DISPLAY OF TROPHIES AND OTHER AWARDS

{NOTE: I deleted the first three paragraphs, which related more generally to honors, scholarships and awards. I included that information in policy 460 on Student Scholarships and Awards.}

The Board of Education would like to recognize the achievements of the students of the De Soto Area School District by publicly displaying trophies and awards. This display shall be limited to trophies and awards obtained while competing in school-sponsored events and competitions.

However, the Board recognizes that at the Middle School level students rarely have the opportunity to obtain trophies/awards through school activities. Therefore, to enhance student participation in community activities, the Board authorizes the display of trophies/awards earned by De Soto Middle School students as individuals or while participating on local community teams in a designated trophy case located in the Middle School.

Such trophies/awards shall be displayed only for the duration of the current school year that the trophy/award was obtained. At the end of the year, or sooner at the request of the coach/designee, the trophies/awards shall be returned to the coach or designee.

APPROVED: February 7, 1995

REVISED:

NOTE: This proposed policy was found in your district's current policy manual (no code - dated 2/7/95). I revised it for stylistic reasons and as outlined above. (WASB - 11/06)
