### Pinkston Odyssey of the Mind Teams Compete at World Finals

Two teams of students from Pinkston Middle School recently competed at the 2014 Odyssey of the Mind World Finals competition held at Iowa State University. There were 833 teams from all around the world at the competition. Students were able to meet and visit with other OMER's from China, Togo, India, Poland, Hong Kong, Germany, Mexico and many other countries and states. In the competition, Pinkston 6<sup>th</sup> grade team competed in Driver's Test, Division 2. This team placed 18<sup>th</sup> out of 54 teams overall. This team was coached by Tara Harper, Sondee Connelley and Annette Walden. Pinkston 7<sup>th</sup> grade team competed in Seeing is Believing, Division 2. This team placed 21<sup>st</sup> out of 58 teams. This team was coached by Becca Camp and Tara Harper.

Mrs. Camp, Odyssey of the Mind director for Mountain Home Schools said, "Watching the teams perform so well is a highlight of my career. Seeing all of hours of hard work pay off in such a huge way is an amazing accomplishment for these kids. I am very proud of each and every student that represented Pinkston, Mountain Home Schools, and Arkansas so very well."

# Thank you Dr. Myers and Dr. G for the LUNCH!
