

DE SOTO AREA SCHOOL DISTRICT

881.1

SUNDAY AND WEDNESDAY ACTIVITIES POLICY

The Board of Education is committed to running an extensive offering of co-curricular activities available to all students. At the same time there is an understanding of the time commitment it takes on the part of students and parents to participate in these activities.

The Board also believes in the importance of family time which is not monopolized by the school district. To this end the district will schedule no student event on Wednesday evening or on Sundays.

It should be understood that students may be allowed to attend events, during these times, that are not scheduled by this district, such as WIAA events, events at UW-La Crosse or elsewhere that have benefits to the educational process. Each exception will be discussed and approved by the Board on a case by case basis.
