95**
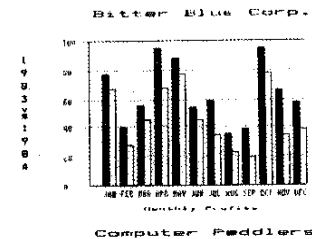

BUSINESS GRAPHS 99

Now you can create busines quality graphics without any programming. Make high-quality shaded bar, line and pie graphs. This McCann software accepts your data quickly, then draws your graph on the monitor. You print graphs using the TI-99/4A Impact Printer or other 100% Epson-compatible printers. (Requires Disk System, 32K Memory Expansion and Extended BASIC or Editor/Assembler cartridge. Printer and RS232 Interface recommended.)

**DISK #BADC**   **$19.95**
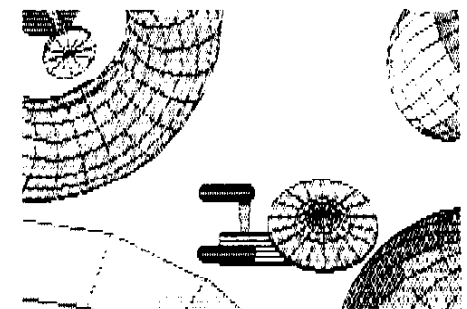

THE GEOMETER'S APPRENTICE

Finally, 3-D CAD software for the TI-99/4A. Now you can create and manipulate graphic 3-D objects on your screen and print them. Each object may be scaled, rotated or moved in an imaginary 3-D space. You can create complex shapes and change their size and location without redrawing them.

It also includes a special 3-D slide maker language which allows sequential slides to show movement of any or all of the objects on the screen. From McCann Software. (Requires Disk System, 32K Memory Expansion, Extended BASIC cartridge and TI- or Epson-compatible printer.)

DISK #1043   **$39.95**

New!   **COMPANION LIBRARIES FOR TI-ARTIST PLUS AND PAGE PRO 99**

The following collections of clip-art will help you get really professional-looking results from your TI-Artist Plus or Page Pro 99. (All require TI-Artist Plus or Page Pro 99.)

HOLIDAYS 1
A volume dedicated to the special days of the year including Christmas, Hanukah, Valentine's Day, Thanksgiving, Easter, July 4th and more.
DISK #BHHU   **$7.95**

ANIMALS 1
Features domestic and wild animals.
DISK #BHHX   **$7.95**

COMPUTERS
A large collection of computer-related images.
DISK #BHHW   **$7.95**

HOLIDAYS 2
A collection of images relating especially to Christmas, Easter and Valentine's Day.
DISK #BHHV   **$7.95**

DINOSAURS
Prehistoric collection of dinosaurs and landscapes.
DISK #BHHY   **$12.95**

SPORTS PICS
Virtually every sport is included in this collection of exciting images.
DISK #2035   **$7.95**

CAR WARS

Here's high speed racing with a vengeance! This 1-player game pits your speed, skill and strategy against the computer, as you race around the track, out-maneuvering a canny opponent. Increase the level of difficulty for even more excitement. (Joystick recommended.)
**CARTRIDGE #ACCP $2.49**

PARSEC

As you battle alien ships, a voice keeps telling you the current changing conditions. These terrible terrors include battleship attacks, guiding your ship through refueling tunnels and weaving through asteroid belts. (Speech Synthesizer and Joysticks recommended.)
CARTRIDGE #ACBA $2.49

TI INVADERS

Your world is under attack...by an armada of nasty creatures from outer space. Use your wits and aiming skills to destroy the multi-colored monsters with your missiles. A one-player game. (Joysticks recommended.)
CARTRIDGE #ACCM $2.49

MARKET SIMULATION

This educational game places two contestants in head-on business competition. Choose the amount of advertising, how many units to produce, etc., and watch the results. Strikes and economic changes add to the realism.

DISK #AKHS	$2.49
CASSETTE #AKJS	$2.49

OLDIES BUT GOODIES II

This exciting collection of five games includes Hammurabi, Hidden Pairs, PegJump, 3D Tic-Tac-Toe and World Safari. Fun for everyone.
DISK #AKKA $2.49

MYSTERY MELODY

A challenging musical game for one or two players. The object is to recognize the title of a song as quickly as possible. You score points based on how quickly you give an answer.

DISK #AKHU	$2.49
CASSETTE #AKJU	$2.49

TI-99/4A GAMES

Includes 13 fun and educational programs for kids of all ages. This book and cassette combination provides helpful loading instructions and teaches you how to use text, graphics and sounds in developing your very own computer games. It's not only fun, it's educational. See for yourself how these programs work and try your hand at adapting them to produce different special effects. (Requires Extended BASIC cartridge.)
BOOK #UAAK $2.49
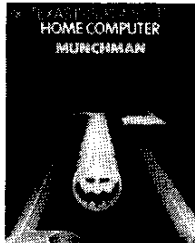

MUNCHMAN

An exciting maze game requiring double skills. You must move quickly to out-maneuver hoonos...all the while connecting complicated maze passages with a chain. A challenge in coordination! (Joysticks recommended.)
CARTRIDGE #ACCQ $2.49
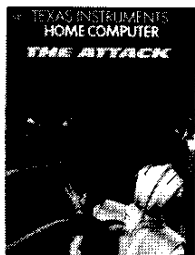

THE ATTACK

You're the commander of a ship in a region of space infested by double-barrelled danger. Both "spores" and "aliens" must be destroyed. Simultaneously, you must maneuver to avoid the enemies and fire missiles to destroy them. (Joysticks recommended.)
CARTRIDGE #ACCD $2.49
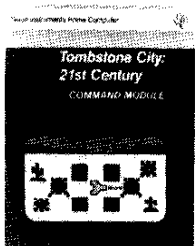

TOMBSTONE CITY: 21st CENTURY

You against the computer, testing your strategy and your skill. In the future Old West ghost town, you face an invading hoard of—yuk!—green alien Morgs. They live off two things—people and tumbleweeds. Stop 'em before they take over the Earth! (Joysticks recommended.)
CARTRIDGE #ACCL $2.49

COMPUTE!'S FIRST BOOK OF TI GAMES

Topics include maze and chase games, old favorites, thinking games, creative games, scrolling, action games and Extended BASIC games. Whether you plan to learn more about programming or just want to add games to your software library, you'll be pleased with the content quality. 211 pages.
BOOK #UAAT $2.49

GUIDE TO THE TI-99/4A

From "Getting Started" to "Programming Techniques", you'll find this guide an invaluable tool. You'll find dozens of applications, tutorials, fully documented programs and utilities designed to enhance and support your full utilization of your personal computer. 358 pages.
BOOK #UAAW $2.49

BEST OF 99'ER

82 classic articles from 99'er Magazine. Covering every area of home computing. A comprehensive resource for beginners and sophisticates. From starting out...to BASIC, Extended BASIC, LOGO and Assembly Languages...computertutoring...games... home and business management and much more!
BOOK #UAAY $2.49

