About the Movie:

Twentieth Century Fox and Academy Award® winning director Chris Wedge, who last joined forces on the blockbuster animated hit ICE AGE, now team to create another visually spectacular, three-dimensional world, with an all-star, award-winning cast, in ROBOTS. Beyond the scope, freshness and vibrancy of a whimsical world populated solely by mechanical beings, Wedge and his team are creating memorable robots, each with "his" / "her" own distinct personality. The result is a timeless tale that pushes the boundaries of animation, while introducing characters rich with comedy and heart. ROBOTS stars the voice talent of Ewan McGregor, Halle Berry, Mel Brooks, Greg Kinnear, Drew Carey, Jim Broadbent and Amanda Bynes, among others.
