

DISNEY'S PETER PAN: ADVENTURES IN NEVER LAND

PlayStation 2

Overview

Peter Pan 2 is a third person swashbuckling, action adventure that takes gamers into Never Land to fight Capitan Hook and his crew of pirates. Gamers control Peter Pan and Tinkerbell in a vibrant 3D world, and explore environments and interact with characters from the films *Peter Pan* (1953) as the new Disney sequel *Peter Pan 2: Return to Neverland* (February 2002). Although the game will be based on familiar characters and settings of the Disney films, the story is completely original and explores additional locations and characters unique to the game.

Key Features

- Focus on action elements, skillful jumps, dodging foes, swordplay
- Build magical abilities by gathering Pixie Dust. Learn to fly!
- High-quality character animation
- Both day & night levels. Beautiful daytime lighting with sun rays gleaming through dense overhead tree coverage as well as night sky moon & star lighting, pirate bonfires and flickering torches, providing dazzling & darker themed areas
- Diverse gameplay mechanics, including: flying, "circle your foe" fight mode, dueling, mudslides, sneaking, throwing daggers, shooting slingshots, and special moves
- 24 levels in 7 unique Never Land environments, including: Cannibal's Cove, Crocodile Creek, Skull Rock, Mermaid Lagoon, and Hook's Jolly Roger.
- Features film clips from the Disney films *Peter Pan* and *Peter Pan 2: Return to Neverland*.

Characters

Play as Peter Pan with Tinkerbell by your side. Rescue the Lost Boys by defeating Hook's crew including Turk, Black Murphy, Starkey, and Bill Jukes. Over 20 unique characters in the game, including new characters exclusive to PlayStation.

Gameplay

Players control Peter Pan from a 3rd person point of view as he explores Never Land, brought to life in beautiful 3D. Tinkerbell is always at his side, helping Peter to target enemies, gather items, and explore the tiniest places. The story unfolds through cinematic cut scenes as the player accomplishes quests. Once levels are completed, Peter Pan and Tinkerbell travel between Never Land locations in dramatic flying sequences, which become more thrilling as Peter Pan gains power and Never Land's magic is restored. Peter Pan combats Hook's pirates by employing a unique "circle your foe" play mechanic, allowing for cunning strategy and fast-paced swashbuckling swordplay.

Story

Things are amiss in Never Land, thanks once again to Captain Hook and his crew. Hook has stolen Tinkerbell's pixie dust, thus stealing Peter Pan's powers. To make matters worse, Hook has kidnapped the Lost Boys to distract Peter so that now the Captain and his cutthroats are free to find the legendary Treasure of Skull Rock. Peter must find a way to free his friends from the clutches of Hook's crew and restore the magic that has been drained. Through it all, Peter Pan must stay one step ahead of Hook and prevent his life-long foe from beating him to the hidden treasure.