HOW TO FEEL AT HOME WITH A HOME COMPUTER

Home computer owners sometimes fall into a rut—using their computers for the same old tasks. It's easy to forget that many more uses await the push of a key. Here's a useful review of everything your TI-99/4A can do. A useful, practical yet fascinating volume that will benefit the whole family. Glossary and index, paperbound format, 264 pages.
BOOK #AGAA $2.49

HOME FINANCIAL DECISIONS

Now answer everyday financial questions with full confidence and security! A valuable step-by-step guide to informed decision-making...on loans, home purchasing, car leasing vs. buying, savings...anything that adds up to dollars and sense!
CARTRIDGE #AEAA $2.49

PERSONAL RECORD KEEPING

A flexible filing system from Texas Instruments. Store and retrieve anything: home inventory for insurance, car maintenance records, medical history...and never forget your anniversary again! (Disk or Cassette System highly recommended.)
CARTRIDGE #AEAC $2.49

PERSONAL REAL ESTATE

For professional real estate agents—and investors who want to act professionally. Avoid errors by easily evaluating alternatives. Learn the experts techniques. (Disk or Cassette System recommended.)
CARTRIDGE #AEAE $2.49

TAX/INVESTMENT RECORD KEEPING

All your tax data in one easy filing system. Organize assets, liabilities, income, expenses, investments...separate taxable and tax-exempt income...list deductibles. Even determine your net worth! (Disk System required.)
CARTRIDGE #AEAD $2.49

PERSONAL FINANCIAL AIDS

A powerful computerized tool that covers the wide range of home financing, lets you quickly select the best options for your circumstances. Contains programs on loan amortization schedules, depreciation, mortgage analysis and development of home financial statements.

DISK #AHAJ	$2.49
CASSETTE #AJAJ	$2.49

LEASE/PURCHASE DECISIONS

Rank prospective investments according to financial desirability so you can choose the best bottom-line profit. Provides 3 models: Capital Investment Analysis model projects economic benefits, while Lease Evaluation model shows you profitable bidding strategy. Lease or Buy Decision model compares alternate methods of financing. Results in fast, accurate, practical and profitable decision making.

DISK #AHAR	$2.49
CASSETTE #AJAR	$2.49

FINANCIAL MANAGEMENT

An invaluable aid in assessing business capital requirements. Helps project how much is needed to sustain a business and the amount of capital costs. Also contains other common business calculations; depreciation, amortization, variable and grouped cash flows, and annuities. (Requires Extended BASIC cartridge.)
**DISK #AHAL $2.49**

CASH MANAGEMENT

Now forecast the amount of cash available to your business. Estimate cash flow by projecting up to 6 forecasts, with up to 12 periods per forecast. Beginning and ending balances are maintained in each period for cash, receivables, investments, payables, inventory. 20 categories of data are available in each forecast: 18 for expenses and income, 1 for sales unit, 1 for automatically calculated gross margin. Will print any part of a forecast for permanent reference if you have a Printer and an RS232 Interface. (Requires Extended BASIC cartridge.)
DISK #AHAQ $2.49

> **Please note:** The items on this page whose item numbers are preceded by the word DISK or CASSETTE require the use of a Disk System or a Cassette Recorder (see page 3).
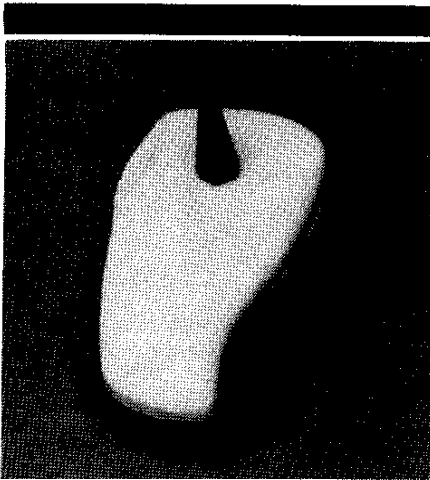

WICO ERGOSTICK

The ultimate experience in video game control. The Ergostick is without a doubt the finest, most responsive joystick we've ever offered. It combines a truly ergonomic physical design that's soft, pliable and formfit to the human hand, with microswitch technology. The result is a controller that shatters the gap between reaction and action, impulse and response...between hand and mind. (Requires Y-Adapter listed below for use with the TI-99/4A.)

ITEM #QEAK   **$24.95**
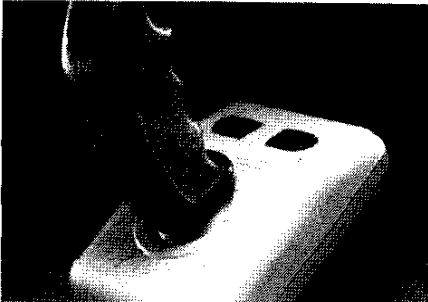

SUNCOM TAC 30

The serious gamers said "Give us a joystick with a pistol-grip and a top handle fire button." So we did. Sleek, aircraft-like design, just right for your TI-99/4A. (Requires Y-Adapter listed below for use with the TI-99/4A.)

ITEM #2000   **$16.95**

TI-99/4A JOYSTICK Y- ADAPTER

This cable is required to use the Wico Ergostick or the Suncom Tac 30 Joysticks shown above. For use with one or two joysticks.

ITEM #QDAG   **$5.95**
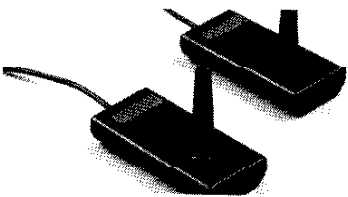

TI JOYSTICKS

Originally offered at $24.95. Now get TI's own set of two wired remote controllers for fast-action games and action-oriented educational packages for less than half that price. Includes 2 joysticks, each with 8 positions for maneuvering objects on screen, plus action button. Lightweight and compact for greater freedom and versatility.

ITEM #XXAX   **$9.95**
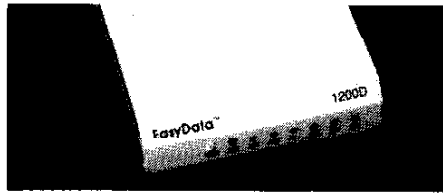

EASYDATA 1200 BAUD EXTERNAL MODEM

This high-quality, Hayes compatible modem delivers superb performance at the lowest possible price.

The EasyData is capable of transmitting and receiving up to 1200 bits per second. It supports Bell 103 and 212A specifications in both half and full duplex modes.

Features include Auto Dial, Automatic Phone Line Monitoring and Auto Redial. (Requires communications software, Serial (RS232) Interface and Modem Cable.)

ITEM #WPAJ   **$99.95**

MODEM CABLE FOR TI-99/4A

ITEM #QACE   **$19.95**

4/A TALK TERMINAL EMULATOR

If you ever had the urge to start telecommunicating using your TI-99/4A, 4A/Talk is the top-of-the-line communications program for you.

