

FOOD OR BEVERAGES IN GYMNASIUM

The Board of Education wishes to maintain a high level of cleanliness and maintenance within the De Soto Schools. In an attempt to maintain this standard, only bottled water is accepted in the Gymnasium.

Food items that are prepared hot such as sandwiches and pizza are to be eaten outside of the Gymnasium. We encourage food items that are sold at our concession stand as being those that will help maintain a higher level of cleanliness.

Approved: September 8, 2003
