

TARZAN - OVERVIEW

'He could spring 20 feet across space at the dizzy height of the forest top and grab with unerring precision and without apparent jar, a limb waving wildly in the path of an approaching tornado.'

Edgar Rice Burroughs, 'Tarzan of the Apes', 1912.

It was 87 years ago that Edgar Rice Burroughs first introduced the character of Tarzan to the world. Since then he has been featured in magazines, comic books, 26 authorised novels, radio and television programs, and more than 43 motion pictures. His popularity knows no bounds, and his adventures continue to thrill and excite audiences even today.

Now Disney Interactive brings us TARZAN the Action Game inspired by Walt Disney Pictures' animated adventure. TARZAN is an innovative and exciting exploration of this classic tale, telling the story of a human baby who is orphaned in the African jungle and lovingly raised by a family of apes. Tarzan's peaceful and sheltered world is turned upside down by the arrival of a human expedition and the revelation that he is one of them. As he struggles to decide which "family" he belongs with, his dilemma is further complicated by his feelings for a beautiful young woman named Jane and the discovery that a trusted member of his new human "family" is plotting to harm the apes.

As the game tracks the development of young Tarzan, it takes him and his friends through a series of thrilling and exciting adventures: Guide Tarzan through the jungle to escape a herd of stampeding elephants; help Jane escape a pack of ferocious baboons; trash the humans' camp with Tarzan's 'sister' Terkoz; and engage the bloodthirsty tiger Sabor in a battle to the death!

Utilising artwork and animation from Disney's latest animated feature, TARZAN takes you deep into the heart of the African jungle where the legend come alive!