Combining 4A/Talk with the EasyData Modem turns your system into an automatic dialer, drawing telephone numbers from a built-in directory file. Plus, you can easily talk to other computers or to databases such as CompuServe. From Databiotics. (Requires Disk System, 32K Memory Expansion, RS232 Interface, Modem, Editor/Assembler, Mini-Memory or Extended BASIC cartridge.)

DISK #BJBR   **$19.95**

RF MODULATOR

Connector which allows you to hook up your black & white or color TV as a monitor. Required only if your original RF Modulator, packaged with your TI-99/4A console, has been lost or damaged.

ITEM #XXAF   **$19.95**

POWER ADAPTER

Replacement power adapter for your TI-99/4A computer.

ITEM #XXAH   **$10.95**

DISKETTE SALE!
MEMOREX DISKETTES

Save money on first-quality, double-sided/double-density 5.25" diskettes from Memorex. They are packaged in tens and include sleeves, labels and write-protect tabs. Backed by a lifetime warranty and certified 100% error-free.

ITEM #QDBA
$4.95

MOUSE

This high-quality, economic serial mouse is compatible with the TI-99/4A and Myarc Geneve 9640 computers. The package includes software for interfacing with TI Artist and TI-Artist Plus, extensive support for Extended BASIC programmers and a comprehensive manual. It is ideal for third party software development as it not only functions on all systems, it also functions the same in all situations. Lifetime warranty from Asgard Software. (Requires RS232 Interface.)

ITEM #2010   **$49.95**

UNIVERSAL PRINTER STAND

The perfect complement to your TI or Seikosha printer.

ITEM #QECC   **$9.95**

LINK TERMINAL EMULATOR

This terminal emulator supports baud rates up to 4800 baud, has a VT-100 emulation built-in and supports full ASCII and XMODEM transfers to disk and cassette. It even supports a 32K Memory Expansion if it's available. Simply put, it is the most advanced yet easiest to use telecommunications software available for the TI-99/4A. As a special bonus, it even includes a free CompuServe subscription (a $20 value)! From Asgard Software. (Requires RS232 Interface and Modem.)

CARTRIDGE #Z009   **$29.95**
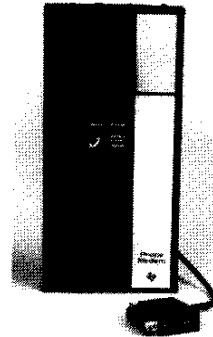

TI MODEM

Send and receive messages, data and even entire programs with your own home phone. Simply place your telephone receiver on the coupler cradle of the 300 baud TI Modem and you're ready to communicate. Features include test mode, power and ready indicators, easy-to-use acoustic coupler, built-in cable and more. (Requires communications software and Serial (RS232) Interface.)

ITEM #XXBM   **$19.95**

> **Please note:** The TI Modem has been factory reconditioned by Texas Instruments. This means that it's been tested, repackaged and is covered by TI's standard 90-day warranty.

GAMES TIs PLAY

Learn programming the fun way...by playing games. Here you'll find a super selection of classic computer games along with many clever new games. Written in TI BASIC, they are formatted in a way which lets you easily adapt any of the routines to your own programs. You'll learn principles of text formatting, word games, data statements, input routines, grid construction and graphics animation. 260 pages.

BOOK #2001   **$7.95**

THE ELEMENTARY TI-99/4A

This book will show you how to realize the full potential of your TI-99/4A. Its ten chapters lead you step-by-step through hookup, loading and saving programs, creating graphics, music and all kinds of handy utilities. Written in a friendly, cheerful and easy-to-understand manner. 256 pages.

BOOK #2000   **$5.95**

COMPUTE!'S GUIDE TO TI-99/4A SOUND AND GRAPHICS

Are you excited by your TI's graphics? Dazzled by its diversity of sound?—and baffled by how it's done? Then you need this complete guide to sound, graphics and speech synthesis on the TI-99/4A, including arcade style games, music routines and educational programs.

BOOK #UAAU   **$4.95**

TI-99/4A TRIVIA DATA BASE

Design and execute your own database programs from scratch for business and personal use. Teaches the fundamentals of screen and system design. Discusses user-friendly data entry, error checking and program continuity. Demonstrates sorting techniques so you can design your own multiple choice or trivia-type games. (Requires Extended BASIC cartridge. Cassette System recommended.)

BOOK #UAAJ   **$5.95**

EDUCATION

It isn't hard to understand why many children actually prefer computer teaching to more conventional education.

The computer is an infinitely patient, non-critical, personal teacher. It never gets tired of repeating...never pushes at a faster pace than the child can absorb. Yet it is never boring. It recognizes the instant a skill is mastered and immediately proceeds to stimulate with the next lesson or level of mastery.

No student is "bad" or "bright" at every subject. Children who need help in one particular subject can repeat, review, retest... without embarrassment, in total privacy. And gifted children can set their own fast pace. They can master more subjects than their school curriculum allows...learn at higher levels than their current grades...avoid boredom.
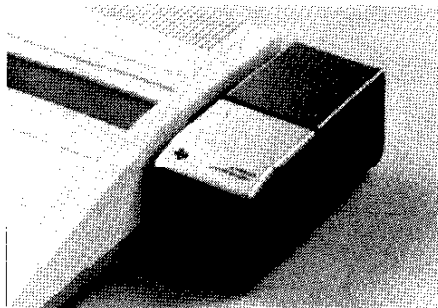

TI SPEECH SYNTHESIZER

A marvel of solid state technology, this popular peripheral reproduces human speech electronically, accurately and realistically—with a variety of inflections and appropriate pitch. Ideal for children too young to read the screen...while older students benefit from voice interaction. Plugs directly into TI-99/4A console without external cables. When used with software designed for speech, gives voice instructions, asks and answers questions. With Extended BASIC cartridge (see page 6), allows you to add speech to your own programs drawn from a vocabulary of 370 words. With Terminal Emulator II cartridge, provides virtually unlimited text-to-speech capability.

ITEM #XXBJ $69.95

ADDITION AND SUBTRACTION 2

Teaches basic skills, with drills for reinforcement. Speech component significantly increases the fun element. A Scott, Foresman program. For ages 6 to 7. (Speech Synthesizer recommended.)

CARTRIDGE #AAAM $9.95

MINUS MISSION

A Robot fights valiantly against creeping blobs of slime. You can help him—but only by providing the correct answer to the subtraction problem posed by each blob. Hits and misses recorded for scoring. A DLM program. For ages 8 to 10. (Joysticks recommended.)

CARTRIDGE #AABA $7.95
New!

COMPUTER MATH GAMES 3

This Addison-Wesley program helps make learning the principles of math fun for children ages 6-14.

CARTRIDGE #AABT $14.95

SPACE JOURNEY

Uniquely blends fun and learning through three challenging levels of practice in percent skills. It's your job to guide your spaceship to Earth by correctly answering a series of problems within a limited period of time. Features exciting animation and sound effects. For ages 11 and up. A Scott, Foresman program.

