ALW Software License Registration

Return this form to:
Distributed Systems Section, CFB, DCRT
Bldg. 12A, Room 2033
National Institutes of Health
Bethesda, MD 20892

Please use this form in order to register an ALW machine to use a centrally maintained copy of software licensed to run only on specific machines. Proof of purchase of a license for the machine must be attached to this form, either an NIH Purchase Order or Record of Call. For more information on completing these forms, please call 496-UNIX.
