2007 Microsoft Office suites Australian Recommended Retail Pricing

Microsoft Australia has outlined the recommended retail pricing (RRP) for the upcoming release of the 2007 Microsoft Office suites. The pricing for the most popular suites has remained in line with the 2003 Microsoft Office suites.

The 2007 Microsoft Office suites will provide users with more flexibility to adopt a solution that matches their needs, as a small business, a home user or a student.

2007 Microsoft Office suites	Recommended Retail Price	Upgrade Price
Microsoft Office Home and Student 2007	\$249	N/A
Microsoft Office Standard 2007	\$690	\$399
Microsoft Office Small Business 2007	\$749	\$499
Microsoft Office Professional 2007	\$849	\$549
Microsoft Office Ultimate 2007	\$1,150	\$939

Additional information on the various editions of the 2007 Microsoft Office system can be found here <http://www.microsoft.com/presspass/presskits/2007office/default.mspx>.