CARTRIDGE #1029 $9.95

EARLY LEARNING FUN

"Play" for very young children—who are actually learning their first computer skills! Colorful, exciting and educational activities that teach shape, number and letter recognition, counting, sorting and the alphabet. For ages 3 to 6.

CARTRIDGE #AAFA $4.95

TI LOGO

Developed in conjunction with Artificial Intelligence Laboratory, MIT (Massachusetts Institute of Technology) LOGO, a computer language suited to children, not only develops computer awareness. It also enriches the child's math, logic, music and communications skills—in fact, all areas of general learning. For ages 10 and up. (Requires Disk or Cassette System and 32K Memory Expansion. Printer and RS232 Interface are optional.)

CARTRIDGE #AEBF $11.95

PHYSICAL FITNESS

Ever wished for an exercise program designed especially for you? One that doesn't cost hundreds of dollars at a gym? Now the computer helps you plan (and stay with) an exercise program. Provides parameters that design it personally for you. Based on guidelines from the President's Council on Physical Fitness.

CARTRIDGE #AAFD $9.95
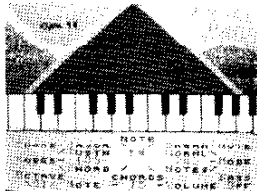

SORGAN II

That old organ grinder is back from the future! Rolling notes and catchy tunes are there at your command. Sorgan II turns your TI-99/4A into one of the hottest music properties around. As you touch the console's keys, Sorgan II displays the music played as colorful stairsteps running up a mountain on this bit-mapped display of a piano keyboard. Notes, chord formations and active octaves are there for your musical adventuring. From Databiotics.

CARTRIDGE #BDAU $19.95

MUSIC PRO

This unique music program redefines music software for the TI-99/4A. Its full-featured editor allows you to create music by typing notes on a staff—even directly off of standard piano sheet music. Easily delete and insert notes and phrases, even transform blocks of music to different durations or frequencies. You can even use up to three voices in your composition.

Very fast and user friendly, Music Pro lets you easily enter large pieces without having to learn any special notation particular to the program.

After composing your masterpiece, you can compile the music into assembly language data for rapid playing. Or, you can save or load in pieces for editing at any time. You can even print out your work in sheet music form on your Epson or compatible printer.

Includes a detailed, well-written manual, many sample songs and a keyboard overlay strip. From Asgard Software. (Requires 32K Memory Expansion and Extended BASIC cartridge.)

DISK #2028 $17.95

THE GREAT WORD RACE

Located on a maze of catwalks, sidewalks, crossbars and ladders are flashing letters. Your child controls the lovable Boppie, who climbs through the maze collecting the letters which form the target word. Using the umbrellas and Snapper repellers helps Boppie outwit the hungry Snappers.

The Great Word Race is an educational arcade action game that reinforces the concepts of letter recognition, word recognition, word memorization, spelling and word creation (unscrambling). Its content is appropriate for children from grades 1 through 8, but the entertainment value is intended for all ages. Eight skill levels add to the excitement and ensure repeated play. Designed by John Phillips.

CARTRIDGE #BDAL $22.95

PRO-TYPER
The Touch Typing Tutor

Ever wish you could type like a pro without the hassle of learning? This cartridge by Databiotics proves that you can be a "touch typist" at home and have fun, too! Easy-to-handle steps make you comfortable with each part of the keyboard.

After working through the five keyboard touch & feel sessions, you begin to touch type, progressing through intermediate to advanced in 16 easy steps. Ladderman, the sensational typing game, makes practice that much more enjoyable.

CARTRIDGE #BABG $19.95

SCHOLASTIC SPELLING

This great product teaches the spelling skills children ages 10 to 11 need to know. Features 18 lessons, each introducing 20 words, with every sixth lesson a review. The game "Spelling Bee" is a drill with diminishing clues. "That Did It" develops proficiency in spelling patterns, "Space Race" tests proficiency through a game format. Student's enjoyment is enhanced by freedom to select any lesson or game. A Scholastic program. (Requires Speech Synthesizer.)
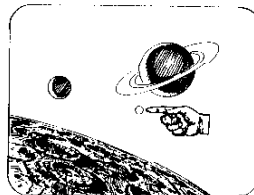

CARTRIDGE #AADC $12.95

READING RALLY

Features a 4-part program with 3 original stories, and a fourth part incorporating all skills into a final story. Topics introduced are "Fact and Opinion", "Author's Purpose" and "Bias and Connotation of Words." A Scott, Foresman program. Ages 10 to 11.

CARTRIDGE #AAEE $4.95

STARGAZER 1/2/3

Originally sold as three separate cartridges, Stargazer brings a planetarium into your home. Along with "white glove," your guide, meet and study the stars. Identify, while learning both the scientific and common names, 30 popular constellations. Then test your knowledge and check the results on the score screen.

CARTRIDGE #BABF $36.95

ABC's/123's
As fun as it is educational. ABC's features three fun exercises in letter recognition and letter sequence. Colorful graphics teach letter and word association. 123's teaches number and counting concepts. Learn to count as many as twenty-five objects. For ages 2 to 7 from Kidware.

CASSETTE #BJGE $8.95

MACDONALD'S FARM/SIMON SAYS
Two of the most popular educational games. MacDonald's Farm asks you to help Farmer MacDonald round up his runaway animals and get them back into the barn. Simon Says plays a musical tone and color pattern you must repeat. For ages 4 to 9 from Kidware.

CASSETTE #BJGG $8.95

NUMBERS I/II
Teaches basic number skills. Numbers I uses magic hats and number factories to help learn and recognize numbers from 1 to 9. Lively animated graphics make for lots of fun. Numbers II teaches the concepts of before and after and provides an introduction to addition and subtraction skills. For ages 3 to 7 from Kidware.

CASSETTE #BJGC $8.95

BUNNY COUNT/EARLY MATH
Two great ways for your child to learn to count. Bunny Count lets you draw and count lovable bunnies as they hop across the screen. Early Math presents addition and subtraction problems with the numbers 0 to 9. For ages 3 to 7 from Kidware.

CASSETTE #1026 $8.95

LETTERS I/II
Teaches basic alphabet skills. Letters I teaches upper case letters using magic genie bottles and alien spacecraft. Letters II teaches the alphabet with bright graphics. Two built-in games help your child learn where each letter belongs. For ages 3 to 7 from Kidware.

CASSETTE #BJGD $8.95

JUNIOR FARMER/BLOCKHEAD
In Junior Farmer, it's your job to find the farmer, his wife, the child, the cat, the mouse and the cheese. Blockhead helps you draw millions of funny faces. Both are very popular with children ages 2 to 7 from Kidware.

CASSETTE #1027 $8.95

ADDITION/SUBTRACTION
Teaches basic arithmetic skills. This program features flash card drills using colorful, oversized numbers in addition and subtraction. The level of problem difficulty can be varied and based on player performance. the computer will encourage moving to different skill levels. A timer option challenges the player's ability to answer quickly, as well as accurately. For ages 5 to 12 from Kidware.

