

DE SOTO AREA SCHOOL DISTRICT

751.3

LATE BUS

Late busses shall be provided for students participating in District-sponsored after school activities. **{NOTE: I added "District-sponsored" for clarification. Is this accurate?}** Routes will be established so as to provide efficient, yet consistent, transportation to the north and south areas of the District.

Discussions **{NOTE: Determinations?}** are to be made on a daily basis as to whether the late busses will run. Students who wish to ride the late bus are required to sign up in the High School office by 1:00 p.m. each day. One or two busses will be run depending upon the number and location of students requesting transportation. If no students sign up, no bus will run.

Consideration will be given to discontinuing the late bus between **{NOTE: athletic?}** seasons and at times of inclement weather. If school is called off because of bad weather no late bus will run because all activities are to be canceled.
