

Icons by Dave!

Thanks for taking the time to download my little piece of art!! I created all these icons & I hope you enjoy

them.

This product is shareware. Please send me \$1.00 in US funds (if you think this deserves more, I'd appreciate it) to the address below. BTW, one-half of whatever I get will be donated to charity!! BUT, if you're a starving teenager like myself and can't afford \$1.00, send me an e-mail AND sign the guestbook at my homepage. My e-

mails and the address of my home page are below.

Internet:

cn3656@coastalnet.com

AOL:

[David2Dave](#)

Snail Mail: [David Bettis](#)

[11 Wisteria Lane](#)

Greenville, NC 27858

My shareware/freeware stuff can *ALWAYS* be found at a link via my home page:

<http://www2.coastalnet.com/~cn3656/>

This and all my other things that I've created can be found via FTP at:

<ftp://users.aol.com/David2Dave>

LEGAL STUFF

Please do not distribute this for profit.

Please UPLOAD this, but NOT an altered version!! If you upload this, make sure that it is the same as when you downloaded it from where-ever you did.

I am in absolutely no way responsible for any damage caused because you downloaded this, although no damage should occur, you must use this AT YOUR OWN RISK!!

INSTRUCTIONS

To "install" these icons, click on the desired one. Select Get Info... from the file menu. Click on the icon (a box should

appear around the icon). Select Copy from the edit menu. Select the icon that you want to replace. Select Get Info... from the file menu. Click on the icon (a box should appear around the icon--shown below).

elect Paste from the edit menu. Close that window, and you should have your icon. YOU'RE DONE!!

ENDING

Again, thanks for downloading my little piece of artwork. Have fun!!