CASSETTE #BJHF $8.95

HANGMAN/MEMORY
The popular Hangman program features fun graphics with animation and tests a child's spelling abilities. Contains 400 built-in words and any word can be entered for a two player game. Memory pits two players trying to find matching pairs of letters on a playing board against each other. For ages 6 to 14 from Kidware.

CASSETTE #BJGJ $8.95

ADDITION II/SUBTRACTION II
More math help. Addition II gives you practice adding numbers in columns and entering the answer from right to left like you do on paper. Similarly, Subtraction II provides column subtraction problems. Also gives optional practice in "borrowing" concepts. For ages 6 to 14 from Kidware

CASSETTE #1028 $8.95

SHOOT THE MOON/SPELLMAN
Shoot the Moon is spelling competition for up to four players. Play two games, "Flasher" and "Scrambler", with your spelling list. Spellman lets you play "Hangman" with your own spelling list. Both are great for elementary school children. For ages 6 to 14 from Kidware.

CASSETTE #BJGK $8.95

SPELLING TUTOR/MATH TUTOR
Spelling Tutor is great help for your child with spelling lessons. Using your words, three different quizzes can be taken. Math Tutor allows your child to practice problems you put in the computer. Thus, math lessons are easily tailored to your child's level and abilities. For ages 6 to 14 from Kidware.

CASSETTE #BJGL $8.95

MULTIPLICATION/DIVISION
Teaches basic arithmetic skills in multiplication and division. Has basically the same features as the Addition/Subtraction program described in this section. For ages 5 to 12 from Kidware.

CASSETTE #BJHG $8.95

FRACTIONS I/II
Basic help with fractions. Fractions I provides instruction in what fractional numbers mean. Fractions are pictorially displayed and exercises in representing mixed and simple fractions are given. Fractions II helps teach your child how to add, subtract, multiply and divide fractions. For ages 5 to 12 from Kidware.

CASSETTE #BJHH $8.95

US CAPITALS/US GEOGRAPHY
In US Capitals you learn the states and capitals. Tests can be multiple choice or fill in the blank. US Geography asks you to name a state, given clues regarding capital city, date admitted to the union, region of the country, nickname and geographical feature. For ages 8 to 16 from Kidware.

CASSETTE #BJGP $8.95

> **Please note:** The items on this page whose item numbers are preceded by the word DISK or CASSETTE require the use of a Disk System or Cassette Recorder (see page 3).

TUNNELS OF DOOM

TUNNELS OF DOOM
You are about to enter a labyrinth of tunnels and rooms. You are faced with innumerable monsters blocking your path and guarding treasures.
Tunnels of Doom is a role-playing adventure that stimulates your imagination and challenges your survival instincts. You are in control of what happens in your journey through the Tunnels of Doom.
Two adventures, "Pennies" and "Quest of the King" are included with the cartridge. (Requires Disk or Cassette System.)

CARTRIDGE & DISK #AKHP	$7.95
CARTRIDGE & CASSETTE #AKJP	$7.95

DOOM GAMES I
Attention Tunnels of Doom owners! Here are four adventures for use with your Tunnels of Doom cartridge. Since half the fun of an adventure is the unknown, we are purposely not providing information about these games except to tell you that they'll place you in an exciting world of 3-D graphics, monsters and guests. From Asgard Software. (Requires Tunnels of Doom cartridge.)

DISK #BHGA	$7.95
CASSETTE #BJGA	$7.95

VOLCANO FORTRESS
An excellent collection of five more games for use with the Tunnels of Doom cartridge. Features excellent 3-D color graphics, sound and adventure action. From Asgard Software. (Requires Tunnels of Doom cartridge.)

DISK #BHFZ	$7.95
CASSETTE #1042	$7.95

DOOM GAMES III
Another in the popular Doom Games series! This collection of four new adventures for use with the Tunnels of Doom cartridge features an exciting new adventure from Ken ("Daring Adventures in K-Mart") Gilliland entitled "Search for the True King". Enjoy your trip through this exciting world of 3-D graphics, monsters and guests. From Asgard Software. (Requires Tunnels of Doom cartridge.)

DISK #2052	$7.95
CASSETTE #2036	$7.95

DOOM GAMES II
The long-awaited sequel to the popular Doom Games I. Doom Games II features four more new adventures for use with the Tunnels of Doom cartridge. While we don't want to disclose much about these new games, we will tell you that they are guaranteed to place you in an exciting world of 3-D graphics, monsters and guests. From Asgard Software. (Requires Tunnels of Doom cartridge.)

DISK #BHHR	$7.95
CASSETTE #BJHR	$7.95

TUNNELS OF DOOM EDITOR
Create your own games for the Tunnels of Doom cartridge. This easy-to-use, menu-driven utility allows you to change all the graphics, monsters, characters, treasures, weapons and text in the game...without removing the animated 3-D graphics the module is known for. You can finish a completely original adventure in hours. From Asgard Software. (Requires Tunnels of Doom cartridge.)

DISK #BHHS	$19.95

CASINO GAMES
Try your luck at Blackjack, Poker, Craps and Roulette. Need a break - head for the bar to relax and count your winnings. From Asgard Software. (Requires 32K Memory Expansion and Extended BASIC cartridge.)

DISK #2011	$14.95

TOURNAMENT SOLITAIRE
This collection of seven popular variations of Solitaire includes Golf, Pyramid, Klondike, Canfield, Calculation, Pile Up and Corners. Each of these games can be played individually, or round-robin in a tournament where the score from one is passed onto the next. Fast game-play and well-defined graphics increase your game-playing pleasure. From Asgard Software. (Requires 32K Memory Expansion and Extended BASIC cartridge.)

DISK #2012	$14.95

DRAW POKER
Mind teasing, one player card game that pits you against the computer. The computer shuffles, deals and handles the details of play while you raise, call, fold and discard. Your hand is dealt with all five cards showing while the computer's hand is dealt face down. (Requires Extended BASIC cartridge.)

DISK #AKKC	$4.95

007: AQUA BASE
This one is for the beginning adventurer. You're Secret Agent 007; your mission is to find the evil Computer Operator who is planning to blow up the world. He is hidden in his Aqua Base. Can you find his hideout in time to destroy the laser and his base? You only have 90 minutes. Help feature included. From American Software. (Requires Extended BASIC cartridge.)

CASSETTE #BJBC	$7.95

IN SEARCH OF: THE FOUR VEDAS
A party from your tribe went on an expedition. They never came back. Now it's your turn.
You must find the ancient books of your tribe that were lost many years ago. They contain the great knowledge of the past and magic that will help you on your adventure. From American Software. (Requires Extended BASIC cartridge.)

