AGREEMENT TO OPEN ENROLLMENT PLACEMENT

*{NOTE: State law does not require parents/guardians to sign an "agreement" as part of its notification of intent to attend the nonresident school district. DPI form PI 9415 is available for the parent/guardian to notify the nonresident district of a student's intent to attend. Do you continue to use the agreement on page 14? If so and you would like me to prepare it for the manual, please let me know. (WASB - 11/06) }*
