

DE SOTO AREA SCHOOL DISTRICT

681

FINANCIAL ACCOUNTING SYSTEM

The Board of Education hereby adopts the current Wisconsin Uniform Financial Accounting Requirements (WUFAR), as prescribed by the department of public instruction, as its system for budget and financial accounting in the De Soto Area School District.

All income received by the De Soto Area School District shall be classified under the official accounting system of the Board and be deposited into the official school District depository as established by the Board in accordance with state law.