DISK #BHFT	$9.95
CASSETTE #BJFT	$7.95

CASINO BLACKJACK
Designed to teach you the secrets the experts know when it comes to blackjack. It will show you how to increase your odds of winning by telling you when to hit, stay, split pairs or double down.
Choose to be dealt from 1,2 or 4 decks. Three modes of play include teach, test and play. From MG. (Requires Extended BASIC cartridge.)

DISK #BHFH	$11.95
CASSETTE #BJAR	$11.95

HAUNTED HOUSE
This is an adventure that will put you in a trance. Monsters and Magic lurk everywhere in this strange house. Only the brave will make it. Grab the ruby and get out. Not as easy as it sounds. From American Software. (Requires Extended BASIC cartridge.)

DISK #BHAX	$9.95
CASSETTE #BJAX	$7.95

AMERICAN DERBY
It's your day at the track. But there is more than luck in this realistic and colorful horseracing game. The "insiders" sheet gives you the tips on many of the 36 horses entered. It's great fun! From American Software. (Requires Extended BASIC cartridge.)

DISK #BHDG	$9.95
CASSETTE #BJDG	$7.95

WIZARD'S REVENGE
The Evil Wizard, banished to the forbidden zone long ago, has once again returned to spread death and destruction across the land in this Fantasy Adventure. Use your agility, strength, magic and armament to survive five incredibly graphic 3-D dungeon levels filled with savage creatures created by the Wizard. Unleash the force of the Magic Ring...Discover the secret power of the Carpet...There's lots of treasure, weapons and spells hidden in the dungeon, if you live long enough to find them all. Random elements make each game unique. From Rainbow Software. (Requires Extended BASIC cartridge. Disk version also requires 32K Memory Expansion.)

DISK #BHEB	$17.95
CASSETTE #BJEB	$17.95

WIZARD'S LAIR
An incredible journey awaits you in this 3-D fantasy adventure. Countless monsters from Faeries to savage Giants have been created by the Evil Wizard and are ready to engage you in an animated real time battle to the death! Sidestep nasty traps in search of the Wizard's treasures and the dozens of weapons and magical items that were left behind by long gone adventurers. Random generation makes each game unique. From Rainbow Software. (Requires Extended BASIC cartridge. Disk version also requires 32K Memory Expansion.)

DISK #BHDE	$15.95
CASSETTE #BJDE	$15.95

WIZARD'S DOMINION
A compelling 3-D adventure that gives you magical powers. In the dead Wizard's Kingdom, only the bravest dare challenge evil apprentices, cruel princes and legendary ogres. You start with only your limited money and magic. Explore hundreds of crystal caverns, battle enemies and finally find the wizard's chamber—if you can. From American Software. (Requires Extended BASIC cartridge.)

DISK #BHAC	$9.95
CASSETTE #BJAC	$7.95

THE PHAROAH'S TOMB
During the third dynasty of the ancient empire there ruled a great Pharoah with enormous wealth. He commanded that all his riches be placed in a special tomb. The myths about the tomb tell of trap doors and walls that move. It's also been said that even to this day, the Pharoah's ghost is protecting his treasure. The tombs are different each time you play! From MG. (Requires Extended BASIC cartridge.)

DISK #BHFF	$11.95
CASSETTE #BJFF	$9.95

BLACKBEARD'S TREASURE
Your five man diving team has found the lost treasure of Blackbeard the Pirate! Unfortunately, it's at the bottom of a shark infested sea and it is protected by two giant octopuses.
Beware - the sharks haven't been fed since the last time someone played this game and they love to eat divers. From MG. (Requires Extended BASIC cartridge.)

DISK #BHGT	$11.95
CASSETTE #BJGT	$9.95

GALLERY
All the excitement of an old time shooting gallery and more! Shoot rabbits, ducks and owls for big points. Hit bonus bullets and bullet boxes to keep your ammo supply up while fighting off flying, bullet-catching ducks. Many screens and an animated vanity scoreboard, too! From Rainbow Software. (Requires Extended BASIC cartridge.)

CASSETTE #BJFL	$14.95

ENTERTAINMENT

# ENTERTAINMENT

MICRO PINBALL

Insert this cartridge into your TI-99/4A and turn it into an incredibly realistic pinball machine! You'll have to experience this flawless simulation to believe it! You control the "flippers" and launch balls. Sit back and enjoy the flashing lights and ringing bells as your pinball collides with obstacles and richochets off posts in a kaleidoscope of colors. Be alert or you'll miss the chance to flip the ball back up the alley and pronounce yourself a Pinball Wizard!

CARTRIDGE #BADE   **$19.95**

QMAZE
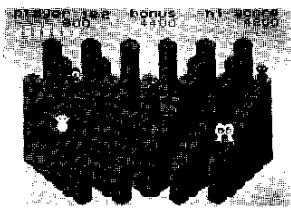

An arcade quality game that gets the jump on QBert QMaze's purple and black monsters join forces in a relentless race to catch you. Your task is to navigate each maze which you encounter while collecting all the toll dots. Double jumps and strategy are the addicting elements of this ingenious and highly-challenging game. Developed by Softmachine, the thrillmasters who brought you Parsec and TI Invaders.

CARTRIDGE #BAAZ   **$19.95**

STAR TRAP

The Delphan Army has grown to monstrous proportions. Your small band of rebels is the last hope to restore order to the galaxy. Your task is to create a frontal diversion while the rest of your allies converge on a massive rear strike. Defend your ship against laser cannons, drone space vessels and drone superior battle cruisers in this 3-D vector action game. Line up your crosshairs and fire away! Designed by John Phillips.

**CARTRIDGE #BDAR**   **$19.95**

OTHELLO
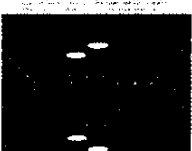

One of the greatest strategy games...even more fun computerized! To win: get as many disks of your color as possible on the board. But you've got to outflank your opponent by capturing a horizontal, vertical or diagonal row of his disks between yours...while he gets an avenging counter-move each time. Easily learned... deceptively simple. Play two players or against the computer.

**CARTRIDGE #ACCR**   **$6.95**

TI TOAD
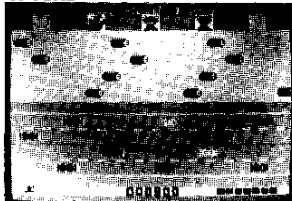

The desert winds have caught you on the wrong side of the road. You'll have to quickly hop to safety before your pebbly skin cracks and peels from the intense heat. Watch out for speeding cars as you cross the highway. Then jump from log to log as you cross the creek. At last, you've reached the hot tubs. Better pick an empty one. (Joysticks recommended.)

**CARTRIDGE #BADG**   **$19.95**

JUNKMAN JR.
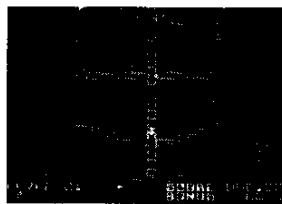

The year...2487 A.D. The place...aging planet Earth in the dying city of Burrwin, Illinois. You are collecting pollution for transport to an outer space junkyard in an attempt to save Earth from extinction. But you must listen for tiny barks...the only warning that mean and vicious micro-dogs give before they attack. Only your agility will save you! Entertains with lively music, spritely action, imaginative graphics and sound. (Joysticks recommended.)

CARTRIDGE #BAAM   **$19.95**

BURGER BUILDER
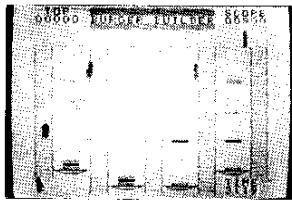

If you believe that all fast food burgers are greasy, then test your skill and challenge this philosophy with Burger Builder, the "cookin"arcade game cartridge. You become the short-order cook as you skillfully drop the fixin's onto buns, racing against time to make hamburgers and advance to the next level for more excitement. Another creation of Software Specialties.

CARTRIDGE #BAAY   **$19.95**

JAWBREAKER II
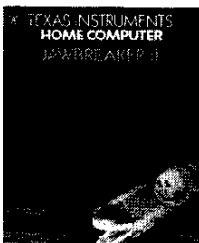

A one-player arcade game of sudden danger and narrow escapes. You control the Jawbreaker, a powerful set of crunchers. Race through 5 shifting mazes before your power runs out—raising your score by devouring Dots and Special Treats, evading Grinning Gobblers and munching Energizers. (Joysticks recommended.)

CARTRIDGE #ACCY   **$8.95**

MIDNIGHT MASON

It's the graveyard shift and you're behind schedule. Better get to work repairing the walls of the old Refectory. But what's this? Some very hungry varmints intend on keeping you from finishing your shift. Climb, run, build and break through walls on this merry chase as you try to collect your tools before the ghosts collect you. (Joysticks recommended.)

CARTRIDGE #BADF   **$19.95**

DEFENDER

The sophisticated Defender spaceship is your only hope against an alien attack that takes many forms. Armed with smart bombs and able to shift into hyperspace, Defender evens the score! (Requires Joysticks.)
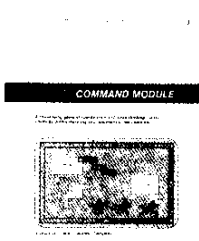

CARTRIDGE #BKAE   **$7.95**

RETURN TO PIRATE'S ISLE

You're on a fantasy island—a world teeming with monstrous evils. But you've got to stay, because 13 treasures are hidden here and you must unearth them to escape! Only logic and ingenuity can help you defend yourself. (Disk or Cassette System recommended.)

CARTRIDGE #ACCX   **$14.95**

HUSTLE

This speedy challenge requires fast, fast, fast reflexes and hand-eye coordination. Direct a snake-like object to hit targets. But you've got to avoid not only your opponent, but the edge of the screen—and even yourself! (Joysticks recommended.)

CARTRIDGE #ACCG   **$6.95**

SUPER DEMON ATTACK

Tentacled demons out of nightmares are blasting the moon. You destroy their attack waves by maneuvering and firing your laser cannon. Then dare to infiltrate their base! Two different battlefields, plus continuous play as you achieve higher levels of skill. A one-player game. (Joysticks recommended.)

CARTRIDGE #BCCA   **$7.95**

BREAKTHROUGH

Based on the arcade classic, Breakthrough is guaranteed to challenge your reflexes as well as your mind. Split-second reactions are necessary to keep your ball in play as you attempt to break through the brick wall. A second option makes the wall invisible for an even greater challenge.

As if the action isn't fast enough, it speeds up as you do better. From Databiotics. (Requires Joysticks.)

CARTRIDGE #2006   **$19.95**

BOXER
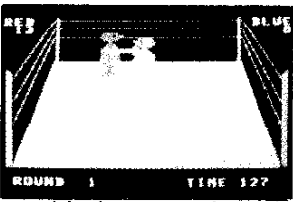

Find out if you have what it takes to lace on the gloves and enter the ring in this two-player game.

Maneuver your boxer around the ring as you get into position to unleash a devastating body blow or a crushing shot to the head of your opponent. Hit him just right and his head will fly up...three in a row and it's a knockout! (Requires Joysticks.)

CARTRIDGE #2007   **$19.95**

CHISHOLM TRAIL
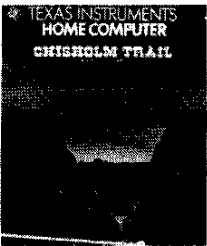

Still another maze classic. This one requires you to be fast on the draw! Be a cowboy moving a "steer" through the maze. Your goal: kill four."Brand" monsters plus the worst one of all: the weird "Wrangler." (Joysticks recommended.)
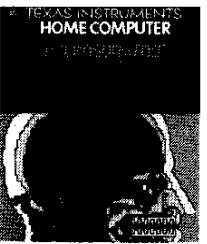

CARTRIDGE #ACCS   **$6.95**

MOONMINE
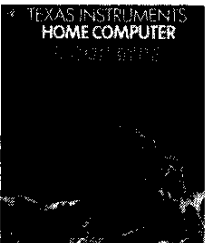

You're the captain of the USS MoonMine. Your mission: re-capture treasure stolen from earth by the villainous Zygonaut and his menacing men. A one-player game demanding quick planning and thinking. (Speech Synthesizer and Joysticks recommended.)

**CARTRIDGE #ACBC**   **$17.95**

MICROSURGEON

Advance from medical student to intern to brilliant surgeon in this fascinating fantasy: an operating room where you work against time to save critical patients. Choose from 1,000 patients and a variety of diagnoses. (Speech Synthesizer and Joysticks recommended.)

**CARTRIDGE #BCCB**   **$17.95**

MICRO TENNIS

Experience all the excitement, action and thrills of a professional tennis match, right on your TI-99/4A. Hit your backhand crosscourt or down the line, charge the net or stay back on the baseline. Play against a friend or against the computer. The choice is yours. Features incredible dimensional perspective for realism, court color selection, three levels of play, automatic scorekeeping and realistic sound effects. From Databiotics. (Requires Joysticks.)

**CARTRIDGE #BDAQ**   **$19.95**

STAR RUNNER
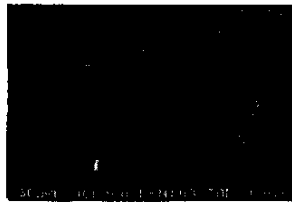

You are a captive, aboard the starship Arcturus, laden with plundered treasure taken from your planet.

Your mission...recover the stolen booty stored on all 25 decks of the starship, one deck at a time. Your only weapons are blinding speed and your blaster. You must guide your runner up ladders and along decks while dodging crewmen, blasting your way to safety and through vaults to gather treasure. (Joysticks recommended.)

**CARTRIDGE #BAAP**   **$19.95**

SPACE PATROL
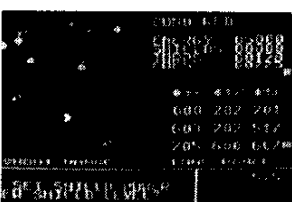

As an intergalactic officer of the Space Patrol, it is your mission to seek out and destroy space outlaws in near and remote galaxies. At your disposal is all the latest "Star Wars" technology, but it will require a lot more than that to succeed.

You'll need to use your mind at warp speed in order to bring the evil outlaws to justice. From Databiotics. (Requires Joysticks.)
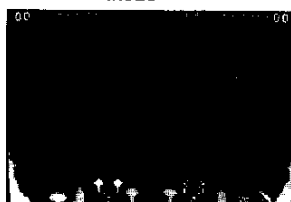

CARTRIDGE #2004   **$19.95**

PICNIC PARANOIA
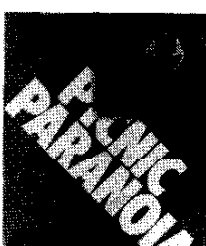

Insidious insects join George's picnic and try to ruin the fun. They push point-laden food off the screen; and their bites are paralyzing. Help George turn the tables with bug spray! (Requires Joysticks.)

CARTRIDGE #BKAJ   **$9.95**

BEYOND PARSEC

As you head home after destroying the last Bynite, you find yourself in a blackhole and mysteriously teleported into another galaxy, Beyond Parsec. Suddenly you're face-to-face with the most dangerous enemy you've ever encountered: a spacecraft as deadly and as fast as yours.

Beyond Parsec challenges you to outsmart and outmaneuver your opponent in this two-player challenging sequel to the best-selling game ever produced for the TI-99/4A. Designed by John Phillips. (Joysticks recommended.)

CARTRIDGE #BDAP   **$19.95**
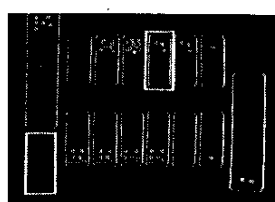

BLACKHOLE
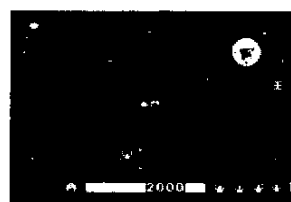

If you liked Parsec, you'll love Blackhole. A dynamic action and special effects cartridge, Blackhole pits one or two players against an empire of extraterrestrial vehicles and the dreaded blackhole. Survival depends on your skill and co-pilot coordination. From Databiotics.

CARTRIDGE #BABD   **$19.95**

MANCALA

Out of Africa...born in the mists of time, Mancala has captured imaginations for centuries. Now, Mancala's awesome intellect challenges you to a duel of wits and dexterity. Use the fire button on your joystick to lift and drop your stones into the pits...but beware, Mancala uses fiendishly clever tactics to outwit you. This one- or two-player game features spectacular bit-mapped graphics and is fun for players of all ages. From Databiotics.

**CARTRIDGE #2002**   **$19.95**

CONNECT FOUR
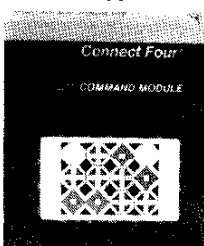

Should you try to position your four checkers in a row horizontally, vertically or diagonally? How will your opponent counter your move? Grapple with these questions as you play Connect Four, developed for Texas Instruments by Milton Bradley. An entertaining game of chance, challenge and strategy.

CARTRIDGE #AABK   **$9.95**

ENTERTAINMENT

RED BARON FLIGHT SIMULATOR
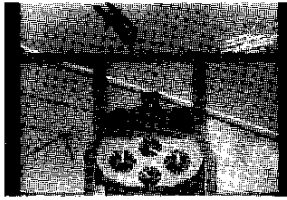

At last, a cartridge-based flight simulator with full 3-D perspective and aerobatic control.

Select your flight plan check your controls, ease back on the stick and watch the rolling French countryside drop away. Shoot down observation balloons, bomb the enemy's airfield, fly to Paris. But keep your eye out for the enemy.

This 32K module features continuous instrument readouts, 360-degree view of the world, colorful graphics, realistic sounds and more. From Databiotics. (Joysticks recommended.)

CARTRIDGE #BADH **$25.95**

MUNCHMAN II
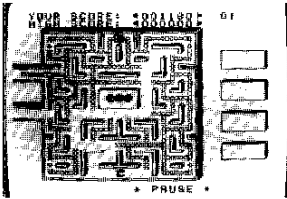

Test your instincts and reflexes in this challenging sequel to one of TI's most popular games. The evil hoonos return in force and they're looking for revenge. Use you maze skills to outmaneuver them or gobble up an energizer and send them fleeing. More chains, more mazes, more energizers, trickier turns and smarter hoonos make this game the ultimate challenge. Designed and programmed by John Phillips. (Joysticks recommended.)

CARTRIDGE #BDAG **$19.95**

STRIKE THREE!

Developed by John Phillips (4A Flyer, Muchman II), Strike Three! is a part action, part simulation baseball game which allows you to play against a friend or the computer.

On the pitcher's mound choose to throw a high hard one, a slow curve or anything in between. When at the plate, use your best batter's eye to pick out the pitch you can take "downtown" for a home run.

Superb graphics, stunning animation, realistic sounds and actual major league statistics make Strike Three! a real home run as far as computer baseball games go.

CARTRIDGE #BADJ **$19.95**

M*A*S*H

The beloved TV show becomes one of TI's most popular games. As Hawkeye, you airlift wounded soldiers from the battlefield to the 4077. If you survive firing tanks and your opponent, you've still got only 30 seconds in the Operating Room to remove deadly shrapnel. Allows simultaneous play for 2 players or you vs. the computer. (Speech Synthesizer and Joysticks recommended.)

CARTRIDGE #ACCV **$8.95**

TRIS
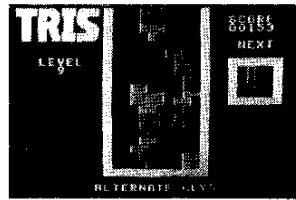

This fast-paced arcade strategy game is the TI version of the extremely popular puzzle game from the Soviet Union. Rotate and move falling puzzle pieces to fill-in the space at the bottom of the game area. Completed rows automatically disappear.

IBM and Apple versions are always at the top of the best-seller lists! Very colorful, hectic and extremely addictive for game players of all ages. From Asgard Software.

CARTRIDGE #2003 **$19.95**

4A FLYER
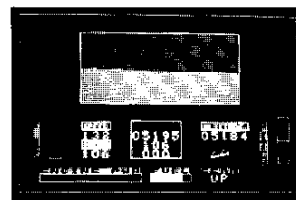

Take off with 4A Flyer flight simulator for the TI-99/4A. Slip into the cockpit of your prop plane for an exciting, awe inspiring flight. Your mission: to deliver cargo to several airports in your beacon's range. Your cockpit instruments help you react to adversities such as changing weather conditions. Select the combat mode and line 'em up in your sights. Colorful graphics and sound effects add more excitement—a real high-flying experience! Written by John Phillips. (Joysticks recommended.)

CARTRIDGE #BDAF **$19.95**
